The proposals will be presented to the Board of Education for consideration for award by resolution at a meeting to be held at 5:00 P.M. Central Time, on the same date. The proposal offering to purchase the Bonds upon the terms specified herein and most favorable to the District will be accepted unless all proposals are rejected.

PURPOSE

The Bonds are being issued pursuant to Minnesota Statutes, Chapter 475, and a special election held May 8, 2018 by the District for the purpose of financing the acquisition and betterment of school sites and facilities in the District. The Bonds will be general obligations of the District for which its full faith, credit and taxing powers are pledged.

DATES AND MATURITIES

The Bonds will be dated July 19, 2018, will be issued as fully registered Bonds in the denomination of \$5,000 each, or any integral multiple thereof, and will mature on February 1 as follows:

2027	1,300,000	2033	1,600,000	2039	2,010,000

ADJUSTMENT OPTION

* The District reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BOND OPTION

Proposals for the Bonds may contain a maturity schedule providing for any combination of serial bonds and term bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above. All dates are inclusive.

INTEREST PAYMENT DATES AND RATES

Interest will be payable on February 1 and August 1 of each year, commencing February 1, 2019, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board. **The rate for any maturity may not be more than 2.00% less than the rate for any preceding maturity. (For example, if a rate of 4.50% is proposed for the 2022 maturity, then the lowest rate that may be proposed for any later maturity is 2.50%.)** All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

BOOK-ENTRY-ONLY FORMAT

Unless otherwise specified by the purchaser, the Bonds will be designated in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds, and will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of interests between its participants. The participants will be responsible for maintaining records regarding the beneficial interests of the individual purchasers of the Bonds. So long as Cede & Co. is the registered owner of the Bonds, all payments of principal and interest will be made to the depository which, in turn, will be obligated to remit such payments to its participants for subsequent disbursement to the beneficial owners of the Bonds.

PAYING AGENT

The District has selected Bond Trust Services Corporation, Roseville, Minnesota, to act as paying agent (the "Paying Agent"). Bond Trust Services Corporation and Ehlers are affiliate companies. The District will pay the charges for Paying Agent services. The District reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the District, the Bonds maturing on or after February 1, 2028 shall be subject to optional redemption prior to maturity on February 1, 2027 and on any date thereafter, at a price of par plus accrued interest.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the District. If only part of the Bonds having a common maturity date are called for redemption, then the District or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of redemption shall be sent by mail not more than 60 days and not less than 30 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

DELIVERY

On or about July 19, 2018, the Bonds will be delivered without cost to the winning bidder at DTC. On the day of closing, the District will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Bonds is then pending or, to the best knowledge of officers of the District, threatened. Payment for the Bonds must be received by the District at its designated depository on the date of closing in immediately available funds.

LEGAL OPINION

An opinion in substantially the form attached hereto as Appendix B will be furnished by Dorsey & Whitney LLP, Minneapolis, Minnesota, bond counsel to the District.

SUBMISSION OF PROPOSALS

Proposals must not be for less than \$23,558,925, plus accrued interest on the principal sum of \$23,725,000 from date of original issue of the Bonds to date of delivery. **The maximum proposal amount allowed is \$24,674,000.** Prior to the time established above for the opening of proposals, interested parties may submit a proposal as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Facsimile submission to Ehlers, Facsimile Number (651) 697-8555; or
- 3) Electronically via **PARITY** in accordance with this Terms of Proposal until 10:00 A.M. Central Time, but no proposal will be received after the time for receiving proposals specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Terms of Proposal, the terms of this Terms of Proposal shall control. For further information about **PARITY**, potential bidders may contact Ehlers or i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Telephone (212) 849-5021.

Proposals must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of proposals. Each proposal must be unconditional except as to legality. Neither the District nor Ehlers shall be responsible for any failure to receive a facsimile submission.

A good faith deposit ("Deposit") in the amount of \$474,500 shall be made by the winning bidder by wire transfer of funds to **KleinBank, 1550 Audubon Road, Chaska, Minnesota, ABA No. 091915654 for credit: Ehlers & Associates Good Faith Account No. 3208138.** Such Deposit shall be received by Ehlers no later than two hours after the proposal opening time. The District reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the District may award the Bonds to the bidder submitting the next best proposal provided such bidder agrees to such award. The Deposit will be retained by the District as liquidated damages if the proposal is accepted and the Purchaser fails to comply therewith. The Deposit will be deducted from the purchase price at the closing for the Bonds.

The District and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the proposal is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the proposal is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

No proposal can be withdrawn after the time set for receiving proposals unless the meeting of the District scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The District's computation of the interest rate of each proposal, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The District reserves the right to reject any and all proposals and to waive any informality in any proposal.

BOND INSURANCE

If the Bonds are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the District requested and received a rating on the Bonds from a rating agency, the District will pay that rating fee. Any rating agency fees not requested by the District are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Bonds are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Bonds.

CUSIP NUMBERS

The District will assume no obligation for the assignment or printing of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

NON-QUALIFIED TAX-EXEMPT OBLIGATIONS

The District will NOT designate the Bonds as "qualified tax-exempt obligations" pursuant to Section 265 of the Internal Revenue Code of 1986, as amended, which permits financial institutions to deduct interest expenses allocable to the Bonds to the extent permitted under prior law.

CONTINUING DISCLOSURE

In order to assist the Underwriters in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 the District will enter into an undertaking for the benefit of the holders of the Bonds. A description of the details and terms of the undertaking is set forth in Appendix D of the Preliminary Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

In order to establish the issue price of the Bonds for federal income tax purposes, the District requires bidders to agree to the following, and by submitting a proposal, each bidder agrees to the following.

If a proposal is submitted by a potential underwriter, the bidder confirms that (i) the underwriters have offered or reasonably expect to offer the Bonds to the public on or before the date of the award at the offering price (the "initial offering price") for each maturity as set forth in the proposal and (ii) the bidder, if it is the winning bidder, shall require any agreement among underwriters, selling group agreement, retail distribution agreement or other agreement relating to the initial sale of the Bonds to the public to which it is a party to include provisions requiring compliance by all parties to such agreements with the provisions contained herein. For purposes hereof, Bonds with a separate CUSIP number constitute a separate "maturity", and the public does not include underwriters (including members of a selling group or retail distribution group) or persons related to underwriters.

If, however, a proposal is submitted for the bidder's own account in a capacity other than as an underwriter of the Bonds, and the bidder has no current intention to sell, reoffer, or otherwise dispose of the Bonds, the bidder shall notify the District to that effect at the time it submits its proposal and shall provide a certificate to that effect in place of the certificate otherwise required below.

If the winning bidder intends to act as an underwriter, the District shall advise the winning bidder at or prior to the time of award whether the competitive sale rule applies.

If the District advises the Purchaser that the requirements for a competitive sale have been satisfied and that the competitive sale rule applies, the Purchaser will be required to deliver to the District at or prior to closing a certification, in a form reasonably acceptable to bond counsel, as to the reasonably expected initial offering price as of the award date.

If the District advises the Purchaser that the requirements for a competitive sale have not been satisfied, the Purchaser shall (1) advise the District as soon as practicable after the award, but on the date of the award, whether the underwriters have sold at least 10% of each maturity of the Bonds to the public at the initial offering price, and, if not, the maturities with respect to which that is not the case (the "Undersold Maturities"; (2) from time to time, and upon one or more requests of the District, inform the District in writing of the amounts, times and prices of sales of Bonds that are Undersold Maturities and whether such sales were to the public until, with respect to a maturity, at least 10% of that maturity has been sold to the public at a single price, or, if earlier, the date on which all Bonds of such Undersold Maturity have been sold to the Public; and (3) at or prior to closing, deliver to the District a certification as to such matters, in a form reasonably acceptable to bond counsel.

Any action to be taken or documentation to be received by the District pursuant hereto may be taken or received on behalf of the District by Ehlers & Associates, Inc..

The Bonds will NOT be subject to the "hold-the-offering-price" rule. Any proposal submitted pursuant to the Terms of Proposal shall be considered a firm offer for the purchase of the Bonds, and proposals submitted will not be subject to cancellation or withdrawal.
