

PRELIMINARY OFFICIAL STATEMENT DATED FEBRUARY 6, 2018

In the opinion of Quarles & Brady LLP, Bond Counsel, assuming continued compliance with the requirements of the Internal Revenue Code of 1986, as amended, under existing law interest on the Bonds is excludable from gross income and is not an item of tax preference for federal income tax purposes. See "TAX EXEMPTION" herein for a more detailed discussion of some of the federal income tax consequences of owning the Bonds. The interest on the Bonds is not exempt from present Wisconsin income or franchise taxes.

The City will designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

New Issue**Rating Application Made: Moody's Investors Service**

CITY OF FITCHBURG, WISCONSIN (Dane County)

\$7,745,000* GENERAL OBLIGATION CORPORATE PURPOSE BONDS, SERIES 2018B

BID OPENING: February 13, 2018, 11:00 A.M., C.T.**CONSIDERATION:** February 13, 2018, 7:30 P.M., C.T.

PURPOSE/AUTHORITY/SECURITY: The \$7,745,000* General Obligation Corporate Purpose Bonds, Series 2018B (the "Bonds") of the City of Fitchburg, Wisconsin (the "City") are being issued pursuant to Section 67.04, Wisconsin Statutes, for the public purposes of constructing an engine house for the fire department, and refunding certain obligations of the City. The Bonds are valid and binding general obligations of the City, and all the taxable property in the City is subject to the levy of a tax to pay the principal of and interest on the Bonds as they become due which tax may, under current law, be levied without limitation as to rate or amount. Delivery is subject to receipt of an approving legal opinion of Quarles & Brady LLP, Milwaukee, Wisconsin.

DATE OF BONDS: March 14, 2018**MATURITY:** March 1 as follows:

Year	Amount*	Year	Amount*	Year	Amount*
2019	\$400,000	2026	\$500,000	2033	\$240,000
2020	415,000	2027	515,000	2034	245,000
2021	425,000	2028	525,000	2035	255,000
2022	440,000	2029	540,000	2036	265,000
2023	450,000	2030	565,000	2037	270,000
2024	470,000	2031	225,000	2038	280,000
2025	490,000	2032	230,000		

**MATURITY
ADJUSTMENTS:**

* The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BONDS:

See "Term Bond Option" herein.

INTEREST:

September 1, 2018 and semiannually thereafter.

**OPTIONAL
REDEMPTION:**

Bonds maturing March 1, 2027 and thereafter are subject to call for prior redemption on March 1, 2026 or any date thereafter, at a price of par plus accrued interest.

MINIMUM BID:

\$7,648,188.

MAXIMUM BID:

\$8,132,250.

GOOD FAITH DEPOSIT: A good faith deposit in the amount of \$154,900 shall be made by the winning bidder by wire transfer of funds.

PAYING AGENT:

To be determined by the Issuer.

BOND COUNSEL:

Quarles & Brady LLP.

MUNICIPAL ADVISOR:

Ehlers and Associates, Inc.

BOOK-ENTRY-ONLY:

See "Book-Entry-Only System" herein (unless otherwise specified by the purchaser).

REPRESENTATIONS

No dealer, broker, salesperson or other person has been authorized by the City to give any information or to make any representation other than those contained in this Preliminary Official Statement and, if given or made, such other information or representations must not be relied upon as having been authorized by the City. ***This Preliminary Official Statement does not constitute an offer to sell or a solicitation of an offer to buy any of the Bonds in any jurisdiction to any person to whom it is unlawful to make such an offer or solicitation in such jurisdiction.***

This Preliminary Official Statement is not to be construed as a contract with the Syndicate Manager or Syndicate Members. Statements contained herein which involve estimates or matters of opinion are intended solely as such and are not to be construed as representations of fact. Ehlers & Associates, Inc. prepared this Preliminary Official Statement and any addenda thereto relying on information of the City and other sources for which there is reasonable basis for believing the information is accurate and complete. Bond Counsel has not participated in the preparation of this Preliminary Official Statement and is not expressing any opinion as to the completeness or accuracy of the information contained therein. Compensation of Ehlers & Associates, Inc., payable entirely by the City, is contingent upon the sale of the issue.

COMPLIANCE WITH S.E.C. RULE 15c2-12

Certain municipal obligations (issued in an aggregate amount over \$1,000,000) are subject to Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "Rule").

Preliminary Official Statement: This Preliminary Official Statement was prepared for the City for dissemination to potential investors. Its primary purpose is to disclose information regarding the Bonds to prospective underwriters in the interest of receiving competitive proposals in accordance with the sale notice contained herein. Unless an addendum is posted prior to the sale, this Preliminary Official Statement shall be deemed nearly final for purposes of the Rule subject to completion, revision and amendment in a Final Official Statement as defined below.

Review Period: This Preliminary Official Statement has been distributed to prospective bidders for review. Comments or requests for the correction of omissions or inaccuracies must be submitted to Ehlers & Associates, Inc. at least two business days prior to the sale. Requests for additional information or corrections in the Preliminary Official Statement received on or before this date will not be considered a qualification of a proposal received from an underwriter. If there are any changes, corrections or additions to the Preliminary Official Statement, interested bidders will be informed by an addendum prior to the sale.

Final Official Statement: Copies of the Final Official Statement will be delivered to the underwriter (Syndicate Manager) within seven business days following the proposal acceptance.

Continuing Disclosure: Subject to certain exemptions, issues in an aggregate amount over \$1,000,000 may be required to comply with provisions of the Rule which require that underwriters obtain from the issuers of municipal securities (or other obligated party) an agreement for the benefit of the owners of the securities to provide continuing disclosure with respect to those securities. This Preliminary Official Statement describes the conditions under which the Bonds are exempt or required to comply with the Rule.

CLOSING CERTIFICATES

Upon delivery of the Bonds, the underwriter (Syndicate Manager) will be furnished with the following items: (1) a certificate of the appropriate officials to the effect that at the time of the sale of the Bonds and all times subsequent thereto up to and including the time of the delivery of the Bonds, this Preliminary Official Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (2) a receipt signed by the appropriate officer evidencing payment for the Bonds; (3) a certificate evidencing the due execution of the Bonds, including statements that (a) no litigation of any nature is pending, or to the knowledge of signers, threatened, restraining or enjoining the issuance and delivery of the Bonds, (b) neither the corporate existence or boundaries of the City nor the title of the signers to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Bonds have been repealed, revoked or rescinded; and (4) a certificate setting forth facts and expectations of the City which indicates that the City does not expect to use the proceeds of the Bonds in a manner that would cause them to be arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or within the meaning of applicable Treasury Regulations.

INTRODUCTORY STATEMENT

This Preliminary Official Statement contains certain information regarding the City of Fitchburg, Wisconsin (the "City") and the issuance of its \$7,745,000* General Obligation Corporate Purpose Bonds, Series 2018B (the "Bonds" or the "Obligations"). Any descriptions or summaries of the Bonds, statutes, or documents included herein are not intended to be complete and are qualified in their entirety by reference to such statutes and documents and the form of the Bonds to be included in the resolution awarding the sale of the Bonds (the "Award Resolution") to be adopted by the Common Council on February 13, 2018.

Inquiries may be directed to Ehlers & Associates, Inc. ("Ehlers" or the "Municipal Advisor"), Waukesha, Wisconsin, (262) 785-1520, the City's Municipal Advisor. A copy of this Preliminary Official Statement may be downloaded from Ehlers' web site at www.ehlers-inc.com by connecting to the Bond Sales link and following the directions at the top of the site.

THE BONDS

GENERAL

The Bonds will be issued in fully registered form as to both principal and interest in denominations of \$5,000 each or any integral multiple thereof, and will be dated, as originally issued, as of March 14, 2018. The Bonds will mature on March 1 in the years and amounts set forth on the cover of this Preliminary Official Statement. Interest will be payable on March 1 and September 1 of each year, commencing September 1, 2018, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board ("MSRB"). **The rate for any maturity may not be more than 2.00% less than the rate for any preceding maturity. (For example, if a rate of 4.50% is proposed for the 2019 maturity, then the lowest rate that may be proposed for any later maturity is 2.50%.)** All Bonds of the same maturity must bear interest from the date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

Unless otherwise specified by the purchaser, the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). (See "Book-Entry-Only System" herein.) As long as the Bonds are held under the book-entry system, beneficial ownership interests in the Bonds may be acquired in book-entry form only, and all payments of principal of, premium, if any, and interest on the Bonds shall be made through the facilities of DTC and its participants. If the book-entry system is terminated, principal of, premium, if any, and interest on the Bonds shall be payable as provided in the Award Resolution.

OPTIONAL REDEMPTION

At the option of the City, the Bonds maturing on or after March 1, 2027 shall be subject to optional redemption prior to maturity on March 1, 2026 or on any date thereafter, at a price of par plus accrued interest.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the City. If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed.

* Preliminary, subject to change.

DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

AUTHORITY; PURPOSE

The Bonds are being issued pursuant to Section 67.04, Wisconsin Statutes, for the public purposes of constructing an engine house for the fire department, and refunding certain obligations of the City as follows:

Issue Being Refunded	Date of Refunded Issue	Call Date	Call Price	Maturities Being Refunded	Interest Rates	Principal to be Refunded
\$4,995,000 Taxable General Obligation Library Bonds, Series 2010B (Build America Bonds - Direct Payment) (the "2010B Bonds")	11/18/10	3/21/18	100%	2018	2.850%	\$215,000
				2019	3.300%	225,000
				2020	3.500%	235,000
				2021	3.800%	245,000
				2022	4.000%	255,000
				2023	4.200%	265,000
				2024	4.400%	280,000
				2025	4.600%	295,000
				2026	4.850%	300,000
				2027	5.000%	310,000
				2028	5.100%	320,000
				2029	5.200%	330,000
				2030	5.250%	<u>350,000</u>
Total Principal						\$3,625,000

The Internal Revenue Service of the Department of the Treasury has reduced the City's Build America Bond cash subsidy payment requested with respect to the interest payments on the 2010 Bonds by approximately 8.7% pursuant to the requirements of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended. The reduction was not due to any action or inaction by the City.

The 2010 Bonds are subject to redemption prior to maturity, in whole or in part, at the option of the City, on any day, at a redemption price equal to 100% of the principal amount redeemed plus accrued interest to the date of redemption, in the event that either (a) Section 54AA or 6431 of the Internal Revenue Service Code of 1986, as amended, is repealed, amended or modified in a manner which results in a reduction or elimination of the City's 35% cash subsidy payment from the United States Treasury or (b) the United States Treasury fails to make a cash subsidy payment to which the City is entitled and such failure is not caused by any action or inaction by the City.

The City will authorize the redemption of the 2010 Bonds pursuant to the extraordinary redemption provision stated above.

ESTIMATED SOURCES AND USES*

Sources	
Par Amount of Bonds	\$7,745,000

Estimated Underwriter's Discount	96,812
Costs of Issuance	67,735
Contingency	<u>625</u>
Total Uses	\$8,037,477

*Preliminary, subject to change.

SECURITY

For the prompt payment of the Bonds with interest thereon and for the levy of taxes sufficient for this purpose, the full faith, credit and resources of the City will be irrevocably pledged. The City will levy a direct, annual, irrepealable tax on all taxable property in the City sufficient to pay the interest on the Bonds when it becomes due and also to pay and discharge the principal on the Bonds at maturity, in compliance with Article XI, Section 3 of the Wisconsin Constitution. Such tax may, under current law, be levied without limitation as to rate or amount.

RATING

General obligation debt of the City, with the exception of any outstanding credit enhanced issues, is currently rated "Aa1" by Moody's Investors Service ("Moody's").

The City has requested a rating on this issue from Moody's, and bidders will be notified as to the assigned rating prior to the sale. Such rating reflects only the views of such organization and explanations of the significance of such rating may be obtained from Moody's. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if in the judgment of such rating agency circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

Such rating is not to be construed as a recommendation of the rating agency to buy, sell or hold the Bonds, and the rating assigned by the rating agency should be evaluated independently. Except as may be required by the Disclosure Undertaking described under the heading "CONTINUING DISCLOSURE" neither the City nor the underwriter undertake responsibility to bring to the attention of the owner of the Bonds any proposed changes in or withdrawal of such rating or to oppose any such revision or withdrawal.

CONTINUING DISCLOSURE

In order to assist the underwriters in complying with Rule 15c2-12 promulgated by the Securities and Exchange Commission, pursuant to the Securities Exchange Act of 1934, as amended (the "Rule"), the City shall covenant to take certain actions pursuant to the Award Resolution adopted by the Common Council by entering into a Continuing Disclosure Certificate (the "Disclosure Undertaking") for the benefit of holders, including beneficial holders. The Disclosure Undertaking requires the City to provide electronically or in the manner otherwise prescribed certain financial information annually and to provide notices of the occurrence of certain events enumerated in the Rule. The details and terms of the Disclosure Undertaking for this issue are set forth in Appendix D to be executed and delivered by the City at the time of delivery of the Bonds. Such Disclosure Undertaking will be in substantially the form attached hereto.

In the previous five years, the City believes it has not failed to comply in all material respects with its prior undertakings under the Rule.

A failure by the City to comply with any Disclosure Undertaking will not constitute an event of default on this issue or any issue outstanding. However, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

The City will file its continuing disclosure information using the Electronic Municipal Market Access ("EMMA") system or any system that may be prescribed in the future. Investors will be able to access continuing disclosure information filed with the MSRB at www.emma.msrb.org. Ehlers is currently engaged as disclosure dissemination agent for the City.

LEGAL OPINION

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the City, and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding general obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding).

STATEMENT REGARDING BOND COUNSEL PARTICIPATION

Bond Counsel has not assumed responsibility for this Preliminary Official Statement or participated in its preparation (except with respect to the section entitled "TAX EXEMPTION" in the Preliminary Official Statement and the "FORM OF LEGAL OPINION" found in Appendix B).

TAX EXEMPTION

Quarles & Brady LLP, Milwaukee, Wisconsin, Bond Counsel, will deliver a legal opinion with respect to the federal income tax exemption applicable to the interest on the Bonds under existing law substantially in the following form:

"The interest on the Bonds is excludable for federal income tax purposes from the gross income of the owners of the Bonds. The interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed by Section 55 of the Internal Revenue Code of 1986, as amended (the "Code") on corporations (as that term is defined for federal income tax purposes) and individuals. However, for purposes of computing the alternative minimum tax imposed on corporations, the interest on the Bonds is included in adjusted current earnings. We note, however, that the 2017 tax act (Public Law 115-97) enacted on December 22, 2017, repealed the alternative minimum tax on corporations for tax years beginning after December 31, 2017. Accordingly, any discussion herein regarding corporate alternative minimum tax is applicable only to a corporation's tax years beginning before January 1, 2018. The Code contains requirements that must be satisfied subsequent to the issuance of the Bonds in order for interest on the Bonds to be or continue to be excludable from gross income for federal income tax purposes. Failure to comply with certain of those requirements could cause the interest on the Bonds to be included in gross income retroactively to the date of issuance of the Bonds. The Issuer has agreed to comply with all of those requirements. The opinion set forth in the first sentence of this paragraph is subject to the condition that the Issuer comply with those requirements. We express no opinion regarding other federal tax consequences arising with respect to the Bonds."

The interest on the Bonds is not exempt from present Wisconsin income or franchise taxes.

Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers. Bond Counsel will not express any opinion as to such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors as to collateral federal income tax consequences.

From time to time legislation is proposed, and there are or may be legislative proposals pending in the Congress of the United States that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether, or in what form, any proposal that could alter one or more of the federal tax matters referred to above or adversely affect the market value of the Bonds may be enacted. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

MUNICIPAL ADVISOR

Ehlers has served as municipal advisor to the City in connection with the issuance of the Bonds. The Municipal Advisor cannot participate in the underwriting of the Bonds. The financial information included in this Preliminary Official Statement has been compiled by the Municipal Advisor. Such information does not purport to be a review, audit or certified forecast of future events and may not conform with accounting principles applicable to compilations of financial information. Ehlers is not a firm of certified public accountants. Ehlers is registered with the Securities and Exchange Commission and the MSRB as a Municipal Advisor.

MUNICIPAL ADVISOR AFFILIATED COMPANIES

Bond Trust Services Corporation ("BTSC") and Ehlers Investment Partners, LLC ("EIP") are affiliate companies of Ehlers. BTSC is chartered by the State of Minnesota and authorized in Minnesota, Wisconsin, and Illinois to transact the business of a limited purpose trust company. BTSC provides paying agent services to debt issuers. EIP is a Registered Investment Advisor with the Securities and Exchange Commission. EIP assists issuers with the investment of bond proceeds or investing other issuer funds. This includes escrow bidding agent services. Issuers, such as the City, have retained or may retain BTSC and/or EIP to provide these services. If hired, BTSC and/or EIP would be retained by the City under an agreement separate from Ehlers.

INDEPENDENT AUDITORS

The basic financial statements of the City for the fiscal year ended December 31, 2016, have been audited by Baker Tilly Virchow Krause, LLP, Madison, Wisconsin, independent auditors (the "Auditor"). The report of the Auditor, together with the basic financial statements, component units financial statements, and notes to the financial statements are attached hereto as "APPENDIX A – FINANCIAL STATEMENTS". The Auditor has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. The Auditor also has not performed any procedures relating to this Preliminary Official Statement.

RISK FACTORS

Following is a description of possible risks to holders of the Bonds without weighting as to probability. This description of risks is not intended to be all-inclusive, and there may be other risks not now perceived or listed here.

Taxes: The Bonds are general obligations of the City, the ultimate payment of which rests in the City's ability to levy and collect sufficient taxes to pay debt service. In the event of delayed billing, collection or distribution of property taxes, sufficient funds may not be available to the City in time to pay debt service when due.

State Actions: Many elements of local government finance, including the issuance of debt and the levy of property taxes, are controlled by state government. Future actions of the state may affect the overall financial condition of the City, the taxable value of property within the City, and the ability of the City to levy and collect property taxes.

Future Changes in Law: Various State and federal laws, regulations and constitutional provisions apply to the City and to the Bonds. The City can give no assurance that there will not be a change in or interpretation of any such applicable laws, regulations and provisions which would have a material effect on the City or the taxing authority of the City.

Ratings; Interest Rates: In the future, the City's credit rating may be reduced or withdrawn, or interest rates for this type of obligation may rise generally, either possibility resulting in a reduction in the value of the Bonds for resale prior to maturity.

Tax Exemption: If the federal government taxes all or a portion of the interest on municipal bonds or notes or if the State government increases its tax on interest on bonds and notes, directly or indirectly, or if there is a change in federal or state tax policy, then the value of these Bonds may fall for purposes of resale. Noncompliance by the City with the covenants in the Award Resolution relating to certain continuing requirements of the Code may result in inclusion of interest to be paid on the Bonds in gross income of the recipient for United States income tax purposes, retroactive to the date of issuance.

Continuing Disclosure: A failure by the City to comply with the Disclosure Undertaking for continuing disclosure (see "CONTINUING DISCLOSURE") will not constitute an event of default on the Bonds. Any such failure must be reported in accordance with the Rule and must be considered by any broker, dealer, or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

Book-Entry-Only System: The timely credit of payments for principal and interest on the Bonds to the accounts of the Beneficial Owners of the Bonds may be delayed due to the customary practices, standing instructions or for other unknown reasons by DTC participants or indirect participants. Since the notice of redemption or other notices to holders of these obligations will be delivered by the City to DTC only, there may be a delay or failure by DTC, DTC participants or indirect participants to notify the Beneficial Owners of the Bonds.

Depository Risk: Wisconsin Statutes direct the local treasurer to immediately deposit upon receipt thereof, the funds of the municipality in a public depository designated by the governing body. A public depository means a federal or state credit union, federal or state savings and loan association, state bank, savings and trust company, mutual savings bank or national bank in Wisconsin or the local government pooled investment fund operated by the State Investment Board. It is not uncommon for a municipality to have deposits exceeding limits of federal and state insurance programs. Failure of a depository could result in loss of public funds or a delay in obtaining them. Such a loss or delay could interrupt a timely payment of municipal debt.

Economy: A combination of economic, climatic, political or civil disruptions or terrorist actions outside of the control of the City, including loss of major taxpayers or major employers, could affect the local economy and result in reduced tax collections and/or increased demands upon local government. Real or perceived threats to the financial stability of the City may have an adverse effect on the value of the Bonds in the secondary market.

Secondary Market for the Bonds: No assurance can be given that a secondary market will develop for the purchase and sale of the Bonds or, if a secondary market exists, that such Bonds can be sold for any particular price. The underwriters are not obligated to engage in secondary market trading or to repurchase any of the Bonds at the request of the owners thereof. Prices of the Bonds as traded in the secondary market are subject to adjustment upward and downward in response to changes in the credit markets and other prevailing circumstances. No guarantee exists as to the future market value of the Bonds. Such market value could be substantially different from the original purchase price.

Bankruptcy: The rights and remedies of the holders may be limited by and are subject to the provisions of federal bankruptcy laws, to other laws, or equitable principles that may affect the enforcement of creditors' rights, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against local governments. The opinion of Bond Counsel to be delivered with respect to the Bonds will be similarly qualified. See "MUNICIPAL BANKRUPTCY" herein.

VALUATIONS

WISCONSIN PROPERTY VALUATIONS; PROPERTY TAXES

Equalized Value

Section 70.57, Wisconsin Statutes, requires the Department of Revenue to annually determine the equalized value (also referred to as full equalized value or aggregate full value) of all taxable property in each county and taxation district. The equalized value is an independent estimate of value used to equate individual local assessment policies so that property taxes are uniform throughout the various subdivisions in the State. Equalized value is calculated based on the history of comparable sales and information about value changes or taxing status provided by the local assessor. A comparison of the State-determined equalized value and the local assessed value, expressed as a percentage, is known as the assessment ratio or level of assessment. The Department of Revenue notifies each county and taxing jurisdiction of its equalized value on August 15; school districts are notified on October 1. The equalized value of each county is the sum of the valuations of all cities, villages, and towns within its boundaries. Taxing jurisdictions lying in more than one municipality, such as counties, school districts, or special taxing districts, use the equalized value of the underlying units in calculating and levying their respective levies. Equalized values are also used to apportion state aids and calculate municipal general obligation debt limits.

Assessed Value

The "assessed value" of taxable property in a municipality is determined by the local assessor, except for manufacturing properties which are valued by the State. Each city, village or town retains its own local assessor, who must be certified by the State Department of Revenue. Assessed value is used by these municipalities to determine tax levy mill rates and to apportion levies among individual property owners. Each taxing district must assess property at full value at least once in every five-year period. The State requires that the assessed values must be within 10% of State equalized values at least once every four years. The local assessor values property as of January 1 each year and submits those values to each municipality by the second Monday in June. The assessor also reports any value changes taking place since the previous year, to the Department of Revenue, by the second Monday in June.

TAX LEVIES AND COLLECTIONS

TAX LEVIES AND COLLECTIONS

Tax Year	Levy for City Purposes Only	% Collected	Levy/Equalized Value Reduced by Tax Increment Valuation in Dollars per \$1,000
2013/14	\$18,273,845	100%	\$7.87
2014/15	19,377,344	100%	7.85
2015/16	19,769,243	100%	8.13
2016/17	21,501,214	100%	8.35
2017/18 ¹	22,634,178	In Process	8.50

Property tax statements are distributed to taxpayers by the town, village, and city clerks in December of the levy year. Current state law requires counties to pay 100% of the real property taxes levied to cities, villages, towns, school districts and other taxing entities on or about August 20 of the collection year.

Personal property taxes, special assessments, special charges and special taxes must be paid to the town, city or village treasurer in full by January 31, unless the municipality, by ordinance, permits special assessments to be paid in installments. Real property taxes must be paid in full by January 31 or in two equal installments by January 31 and July 31. Alternatively, municipalities may adopt a payment plan which permits real property taxes to be paid in three or more equal installments, provided that the first installment is paid by January 31, one-half of the taxes are paid by April 30 and the remainder is paid by July 31. Amounts paid on or before January 31 are paid to the town, city or village treasurer. Amounts paid after January 31, are paid to the county treasurer unless the municipality has authorized payment in three or more installments in which case payment is made to the town, city or village treasurer. On or before January 15 and February 20 the town, city or village treasurer settles with other taxing jurisdictions for all collections through December and January, respectively. In municipalities which have authorized the payment of real property taxes in three or more installments, the town, city or village treasurer settles with the other taxing jurisdictions on January 15, February 20 and on the fifteenth day of each month following the month in which an installment payment is required. On or before August 20, the county treasurer must settle in full with the underlying taxing districts for all real property taxes and special taxes. Any county board may authorize its county treasurer to also settle in full with the underlying taxing districts for all special assessments and special charges. The county may then recover any tax delinquencies by enforcing the lien on the property and retain any penalties or interest on the delinquencies for which it has settled. Uncollected personal property taxes owed by an entity that has ceased operations or filed a petition for bankruptcy, or are due on personal property that has been removed from the next assessment roll are collected from each taxing entity in the year following the levy year.

¹ Per adopted 2018 City Budget

PROPERTY TAX RATES

Full value rates for property taxes expressed in dollars per \$1,000 of equalized value (excluding tax increment valuation) that have been collected in recent years have been as follows:

Year Levied/ Year Collected	Schools ¹	County	Local	Other ²	Total
2013/14	\$13.92	\$3.12	\$7.87	\$0.18	\$25.09
2014/15	12.92	3.12	7.85	0.18	24.07
2015/16	12.97	3.15	8.13	0.19	24.44
2016/17	12.88	3.13	8.35	0.19	24.55
2017/18	13.00	3.15	8.50	0.00	24.65

Source: Property Tax Rates were extracted from Statement of Taxes prepared by the Wisconsin Department of Revenue, Division of State and Local Finance.

LEVY LIMITS

Section 66.0602 of the Wisconsin Statutes, imposes a limit on property tax levies by cities, villages, towns and counties. No city, village, town or county is permitted to increase its tax levy by a percentage that exceeds its valuation factor (which is defined as a percentage equal to the greater of either the percentage change in the political subdivision's January 1 equalized value due to new construction less improvements removed between the previous year and the current or zero percent). The base amount in any year to which the levy limit applies is the actual levy for the immediately preceding year. In 2018, and in each year thereafter, the base amount is the actual levy for the immediately preceding year plus the amount of the payment from the State under Section 79.096 of the Wisconsin Statutes (an amount equal to the property taxes formerly levied on certain items of personal property), and the levy limit is the base amount multiplied by the valuation factor, minus the amount of the payment from the State under Section 79.096 of the Wisconsin Statutes. This levy limitation is an overall limit, applying to levies for operations as well as for other purposes.

A political subdivision that did not levy its full allowable levy in the prior year can carry forward the difference between the allowable levy and the actual levy, up to a maximum of 1.5% of the prior year's actual levy. The use of the carry forward levy adjustment needs to be approved by a majority vote of the political subdivision's governing body (except in the case of towns) if the amount of carry forward levy adjustment is less than or equal to 0.5% and by a super majority vote of the political subdivision's governing body (three-quarters vote if the governing body is comprised of five or more members, two-thirds vote if the governing body is comprised of fewer than five members) (except in the case of towns) if the amount of the carry forward levy adjustment is greater than 0.5% up to the maximum increase of 1.5%. For towns, the use of the carry forward levy adjustment needs to be approved by a majority vote of the annual town meeting or special town meeting after the town board has adopted a resolution in

¹ The Schools tax rate reflects the composite rate of all local school districts and technical college district.

² Includes the state reforestation tax which is apportioned to each county on the basis of its full value. Counties, in turn, apportion the tax to the tax districts within their borders on the basis of full value. It also includes taxes levied for special purpose districts such as metropolitan sewerage districts, sanitary districts, and public inland lake protection districts. Tax increment values are not included. State property taxes were eliminated in the State's 2017-2019 budget act.

favor of the adjustment by a majority vote if the amount of carry forward levy adjustment is less than or equal to 0.5% or by two-thirds vote or more if the amount of carry forward levy adjustment is greater than 0.5% up to the maximum of 1.5%.

Beginning with levies imposed in 2015, if a political subdivision does not make an adjustment in its levy as described in the above paragraph in the current year, the political subdivision may increase its levy by the aggregate amount of the differences between the political subdivision's valuation factor in the previous year and the actual percent increase in a political subdivision's levy attributable to the political subdivision's valuation factor in the previous year, for the five years before the current year, less any amount of such aggregate amount already claimed as an adjustment in any of the previous five years. The calculation of the aggregate amount available for such adjustment may not include any year before 2014, and the maximum adjustment allowed may not exceed 5%. The use of the adjustment described in this paragraph requires approval by a two-thirds vote of the political subdivision's governing body, and the adjustment may only be used if the political subdivision's level of outstanding general obligation debt in the current year is less than or equal to the political subdivision's level of outstanding general obligation debt in the previous year.

Special provisions are made with respect to property taxes levied to pay general obligation debt service. Those are described below. In addition, the statute provides for certain other exclusions from and adjustments to the tax levy limit. Among the items excluded from the limit are amounts levied for any revenue shortfall for debt service on a revenue bond issued under Section 66.0621. Among the adjustments permitted is an adjustment applicable when a tax increment district terminates, which allows an amount equal to the prior year's allowable levy multiplied by 50% of the political subdivision's percentage growth due to the district's termination.

With respect to general obligation debt service, the following provisions are made:

- (a) If a political subdivision's levy for the payment of general obligation debt service, including debt service on debt issued or reissued to fund or refund outstanding obligations of the political subdivision and interest on outstanding obligations of the political subdivision, on debt originally issued before July 1, 2005, is less in the current year than in the previous year, the political subdivision is required to reduce its levy limit in the current year by the amount of the difference between the previous year's levy and the current year's levy.
- (b) For obligations authorized before July 1, 2005, if the amount of debt service in the preceding year is less than the amount of debt service needed in the current year, the levy limit is increased by the difference between the two amounts. This adjustment is based on scheduled debt service rather than the amount actually levied for debt service (after taking into account offsetting revenues such as sales tax revenues, special assessments, utility revenues, tax increment revenues or surplus funds). Therefore, the levy limit could negatively impact political subdivisions that experience a reduction in offsetting revenues.
- (c) The levy limits do not apply to property taxes levied to pay debt service on general obligation debt authorized on or after July 1, 2005.

The Bonds were authorized after July 1, 2005 and therefore the levy limits do not apply to taxes levied to pay debt service on the Bonds.

THE ISSUER

CITY GOVERNMENT

The City was incorporated as a city in April 1983 and is governed by a Mayor and an eight-member Common Council. The Mayor does not vote except in the case of a tie. All Council Members are elected to two-year terms. For 2019, the Mayor will be elected to a one-year term, and half of the Council members will serve one-year terms to create staggered terms. The appointed City Administrator, City Clerk and City Finance Director/Treasurer are responsible for administrative details and financial records.

EMPLOYEES; PENSIONS

The City employs a staff of 152 full-time, 53 part-time, and 27 seasonal employees. All eligible employees in the City are covered under the Wisconsin Retirement System ("WRS") established under Chapter 40 of the Wisconsin Statutes ("Chapter 40"). The WRS is a cost-sharing multiple-employer defined benefit pension plan. The Department of Employee Trust Funds ("ETF") administers the WRS. Required contributions to the WRS are determined by the ETF Board pursuant to an annual actuarial valuation in accordance with Chapter 40 and the ETF's funding policies. The ETF Board has stated that its funding policy is to (i) ensure funds are adequate to pay benefits; (ii) maintain stable and predictable contribution rates for employers and employees; and (iii) maintain inter-generational equity to ensure the cost of the benefits is paid for by the generation that receives the benefits.

City employees are required to contribute half of the actuarially determined contributions, and the City may not pay the employees' required contribution. During the fiscal year ended December 31, 2016 ("Fiscal Year 2016"), the City's portion of contributions to WRS (not including any employee contributions) totaled \$862,383.

The City implemented Governmental Accounting Standards Board Statement No. 68 ("GASB 68") for Fiscal Year 2015.

GASB 68 requires calculation of a net pension liability for the pension plan. The net pension liability is calculated as the difference between the pension plan's total pension liability and the pension plan's fiduciary net position. The pension plan's total pension liability is the present value of the amounts needed to pay pension benefits earned by each participant in the pension plan based on the service provided as of the date of the actuarial valuation. In other words, it is a measure of the present value of benefits owed as of a particular date based on what has been earned only up to that date, without taking into account any benefits earned after that date. The pension plan's fiduciary net position is the market value of plan assets formally set aside in a trust and restricted to paying pension plan benefits. If the pension plan's total pension liability exceeds the pension plan's fiduciary net position, then a net pension liability results. If the pension plan's fiduciary net position exceeds the pension plan's total pension liability, then a net pension asset results.

As of December 31, 2015, the total pension liability of the WRS was calculated as \$90.1 billion and the fiduciary net position of the WRS was calculated as \$88.5 billion, resulting in a net pension liability of \$1.6 billion.

Under GASB 68, each participating employer in a cost-sharing pension plan must report the employer's proportionate share of the net pension liability or net pension asset of the pension plan. Accordingly, for Fiscal Year 2016, the City reported a liability of \$1,406,827 for its proportionate share of the net pension liability of the WRS. The net pension liability was measured as of December 31, 2015 based on the City's share of contributions to the pension plan relative to the contributions of all participating employers. The City's proportion was 0.08657502% of the aggregate WRS net pension liability as of December 31, 2015.

The calculation of the total pension liability and fiduciary net position are subject to a number of actuarial assumptions, which may change in future actuarial valuations. Such changes may have a significant impact on the calculation of net pension liability of the WRS, which may also cause the ETF Board to change the contribution requirements for employers and employees. For more detailed information regarding the WRS and such actuarial assumptions, see "APPENDIX A - FINANCIAL STATEMENTS" attached hereto.

Recognized and Certified Bargaining Units

All eligible City personnel are covered by the Municipal Employment Relations Act ("MERA") of the Wisconsin Statutes. Pursuant to that law, employees have rights to organize and collectively bargain with municipal employers. MERA was amended by 2011 Wisconsin Act 10 (the "Act") and by 2011 Wisconsin Act 32, which altered the collective bargaining rights of public employees in Wisconsin.

As a result of the 2011 amendments to MERA, the City is prohibited from bargaining collectively with municipal employees, other than public safety and transit employees, with respect to any factor or condition of employment except total base wages. Even then, the City is limited to increasing total base wages beyond any increase in the consumer price index since 180 days before the expiration of the previous collective bargaining agreement (unless City were to seek approval for a higher increase through a referendum). Ultimately, the City can unilaterally implement the wages for a collective bargaining unit.

Under the changes to MERA, impasse resolution procedures were removed from the law for municipal employees of the type employed by the City, including binding interest arbitration. Strikes by any municipal employee or labor organization are expressly prohibited. As a practical matter, it is anticipated that strikes will be rare. Furthermore, if strikes do occur, they may be enjoined by the courts. Additionally, because the only legal subject of bargaining is the base wage rates, all bargaining over items such as just cause, benefits, and terms of conditions of employment are prohibited and cannot be included in a collective bargaining agreement. Impasse resolution for public safety employees and transit employees is subject to final and binding arbitration procedures, which do not include a right to strike. Interest arbitration is available for transit employees if certain conditions are met.

The following bargaining units represent employees of the City:

Bargaining Unit	Expiration Date of Current Contract
Wisconsin Police Professional Association	December 31, 2018
Firefighters Local 311	December 31, 2018

OTHER POST EMPLOYMENT BENEFITS

The City has obligations for some post-employment benefits for its employees and has undertaken an internal review of its liabilities. Accounting for these obligations is dictated by Governmental Accounting Standards Board Statement No. 45. The review concluded the amount of the liabilities is immaterial to its financial statements. The City has been funding these obligations on a pay-as-you-go basis. See Appendix A for details.

LITIGATION

There is no litigation threatened or pending questioning the organization or boundaries of the City or the right of any of its officers to their respective offices or in any manner questioning their rights and power to execute and deliver the Bonds or otherwise questioning the validity of the Bonds.

MUNICIPAL BANKRUPTCY

Municipalities are prohibited from filing for bankruptcy under Chapter 11 (reorganization) or Chapter 7 (liquidation) of the U.S. Bankruptcy Code (11 U.S.C. §§ 101-1532) (the "Bankruptcy Code"). Instead, the Bankruptcy Code permits municipalities to file a petition under Chapter 9 of the Bankruptcy Code, but only if certain requirements are met. These requirements include that the municipality must be "specifically authorized" under State law to file for relief under Chapter 9. For these purposes, "State law" may include, without limitation, statutes of general applicability enacted by the State legislature, special legislation applicable to a particular municipality, and/or executive orders issued by an appropriate officer of the State's executive branch.

As of the date hereof, Wisconsin law contains no express authority for municipalities to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code.

Nevertheless, there can be no assurance (a) that State law will not change in the future, while the Obligations are outstanding, in a way that would allow the City to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code; or (b) even absent such a change in State law, that an executive order or other executive action could not effectively authorize the City to file for relief under Chapter 9. If, in the future, the City were to file a bankruptcy case under Chapter 9, the relevant bankruptcy court would need to consider whether the City could properly do so, which would involve questions regarding State law authority as well as other questions such as whether the City is a municipality for bankruptcy purposes. If the relevant bankruptcy court concluded that the City could properly file a bankruptcy case, and that determination was not reversed, vacated, or otherwise substantially altered on appeal, then the rights of holders of the Obligations could be modified in bankruptcy proceedings. Such modifications could be adverse to holders of the Obligations, and there could ultimately be no assurance that holders of the Obligations would be paid in full or in part on the Obligations. Further, under such circumstances, there could be no assurance that the Obligations would not be treated as general, unsecured debt by a bankruptcy court, meaning that claims of holders of the Obligations could be viewed as having no priority (a) over claims of other creditors of the City; (b) to any particular assets of the City, or (c) to revenues otherwise designated for payment to holders of the Obligations.

Moreover, if the City were determined not to be a "municipality" for the purposes of the Bankruptcy Code, no representations can be made regarding whether it would still be eligible for voluntary or involuntary relief under Chapters of the Bankruptcy Code other than Chapter 9 or under similar federal or state law or equitable proceeding regarding insolvency or providing for protection from creditors. In any such case, there can be no assurance that the consequences described above for the holders of the Obligations would not occur.

APPENDIX A

FINANCIAL STATEMENTS

Potential purchasers should read the included financial statements in their entirety for more complete information concerning the City's financial position. Such financial statements have been audited by the Auditor, to the extent and for the periods indicated thereon. The City has not requested the Auditor to perform any additional examination, assessments or evaluation with respect to such financial statements since the date thereof, nor has the City requested that the Auditor consent to the use of such financial statements in this Official Statement. Although the inclusion of the financial statements in this Official Statement is not intended to demonstrate the fiscal condition of the City since the date of the financial statements, in connection with the issuance of the Bonds, the City represents that there have been no material adverse change in the financial position or results of operations of the City, nor has the City incurred any material liabilities, which would make such financial statements misleading.

Copies of the complete audited financial statements for the past three years and the current budget are available upon request from Ehlers.

CITY OF FITCHBURG, WISCONSIN
Fitchburg, Wisconsin

COMPREHENSIVE ANNUAL FINANCIAL REPORT

As of and for the Year Ended
December 31, 2016

Prepared By:

FINANCE DEPARTMENT
Misty Dodge, Finance Director

May 19, 2017

To the Honorable Mayor, Members of the City Council, and Citizens of the City of Fitchburg:

The comprehensive annual financial report for the City of Fitchburg for the year ended December 31, 2016, is hereby submitted. This report consists of management's representations concerning the finances of the City of Fitchburg. Consequently, management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

The City Council retained the accounting firm of Baker Tilly to perform an audit of the City's financial statements. Baker Tilly has issued an unmodified ('clean') opinion on the City of Fitchburg's financial statements for the year ended December 31, 2016. The independent auditors' report is located at the front of the financial section of this report.

Management's discussion and analysis (MD&A) immediately follows the independent auditors' report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complement this letter of transmittal and should be read in conjunction with it.

Profile of the Government

The City first incorporated as a town in 1847 and then as a city in 1983. It is located in the northwestern corner of Dane County, in the south-central part of Wisconsin, 10 miles south of the state capitol in Madison. The City currently has a land area of approximately 35 square miles and an estimated population for 2016 of 27,635. The City is empowered to levy a property tax on both real and personal property located within its boundaries. The City also has the power by state statute to extend its corporate limits by annexation, which is done periodically when deemed appropriate by the City Council. The City is also preparing for the dissolution of the Town of Madison, of which some of the parcels will become part of the City of Fitchburg and the remainder will go to the City of Madison.

The City has operated under a mayor-council form of government since its incorporation. Policymaking and legislative authority is vested in the City Council, which consists of a mayor and an eight-member council. This governing council is responsible, among other things, for passing ordinances, adopting the budget, and hiring the City's administrator. The city administrator is responsible for carrying out the policies and ordinances of the governing council and for overseeing the day-to-day operations of the City government. The mayor is responsible for appointing committees, boards, and commissions, subject to the approval of the City Council. The mayor and the council are elected on a non-partisan basis. Council members are elected from within their respective districts to two-year terms. The mayor is elected at large to two-year terms.

Early in its history, Fitchburg attracted European immigrants, with the largest being Irish settlers looking for farmland. By the 1860s, the Irish constituted a third of Fitchburg's population. As the years passed, the City grew in population and business prospered. Today, Fitchburg is ideally nested between urban Madison and the scenic farmlands that Wisconsin is famous for. With its close proximity to Madison, Fitchburg continues to attract visitors, new businesses, and new residents with its natural beauty, favorable location, diverse and thriving businesses and industries, fine services, and year-round recreational activities.

The City provides a full range of services including police and fire protection; sanitation services; the construction and maintenance of streets, highways, and other infrastructure; and recreational activities and cultural events. In addition to the general activities, the City Council exercises control over the Wastewater, Water, and Stormwater Utilities and therefore they have been included as an integral part of the City's financial statements.

The annual budget serves as the foundation for the City of Fitchburg's financial planning and controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the City Council. Activities of the general fund, most special revenue funds (exceptions include the cemetery and grants/donations funds), debt service fund, and internal service fund are included in the annual appropriated budget. Project-length budgets are prepared for capital project funds (exception is TID No 10, which is new). The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is established at the function level.

Local Economy

The City has been affected locally by the national economy. Over the long-term, the City will continue to experience significant residential and commercial growth in the years ahead as development continues to grow. Fitchburg has easy access to the State Capitol, University of Wisconsin Madison Campus, east or west side of Madison or the Interstates 39/90/94. In 2015 the City had net new construction growth of 2.988% or \$81 million.

The Fitchburg economy is made up of targeted industry clusters which include: agriculture, advanced manufacturing, life sciences, information technology, and headquarter, regional, and back-office operations

The Fitchburg Technology Neighborhood, dedicates more than 2,000 acres for high quality technology businesses in mixed-use commercial and residential settings connected by parks, open space and multi-modal transportation, creating the ideal place for technology companies to call home. The neighborhood consists of three developments: Fitchburg Center, Fitchburg Technology Campus/RDC Fitchburg Technology Campus Phase II, and Uptown Fitchburg.

The City is also expecting continued industrial and commercial development with the Sub-Zero/Wolf expansion and new product line creating over 300 new jobs.

The City consist of three school districts. The City's 2016 overall net property tax rate per \$1,000 in assessed value is \$23.23 for properties within the Madison School District, \$23.04 for the Oregon School District, and \$23.29 for the Verona School District.

Long-term Financial Planning

The City continues to focus on how to improve Fitchburg's services and vitality. The City has committed to improving Fitchburg through various actions and continues to improve their long-term financial planning efforts. Fitchburg is a growing community and recognizes that balancing urban and rural interests requires planning for managed and orderly growth while looking for infill and redevelopment opportunities. Fitchburg's Comprehensive Plan, adopted in 2009 with annual minor amendments, is used to manage and direct growth in areas identified in the plan as desirable for future urban development. Prior to any urban service adjustment being considered or undertaken, a plan shall be accomplished for the neighborhood area in which the urban service adjustment may be taken. Neighborhood Plans, which analyze and plan for all elements of the built environment are adopted into the Comprehensive Plan.

To date the City has six neighborhood plans or area plans adopted into the City's long-range Comprehensive Plan. These plans contain detailed recommendations for land use, transportation, recreation, utilities, and environmental considerations. The Comprehensive Plan, and the detailed neighborhood plans, direct community development decisions by the city officials.

The City's Zoning Ordinance is one regulatory tool to implement the Comprehensive Land Use Plan. In 2010 Fitchburg became the first municipality in the state of Wisconsin to adopt SmartCode zoning, a form-based zoning district used to create Traditional Neighborhood Development (TND). The code works to maximize efficiency in land use by allowing for increased density as well as a diverse types of building forms and uses within a walkable area, and also works to create an environment that is pedestrian and bike friendly.

The City has six active Tax Increment Districts to assist with redevelopment and community development projects. In 2016 the City amended TID 9, an Industrial TID, to assist with additional improvements related to the expansion of Sub-Zero Wolf, a large manufacturer in the City. Overall the revised costs within the district are estimated to be \$15,549,748 (including \$2,247,000 in costs within a ½ mile radius of the district) with the district funding approximately \$3,250,000 and the remaining funds coming from various other sources. When the district is terminated it is expected to bring approximately \$17,300,000 of value onto the tax rolls.

In addition to the efforts detailed above, the City annually updates and adopts a five-year capital improvement plan. This plan focuses on the strategic initiatives of the City and addresses the City's capital needs over five years. A Financial Management Plan is also presented by our financial advisors and includes estimated impacts of both capital and operating needs over five years and the impact on the City's tax rate. These documents assist the Council in setting the priorities of the City as well as determining how we will finance the needs of the City in the future.

Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the city for its comprehensive annual financial report for the fiscal year ended December 31, 2015. This was the first year a comprehensive annual report was prepared by the city and thus the first year for the city to be eligible to receive this prestigious award. In order to be awarded a Certificate of Achievement, the city must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report was made possible through the dedicated services of the Finance Department staff, other City departments, and our independent auditors. We express our appreciation to all those that assisted and contributed to the preparation of this report. We also thank the Mayor, the City Council, and the City Administrator – without their leadership and continuing support, preparation of this report would not have been possible.

Sincerely,

Misty Dodge

INDEPENDENT AUDITORS' REPORT

To the City Council
City of Fitchburg
Fitchburg, Wisconsin

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Fitchburg, Wisconsin, as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the City of Fitchburg's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City of Fitchburg's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the City of Fitchburg's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the City Council
City of Fitchburg

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Fitchburg, Wisconsin, as of December 31, 2016 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Fitchburg's basic financial statements. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects, in relation to the basic financial statements as a whole.

To the City Council
City of Fitchburg

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Fitchburg's basic financial statements. The introductory and statistical sections are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

CITY OF FITCHBURG, WISCONSIN

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED For the Year Ended December 31, 2016

As management of the City of Fitchburg, we offer readers of the financial statements of the city this narrative overview and analysis of the financial activities of the City of Fitchburg for the fiscal year ended December 31, 2016. We encourage the reader to consider the information presented here in conjunction with the city's financial statements.

FINANCIAL HIGHLIGHTS

When revenues exceed expenses, the result is an increase in net position. When expenses exceed revenues, the result is a decrease in net position. This relationship between revenues and expenses is considered the city's results of operations. Changes in net position are one indicator of financial health or financial position. Over time, increases or decreases in net position as measured in the Statement of Activities are one indicator of improving or deteriorating financial health.

- > The assets and deferred outflows of resources of the City of Fitchburg exceeded its liabilities and deferred inflows of resources as of December 31, 2016 by \$146,831,635 (net position). Of this amount, \$17,149,415 (unrestricted net position) may be used to meet the city's ongoing obligations to citizens and creditors. \$13,993,500 is restricted for specific purposes (restricted net position) and \$115,688,720 is the net investment in capital assets, including all infrastructure.
- > The City of Fitchburg's total net position increased by \$9,675,887 over the previous year's net position.
- > Net position relating to Government Activities increased by \$7,851,284 while net position relating to Business-Type Activities increased by \$1,824,593.
- > As of December 31, 2016, the city's governmental funds reported combined fund balances of \$29,971,777, an increase of \$7,652,922 from 2015.
- > Unassigned fund balance for the general fund was \$5,978,234 or 33.6 percent of 2016 general fund expenditures.
- > The 3 percent debt limit set by local ordinance as of December 31, 2016 was \$84,919,365. Total general obligation debt outstanding at the end of the year was \$47,395,000 (55.8 percent of the allowable limit).

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the city's basic financial statements. These financial statements consist of two parts: Management's Discussion and Analysis (this section) and the basic financial statements. The basic financial statements include two kinds of statements that present different views of the city:

- > The first two statements are government-wide financial statements that provide both long-term and short-term information about the city's overall financial status.
- > The remaining statements are fund financial statements that focus on individual parts of city government, reporting the city's operations in more detail than the government-wide statements.

These financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by sections of required and not required supplementary information that further explain and support the information in the financial statements. The final section is a statistical section that provides up to ten years of historical data to provide context to the financial statements. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

CITY OF FITCHBURG, WISCONSIN

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED For the Year Ended December 31, 2016

OVERVIEW OF THE FINANCIAL STATEMENTS (cont.)

GOVERNMENT-WIDE STATEMENTS

The government-wide statements report information about the city as a whole using accounting methods similar to those used by private-sector companies. The statement of net position includes all of the government's assets, deferred outflows of resources, liabilities, and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid.

The two government-wide statements report the city's net position and how they have changed. Net Position – the difference between the city's assets and deferred outflows of resources and liabilities and position. Over time, increases or decreases in the city's net position are an indicator of whether its financial health is improving or deteriorating. To assess the overall health of the city you need to consider additional non-financial factors such as changes in the city's property tax base and the condition of the city's roads.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the cash flows. Thus, revenue and expenses reported in this statement for some items will only result in cash flows in future fiscal periods.

The government-wide financial statements include the City of Fitchburg (primary government) and the Fitchburg Community and Economic Development Authority (component unit). The Fitchburg Community and Economic Development Authority is a separate legal entity for which the city is financially accountable. Financial information for the component unit is presented as a discrete column in the financial statements. The Fitchburg Community and Economic Development Authority does not issue separate financial statements.

FUND FINANCIAL STATEMENTS

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The city, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the city can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds – Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

CITY OF FITCHBURG, WISCONSIN
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED
For the Year Ended December 31, 2016

OVERVIEW OF THE FINANCIAL STATEMENTS (cont.)

FUND FINANCIAL STATEMENTS (cont.)

The city maintains seven individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, the general capital projects fund, and the TID No. 4 fund, all of which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements elsewhere in this report.

The city adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with this budget. Budgetary comparison schedules have also been provided for all special revenue funds that have an annual adopted budget.

Proprietary Funds – The city maintains two different types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its wastewater and Stormwater utilities. Internal service funds are an accounting device used to accumulate and allocate costs internally among the City's various functions. The city uses internal service funds to account for the management of its technology. Because this service is predominantly to benefit governmental rather than business-type functions, it has been included within the governmental activities in the government-wide financial statements. Proprietary fund financial statements present the same type of information as the government-wide financial statements, only in more detail.

Agency Funds – Agency funds are used to account for resources held for the benefit of parties outside the government. Agency funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the city's own programs. The accounting used for agency funds is much like that used for proprietary funds.

Notes to the Financial Statements – The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information – In addition to the basic financial statements and accompanying notes, required supplementary information presents a detailed budgetary comparison schedule for the general fund to demonstrate compliance with the budget. The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary information.

FINANCIAL ANALYSIS OF THE CITY AS A WHOLE

An analysis of the city's financial position begins with a review of the Statement of Net Position and the Statement of Activities. These two statements report the city's net position and changes therein. It should be noted that the financial position could also be affected by non-financial factors, including economic conditions, population growth, and changes in the regulatory environment.

The total column reflects a capital debt adjustment. See Note I.D.9. for further information.
As previously noted, the Statement of Net Position shows the change in financial position of net position. The specific nature or source of these changes becomes more evident in the Condensed Statement of Activities shown below.

OVERVIEW OF THE FINANCIAL STATEMENTS (cont.)

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the city, assets exceeded liabilities by \$146,633,635 at the close of 2016.

General capital assets (e.g., land, construction in progress, land improvements, buildings, machinery, infrastructure, and equipment) for the governmental activities of the city (less any outstanding debt used to acquire those assets) equals \$ 62,363,768 or 72.7 percent of government net position. Including governmental and business-type activities, 78.8 percent of total net position is represented by capital assets. The city uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the city's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the city's total net position (\$13,993,500 or 9.5 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position (\$17,149,415 or 11.7 percent) may be used to meet the government's ongoing obligations to citizens or creditors.

At the end of the current fiscal year, the city reported positive balances in all three categories of net position, for the city as a whole, as well as for its governmental and business-type activities individually.

A summary of the city's Statement of Net Position is presented below in Table 1.

**Table 1
Condensed Statements of Net Position**

	Governmental Activities	Business-type Activities	2016 Totals	Governmental Activities	Business-type Activities	2015 Totals

CITY OF FITCHBURG, WISCONSIN
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED
For the Year Ended December 31, 2016

FINANCIAL ANALYSIS OF THE CITY AS A WHOLE (cont.)

GOVERNMENTAL ACTIVITIES

Governmental activities increased the city's net position by \$7,851,294. This increase is primarily a result of property taxes levied to re-pay the principal portion of long-term debt and to finance capital projects that are capitalized within the statements.

BUSINESS-TYPE ACTIVITIES

Business-type activities increased the city's net position by \$1,824,593. This increase is primarily a result of \$1,075,507 in capital grants and contributions the Water and Sewer functions received for large projects completed in 2016.

As previously noted, the Statement of Net Position shows the change in financial position of net position. The specific nature or source of these changes then becomes more evident in the Statement of Activities as shown in Table 2.

Table 2
Condensed Statement of Activities

TID No. 4 Capital Projects Fund

TID No. 4 is currently the city's largest tax incremental district. This TID has been amended twice; the most recent amendment was approved in 2011 to add Nine Springs. This portion of the TID is a traditional TID with the city's major financial involvement being an interchange at Highway 14. Funds were borrowed in 2010, 2011 and 2012 for the interchange. An additional amount was borrowed in 2015 for railroad crossings. The entire fund balance of \$6,063,010 is restricted for TID activities.

CITY OF FITCHBURG, WISCONSIN
 MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED
 For the Year Ended December 31, 2016

FINANCIAL ANALYSIS OF THE CITY'S FUNDS (cont.)

GOVERNMENTAL FUNDS (cont.)

Nonmajor Governmental Funds

Fund balance of nonmajor governmental funds is \$6,062,028, which is nonspendable, restricted, or committed for future projects and expenditures. This balance includes negative fund balances of \$25,469 for TID No. 8 and \$21,956 for TID No. 10 due to the districts being new and having a small amount of implementation/administration costs that have not been recovered. TID No. 9, also has a negative fund balance of \$973,613 due to a large project incurred during 2016 that is offset by an unavailable grant revenue as of the end of the year. Also the municipal building fund includes a negative fund balance of \$12,462. Funds have been advanced by the general fund with a charge for interest.

Proprietary Funds

The City of Fitchburg's proprietary fund financial statements provide the same type of information found in the government-wide financial statements, but in more detail. Factors concerning the finances of these funds have already been addressed in the discussion of the city's business-type activities.

GENERAL FUND BUDGETARY HIGHLIGHTS

The 2016 adopted General Fund budget was amended during the year. The total original appropriations, including transfers out, were \$19,684,246 and final appropriations were \$19,702,441. The \$18,195 increase was the result of unexpected and originally unbudgeted revenues that were authorized to be used on one-time projects. There were other budget amendments approved that did not affect total expenditures.

Actual expenditures and other financing uses were \$18,882,448 resulting in a favorable variance of \$819,993. Total revenues and other funding sources were \$18,749,114, which is \$313,673 more than budget. The overall operating result of the general fund was a loss of \$1,133,334 and was primarily due to:

- Budgeted fund balance applied of \$1,267,000 for transfers from the general fund to the general capital projects fund to utilize fund balance for the new fire stations and golf course shelter.
- Vacancies in the legal, municipal court, police, and building inspection departments.
- Several unexpected retirements that resulted in payouts.
- Delay in the Dane Com project resulting in delayed annual maintenance costs. The system was fully operational in November 2016.
- Waived disability premium costs.
- Building and related permit revenues in excess of budget, primarily due to the favorable economic climate and several large projects that were constructed in 2016.
- Non-cash adjustment of the bad debt allowance for the municipal court collections.

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED
 For the Year Ended December 31, 2016

CAPITAL ASSETS

At the end of 2016, the city had invested a total of \$155,843,894 in capital assets. This investment in capital assets includes land, buildings and improvements, machinery and equipment, and infrastructure.

Table 3

	Capital Assets			2015 Totals	
	Governmental Activities	Business-type Activities	2016 Totals		
Land and other assets not being depreciated	\$ 29,002,442	\$ 7,779,012	\$36,781,454	\$ 5,966,056	\$ 32,301,643

Net Capital Assets	\$ 98,952,782	\$ 56,891,112	\$ 155,843,894	\$ 94,120,960	\$ 53,822,126

More information on net capital assets can be found in the notes to the financial statements, Note III, D.

GOVERNMENTAL ACTIVITIES

Total capital assets from governmental activities increased \$5,831,822. Major capital asset events during the current fiscal year included the following:

- > Land contributions to the city by developers for parkland.
- > One new park shelter installed and significant improvements/renovations completed on two additional park shelters.
- > Continued engineering and construction costs accumulated in construction in progress for two new fire stations, the reconstruction of Lacy Road and Verona Road, and two new park shelters.
- > There were several road and path projects completed in 2016 including Sub-Zero Parkway, Commerce Park Drive, and various developer contributed infrastructure items.

BUSINESS-TYPE ACTIVITIES

- > Total utility capital assets increased \$1,130,313 for water; \$639,672 for sewer; and \$299,001 for storm water. Major capital asset events during the current fiscal year included the following:
- > Water and sewer work in process at year-end includes Rollsmeyer Road Sanitary, Glacier Valley (future improvements), King James Booster Station, AMI, and Syene Water Connection, Verona Rd Relocates, SCADA Radio Upgrade, Well Improvements, and Fitchona Road Water Main.
- > The storm water utility work in process includes Area H, Schumona Drive.
- > There were 4 water services added and 16 sanitary sewer services added during 2016.
- > There were 4,278 feet of water main added in 2016, so total footage is increased to 521,771 feet, which equates to just over 98.8 miles of water main.

CITY OF FITCHBURG, WISCONSIN
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED
For the Year Ended December 31, 2016

LONG-TERM DEBT

As of December 31, 2016, the city had \$47,395,000 of long-term bonds and notes outstanding, including utilities. All of the city's external debt is for general obligation issues. This is an increase of \$5,165,000 from 2015 due to the scheduled payments on the existing debt of \$4,535,000 and the issuance of \$9,700,000 in new debt during 2016.

In accordance with Wisconsin Statutes, total general obligation indebtedness of the city may not exceed five percent of the equalized value of taxable property within the city's jurisdiction. The debt limit as of December 31, 2016 was \$41,532,275. The city was at 33.5 percent of the legal debt limit.

The city has chosen to further restrict its borrowing, not to exceed 3 percent of the equalized value of taxable property. The city's internal debt limit as of December 31, 2016 was \$84,919,365 and the city had used 55.8 percent.

Also see notes to the financial statements, Note III.F.

CURRENTLY KNOWN FACTS/ECONOMIC CONDITIONS

All currently known facts and economic conditions were considered in preparing the 2017 city budget.

During 2007, the city issued two municipal revenue obligations as a part of development agreements related to specific portions of the development in TID No. 4. During 2014, an additional municipal revenue obligation was issued as a part of another development agreement within the same TID. These obligations do not constitute a charge upon any funds of the city. In the event that future tax increments are not sufficient to pay off the obligations, the obligations terminate with no further liability to the city. Since the amount of future payments is contingent on the collection of future TID increments, these obligations are not reported as liabilities in our financial statements. During 2016 scheduled payments were able to be made on the development agreements in addition to an early pay off of two of the three obligations in April 2016.

A similar development agreement related to TID No. 6 was approved during 2009, with payments made each year as scheduled. In April 2016, this obligation was also paid off one year early.

During 2009, TID No. 8 had a base value certified; however, no projects have begun and the TID has a deficit balance. As disclosed in Note IV.E, TID No. 8 was dissolved in April 2017 to avoid future administrative costs. The city's distribution from the successful early closure of TID 7 (completed in February 2017) will be utilized to offset the deficit in TID 8.

During 2011, the city received approval for a second amendment to TID No. 4. This amendment involves a developer agreement with Green Tech and Tech Lands for development of the Nine Springs Property which with development of FIC I (original TID) and FIC II will ultimately have a minimum value increment of \$44,000,000. The new closing date for this TID is projected to be 2025. The City's main investment in the amended TID has been the construction of an interchange at Hwy 14, which was completed in 2012.

During 2013, the city received approval for an amendment to TID No. 6. This amendment involves the construction of Spoke and Sprocket Drivs with the intention to spur development in the Arrowhead area. The construction of those two roads was substantially completed in 2014.

CITY OF FITCHBURG, WISCONSIN

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED
For the Year Ended December 31, 2016

CURRENTLY KNOWN FACTS/ECONOMIC CONDITIONS (cont.)

During 2015, the city created two additional tax incremental districts. TID No. 9 was approved to assist in the expansion of an existing major employer through a future municipal revenue obligation. TID No. 10 was approved to help stimulate redevelopment of a major business corridor with a planned hotel/conference center/restaurant project that is also expected to be supported through a future municipal revenue obligation. As of the date of the financial statements, one large project was completed within TID No. 9 that was supported by a grant awarded by the State of Wisconsin. The majority of the project costs were incurred in 2016 but the related grant revenue was unavailable as of the date of the financial statements. Only minimal administrative and implementation costs have been incurred by TID No. 10.

During 2016 the city amended TID No. 9 because the expansion project was increased in size and scope. This expansion required additional infrastructure costs, including costs within a ½ mile of the TID boundaries. Increment from the expanded project is expected to fund the additional costs.

REQUESTS FOR INFORMATION

The financial report is designed to provide our citizens, customers, investors and creditors with a general overview of the city's finances. If you have questions about this report or need any additional information, contact the city Finance Director at (608) 270-4252, Monday through Friday, 8:00 a.m.–4:30 p.m.

CITY OF FITCHBURG, WISCONSIN

RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS TO THE STATEMENT OF NET POSITION As of December 31, 2016

Total Fund Balances - Governmental Funds \$ 29,971,777

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental funds are not financial resources and therefore are not reported in the funds.

Land	23,893,093
Land improvements	412,878
Construction in progress	5,109,349
Buildings and improvements	30,865,621
Machinery and equipment	12,887,679
Infrastructure	56,797,669
Less: Accumulated depreciation	(30,013,507)

Some receivables that are not currently available are reported as unavailable revenues in the fund financial statements but are recognized as revenue when earned in the government-wide statements.

1,441,157

The net pension liability does not relate to current financial resources and is not reported in the governmental funds.

(1,340,768)

Deferred outflows of resources related to pensions do not relate to current financial resources and are not reported in the governmental funds.

7,522,840

Deferred inflows of resources related to pensions do not relate to current financial resources and are not reported in the governmental funds.

(2,821,624)

Internal service funds are reported in the statement of net position as governmental activities.

30,656

The city's equity interest in joint ventures is reported on the statement of net position.

686,257

Some liabilities, including long-term debt, are not due and payable in the current period and therefore, are not reported in the funds.

Bonds and notes payable	(47,245,000)
Vested compensated absences	(2,207,569)
Accrued interest	<u>(258,850)</u>

NET POSITION OF GOVERNMENTAL ACTIVITIES \$ 85,731,658

CITY OF FITCHBURG, WISCONSIN

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES For the Year Ended December 31, 2016

Net change in fund balances - total governmental funds \$ 7,652,922

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of net position the cost of these assets is capitalized and they are depreciated over their estimated useful lives and reported as depreciation expense in the statement of activities.

Capital outlay is reported as an expenditure in the fund financial statements but is

capitalized in the government-wide financial statements 11,099,099

Some items reported as capital outlay were not capitalized (4,747,430)

Depreciation is reported in the government-wide financial statements (2,264,349)

Net book value of assets retired (99,896)

Contributed capital assets are reported as revenues in the government-wide financial statements.

1,844,398

Receivables not currently available are reported as revenue when collected or currently available in the fund financial statements but are recognized as revenue when earned in the government-wide financial statements.

649,138

Debt issued provides current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.

Debt issued (9,700,000)

Principal repaid 4,410,000

Some expenses in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.

Vested compensated absences (118,165)

Accrued interest on debt 14,616

Net pension liability (3,396,660)

Deferred outflows of resources related to pensions 5,428,908

Deferred inflows of resources related to pensions (2,821,624)

The proportionate share of the change in net position related to joint ventures reported in the statement of activities neither provides nor uses current financial resources and is not reported in the fund financial statements.

(130,319)

Internal service funds are used by management to charge technology costs to individual funds. The change in net position of the internal service fund reported with governmental activities.

30,656

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES \$ 7,851,294

See accompanying notes to financial statements.

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

CITY OF FITCHBURG, WISCONSIN

The accounting policies of the City of Fitchburg, Wisconsin conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The accepted standard-setting body for establishing governmental accounting and financial reporting principles is the Governmental Accounting Standards Board (GASB).

A. REPORTING ENTITY

This report includes all of the funds of the city. The reporting entity for the city consists of the primary government and its component unit. Component units are legally separate organizations for which the primary government is financially accountable or other organizations for which the nature and significance of their relationship with the primary government are such that their exclusion would cause the reporting entity's financial statements to be misleading. The primary government is financially accountable if (1) it appoints a voting majority of the organization's governing body and it is able to impose its will on that organization, (2) it appoints a voting majority of the organization's governing body and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government, (3) the organization is fiscally dependent on and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. Certain legally separate, tax-exempt organizations should also be reported as a component unit if all of the following criteria are met: (1) the economic resources received or held by the separate organization are entirely or almost entirely for the direct benefit of the primary government, its component units, or its constituents, (2) the primary government is entitled to, or has the ability to access, a majority of the economic resources received or held by the separate organization; and (3) the economic resources received or held by an individual organization that the primary government, or its component units, is entitled to, or has the ability to otherwise access, are significant to the primary government.

Component units are reported using one of two methods, discrete presentation or blending. Generally, component units should be discretely presented in a separate column in the financial statements. A component unit should be reported as part of the primary government using the blending method if it meets any one of the following criteria: (1) the primary government and the component unit have substantially the same governing body and a financial benefit or burden relationship exists, (2) the primary government and the component unit have substantially the same governing body and management of the primary government has operational responsibility for the component unit, (3) the component unit serves or benefits, exclusively or almost exclusively, the primary government rather than its citizens, or (4) the total debt of the component unit will be paid entirely or almost entirely from resources of the primary government.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

A. REPORTING ENTITY (cont.)

Discretely Presented Component Unit

Housing and Community Development Authority

The government-wide financial statements include the Housing and Community Development Authority ("CDA") as a component unit. The CDA is a legally separate organization. The board of the CDA is appointed by the mayor. Wisconsin Statutes provide for circumstances whereby the city can impose its will on the CDA, and also create a potential financial benefit to or burden on the city. See Note III.H. As a component unit, the CDA's financial statements have been presented as a discrete column in the financial statements. The information presented is for the fiscal year ended December 31, 2016. The CDA does not issue separate financial statements.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

A. REPORTING ENTITY (cont.)

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (cont.)

C. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (cont.)

Fund Financial Statements

Financial statements of the city are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts, which constitute its assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position/fund balance, revenues, and expenditures/expenses.

Funds are organized as major funds or nominal or minor funds within the governmental and proprietary statements. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the city or meets the following criteria:

- a. Total assets/deferred outflows of resources, liabilities/deferred inflows of resources, revenues, or expenditures/expenses of that individual governmental or enterprise fund are at least 10% of the corresponding total for all funds of that category or type, and
- b. The same element of the individual governmental or enterprise fund that met the 10% test is at least 5% of the corresponding total for all governmental and enterprise funds combined.
- c. In addition, any other governmental or enterprise fund that the city believes is particularly important to financial statement users may be reported as a major fund.

In August 2015, the GASB issued statement No. 72 - *Fair Value Measurement and Application*. This statement addresses accounting and financial reporting issues related to fair value measurements. It defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This standard was implemented January 1, 2016.

In February 2015, the GASB issued statement No. 77 - *Tax Abatement Disclosures*. This statement requires governments that enter into tax abatement agreements to disclose certain information about the agreements. This standard was implemented January 1, 2016.

Government-Wide Financial Statements

The statement of net position and statement of activities display information about the reporting government as a whole. They include all funds of the reporting entity except for fiduciary funds. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. The city does not allocate indirect expenses to functions in the statement of activities. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services, or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not included among program revenues are reported as general revenues. Internally dedicated resources are reported as general revenues rather than as program revenues.

The city reports the following major governmental funds:

General Fund - accounts for the city's primary operating activities. It is used to account for and report all financial resources except those accounted for and reported in another fund.

General Debt Service Fund - used to account for and report financial resources that are restricted, committed, or assigned to expenditure for the payment of general long-term debt principal, interest, and related costs, other than enterprise debt.

General Capital Projects Fund - used to account for and report financial resources that are restricted, committed, or assigned to expenditures for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

Tax Incremental District (TID) No. 4 Capital Projects Fund - used to account for and report financial resources that are restricted, committed, or assigned to expenditures outlined in the TID project plan.

The city reports the following major enterprise funds:

Stormwater Utility - accounts for operations of the stormwater system.
Utility District No. 1 - accounts for operations of the water and wastewater system.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (cont.)

Fund Financial Statements (cont.)

The city reports the following nonmajor governmental funds:

Special Revenue Funds - used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes (other than debt service or capital projects).

Drug Enforcement and Training
Recycling and Refuse Collection
Park Dedication
Grants and Donations

Capital Projects Funds - used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

Municipal Building
Tax Incremental District (TID) No. 8
Tax Incremental District (TID) No. 6
Tax Incremental District (TID) No. 9
Tax Incremental District (TID) No. 7
Tax Incremental District (TID) No. 10

In addition, the city reports the following fund type:

Internal Service Fund - used to account for and report the financing of goods or services provided by one department or agency to other departments or agencies of the city, or to other governmental units, on a cost-reimbursement basis.

Technology

Agency Fund - used to account for and report assets held by the city in a trustee capacity or as an agent for individuals, private organizations, and/or other governmental units.

Tax Collection Fund

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

Government-wide Financial Statements

The government-wide statement of net position and statement of activities are reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Property taxes are recognized as revenues in the year for which they are levied. Taxes receivable for the following year are recorded as receivables and deferred inflows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider are met. Special assessments are recorded as revenue when earned. Unbilled receivables are recorded as revenues when services are provided.

Fund Financial Statements

Government fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recorded when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. For this purpose, the city considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on long-term debt, claims, judgments, compensated absences, and pension expenditures, which are recorded as a fund liability when amounts are due and payable.

Property taxes are recorded in the year levied as receivables and deferred inflows. They are recognized as revenues in the succeeding year when services financed by the levy are being provided.

Intergovernmental aids and grants are recognized as revenues in the period the city is entitled to the resources and the amounts are available. Amounts owed to the city which are not available are recorded as receivables and unavailable revenues. Amounts received before eligibility requirements (excluding time requirements) are net are recorded as liabilities. Amounts received in advance of meeting time requirements are recorded as deferred inflows.

Special assessments are recorded as revenues when they become measurable and available as current assets. Annual installments due in future years are reflected as receivables and unavailable revenues. At December 31, 2016, there were \$4,312,041 of unrecorded assessments which are not recorded as receivables because collection is subject to certain events occurring in the future and no formal repayment schedule has been established.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

C. MEASUREMENT Focus, Basis of Accounting, and Financial Statement Presentation (cont.)

Fund Financial Statements (cont.)

Revenues susceptible to accrual include property taxes, miscellaneous taxes, public charges for services, special assessments and interest. Other general revenues such as fines and forfeitures, inspection fees, recreation fees, and miscellaneous revenues are recognized when received in cash or when measurable and available under the criteria described above.

Proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as described previously in this note. Agency funds follow the accrual basis of accounting, and do not have a measurement focus.

The proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Utility District No. 1 and the Stormwater Utility are charges to customers for sales and services. Special assessments are recorded as receivables and contribution revenue when levied. Operating expenses for proprietary funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

All Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

1. Deposits and Investments

For purposes of the statement of cash flows, the city considers all highly liquid investments with an initial maturity of three months or less when acquired to be cash equivalents.
Investment of city funds is restricted by Wisconsin state statutes. Available investments are limited to:
a. Time deposits in any credit union, bank, savings bank or trust company maturing in three years or less.

Credit risk

Interest rate risk

At December 31, 2016, the city has deposits which do not meet the custodial credit risk investment policy guidelines and are uninsured and uncollateralized. See Note III.A.
Investments are stated at fair value, which is the amount at which an investment could be exchanged in a current transaction between willing parties. Fair values are based on methods and inputs as outlined in Note III.A. No investments are reported at amortized cost. Adjustments necessary to record investments at fair value are recorded in the operating statement as increases or decreases in investment income. Investment income on commingled investments of municipal accounting funds is allocated based on average balances. The difference between the bank statement balance and carrying value is due to outstanding checks and/or deposits in transit.

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

1. Deposits and Investments (cont.)

- b. Bonds or securities of any county, city, drainage district, technical college district, village, town, or school district of the state. Also, bonds issued by a local exposition district, a local professional baseball park district, a local professional football stadium district, a local cultural arts district, the University of Wisconsin Hospitals and Clinics Authority, or the Wisconsin Aerospace Authority.
 - c. Bonds or securities issued or guaranteed by the federal government.
 - d. The local government investment pool.
 - e. Any security maturing in seven years or less and having the highest or second highest rating category of a nationally recognized rating agency.
 - f. Securities of an open-end management investment company or investment trust, subject to various conditions and investment options.
 - g. Repurchase agreements with public depositories, with certain conditions.
- The city has adopted an investment policy. That policy contains the following guidelines for allowable investments. Custodial credit risk - A maximum of \$500,000 may be invested at any one financial institution, except the Local Government Investment Pool, unless properly collateralized by federal government securities having a market value of 100% of the investment or collateralization shall have been waived by the City Council. Concentration of credit risk - With the exception of U.S. Treasury securities and the Local Government Investment Pool, no more than 40% of the city's total investment portfolio should be invested in a single security type or with a single financial institution for extended periods of time.

No policy exists for the following risks:

Credit risk

Interest rate risk

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

1. Deposits and Investments (cont.)

The Wisconsin Local Government Investment Pool (LGIP) is part of the State Investment Fund (SIF), and is managed by the State of Wisconsin Investment Board. The SIF is not registered with the Securities and Exchange Commission, but operates under the statutory authority of Wisconsin Chapter 25. The SIF reports the fair value of its underlying assets annually. Participants in the LGIP have the right to withdraw their funds in total or on one day's notice. At December 31, 2016, the fair value of the city's share of the LGIP's assets was substantially equal to the amount as reported in these statements.

The Madison Community Foundation ("the Foundation") is a community endowment fund. The Foundation is not registered with the Securities and Exchange Commission. It constitutes a contractual agreement between the city and the Foundation with respect to investment of city assets. The Foundation reports the fair value of its underlying assets annually. At December 31, 2016, the fair value of the Foundation's assets was substantially equal to the city's share as reported in these statements.

See Note III, A. for further information.

2. Receivables

Property taxes are levied in December on the assessed value as of the prior January 1. In addition to property taxes for the city, taxes are collected for and remitted to the state and county governments as well as the local school district and technical college district. Taxes for all state and local governmental units billed in the current year for the succeeding year are reflected as receivables and due to other taxing units on the accompanying statement of assets and liabilities - agency fund.

Property tax calendar - 2016 tax roll:

Lien date and levy date	December 2016
Tax bills mailed	December 2016
Real property taxes payment in full, or	January 31, 2017
Real property taxes first installment due	January 31, 2017
Second installment due	July 31, 2017
Personal property taxes in full	January 31, 2017
Tax sale - 2016 delinquent real estate taxes	October 2019

Accounts receivable have been shown net of an allowance for uncollectible accounts. Delinquent real estate taxes as of July 31 are paid in full by the county, which assumes the collection thereof. No provision for uncollectible accounts receivable has been made for the Utility District No. 1 and Stormwater Utility because they have the right by law to place substantially all delinquent bills on the tax roll, and other delinquent bills are generally not significant.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

2. Receivables (cont.)

During the course of operations, transactions occur between individual funds that may result in amounts owed between funds. Short-term interfund loans are reported as "due to and from other funds." Long-term interfund loans (noncurrent portion) are reported as "advances from and to other funds." Interfund receivables and payables between funds within governmental activities are eliminated in the statement of net position. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as internal balances.

In the governmental fund financial statements, advances to other funds are offset equally by a nonspendable fund balance account which indicates that they do not constitute expendable available financial resources and, therefore, are not available for appropriation or by a restricted fund balance account, if the funds will ultimately be restricted when the advance is repaid.

3. Inventories and Prepaid Items

Governmental fund inventory items are charged to expenditure accounts when purchased. Year-end inventory was not significant. Proprietary fund inventories are generally used for construction and/or for operation and maintenance work. They are not for resale. They are valued at cost based on weighted average, and charged to construction and/or operation and maintenance expense when used.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

4. Restricted Assets

Mandatory segregations of assets are presented as restricted assets. Such segregations are required by bond agreements and other external parties. Current liabilities payable from these restricted assets are so classified. The excess of restricted assets over current liabilities payable from restricted assets will be used first for retirement of related long-term debt. The remainder, if generated from earnings, is shown as restricted net position.

5. Capital Assets

Government-Wide Statements

Capital assets, which include property, plant and equipment, are reported in the government-wide financial statements. Capital assets are defined by the government as assets with an initial cost of more than \$10,000 for general capital assets and \$10,000 for infrastructure assets, and an estimated useful life in excess of one year. All capital assets are valued at historical cost, or estimated historical cost if actual amounts are unavailable. Donated capital assets are recorded at their estimated fair value at the date of donation.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

5. Capital Assets (cont.)

Government-Wide Statements (cont.)

Additions to and replacements of capital assets of business-type activities are recorded at original cost, which includes material, labor, overhead, and an allowance for the cost of funds used during construction when significant. For tax-exempt debt, the amount of interest capitalized equals the interest expense incurred during construction netted against any interest revenue from temporary investment of borrowed fund proceeds. No interest was capitalized during the current year. The cost of renewals and betterments relating to retirement units is added to plant accounts. The cost of property replaced, retired or otherwise disposed of, is deducted from plant accounts and, generally, together with removal costs less salvage, is charged to accumulated depreciation.

Depreciation of all exhaustible capital assets is recorded as an allocated expense in the statement of activities, with accumulated depreciation reflected in the statement of net position. Depreciation is provided over the assets' estimated useful lives using the straight-line method. The range of estimated useful lives by type of asset is as follows:

Buildings	50 Years
Land Improvements	30 Years
Machinery and Equipment	5-15 Years
Utility System	15-100 Years
Infrastructure	15-50 Years

Fund Financial Statements

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets used in proprietary fund operations are accounted for the same way as in the government-wide statements.

6. Deferred Outflows of Resources

A deferred outflow of resources represents a consumption of net position/fund balance that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until that future time.

7. Compensated Absences

Under terms of employment, employees are granted sick leave and vacations in varying amounts. Only benefits considered to be vested are disclosed in these statements.

All vested vacation and sick leave pay is accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements, and are payable with expendable resources.

The city provides postemployment health insurance benefits for all eligible employees. Eligibility is based on retirement from the city. The benefits are based on contractual agreements with employee groups, local ordinances, or employee benefit policies. Employees may convert 1,120 hours of accumulated sick leave to pay for health care premiums. The cost of those premiums is recognized as an expenditure as the premiums are paid. The entire cost is paid by the city. Funding for those costs is provided out of the current operating budget of the city. The contributions are financed on a pay as you go basis. Total expenditures for such premiums during the year were \$95,048. The number of participants currently eligible to receive benefits is nine. The total amount outstanding at year end to be paid in the future is \$206,924 and is included in the government-wide statement of net position.

Payments for vacation and sick leave will be made at rates in effect when the benefits are used. Accumulated vacation and sick leave liabilities at December 31, 2016, are determined on the basis of current salary rates and include salary related payments.

8. Long-Term Obligations/Conduit Debt

All long-term obligations to be repaid from governmental and business-type resources are reported as liabilities in the government-wide statements. The long-term obligations consist primarily of notes and bonds payable and accrued compensated absences.

Long-term obligations for governmental funds are not reported as liabilities in the fund financial statements. The face value of debts (plus any premiums) are reported as other financing sources and payments of principal and interest are reported as expenditures. The accounting in proprietary funds is the same as it is in the government-wide statements.

For the government-wide statements and proprietary fund statements, bond premiums and discounts are amortized over the life of the issue using the straight-line or effective interest method. The balance at year end is shown as an increase or decrease in the liability section of the statement of net position.

The city has approved Midwest Disaster Area Bonds for the benefit of private business enterprises. They are secured by mortgages or revenue agreements on the associated projects, and do not constitute indebtedness of the city. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. The total amount of bonds outstanding at the end of the year is approximately \$53,012,799, made up of two issues.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

9. Deferred Inflows of Resources

A deferred inflow of resources represents an acquisition of net position/fund balance that applies to a future period and therefore will not be recognized as an inflow of resources (revenue) until that future time.

10. Equity Classifications

Government-Wide Statements

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances (excluding unspent debt proceeds) of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position - Consists of net position with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or governments or, 2) law through constitutional provisions or enabling legislation.
- c. Unrestricted net position - All other net positions that do not meet the definitions of "restricted" or "net investment in capital assets."

The net position section includes an adjustment for capital assets owned by the business-type activities column, but financed by the debt of the governmental activities column. The amount is a reduction of "net investment in capital assets", and an increase in "unrestricted" net position, shown only in the total column. A reconciliation of this adjustment is as follows:

Governmental Activities	Business-type Activities	Adjustment	Total
Net investment in capital assets	\$ 62,363,768 \$ 55,741,112 \$ (2,416,160)	\$ 115,688,720	
Unrestricted	9,887,620 4,845,635 2,416,160	17,149,415	

When both restricted and unrestricted resources are available for use, it is the city's policy to use restricted resources first, then unrestricted resources as they are needed.

The city considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available unless there are legal documents / contracts that prohibit doing this, such as in grant agreements requiring dollar-for-dollar spending. Additionally, the city would first use committed, then assigned and lastly unassigned amounts of unrestricted fund balance when expenditures are made.

The city has a formal minimum fund balance policy to maintain its general fund assigned fund balance between 15 and 25% of total general fund annual revenues plus the amount of state shared revenue received during the previous year. The balance at year end was \$5,978,234, or 33%.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

9. Deferred Inflows of Resources

A deferred inflow of resources represents an acquisition of net position/fund balance that applies to a future period and therefore will not be recognized as an inflow of resources (revenue) until that future time.

10. Equity Classifications

Fund Statements

Governmental fund balances are displayed as follows:

- a. Nonspendable - Includes fund balance amounts that cannot be spent either because they are not in spendable form or because legal or contractual requirements require them to be maintained intact.
- b. Restricted - Consists of fund balances with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or 2) law through constitutional provisions or enabling legislation.
- c. Committed - Includes fund balance amounts that are constrained for specific purposes that are internally imposed by the government through formal action of the highest level of decision making authority. Fund balance amounts are committed through a formal action (resolution) of the City Council. This formal action must occur prior to the end of the reporting period, but the amount of the commitment, which will be subject to the constraints, may be determined in the subsequent period. Any changes to the constraints imposed require the same formal action of the City Council that originally created the commitment.
- d. Assigned - Includes spendable fund balance amounts that are intended to be used for specific purposes that do not meet the criteria to be classified as restricted or committed. The Council may take official action to assign amounts. Assignments may take place after the end of the reporting period.
- e. Unassigned - Includes residual positive fund balance within the general fund which has not been classified within the other above mentioned categories. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those purposes.

Proprietary fund equity is classified the same as in the government-wide statements.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. ASSETS, DEFERRED OUTFLOWS OF RESOURCES, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY (cont.)

10. Equity Classifications (cont.)

Fund Statements (cont.)

See Note III, G, for further information.

11. Pension

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Wisconsin Retirement System (WRS) and additions to/deductions from WRS' fiduciary net position have been determined on the same basis as they are reported by WRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

12. Basis for Existing Rates

Water Utility

Current water rates were approved by the Public Service Commission of Wisconsin on May 26, 2016. Effective on June 8, 2016.

Sewer Utility

Current sewer rates were approved by the City Council and they are updated every year based on treatment cost. The new rates are effective on January 1 of each year.

Stormwater Utility

Current stormwater rates were approved by the City Council effective January 1, 2014.

NOTE II - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. BUDGETARY INFORMATION

A budget has been adopted for the general fund, certain special revenue, the debt service and certain capital projects funds. A budget has not been formally adopted for the cemetery fund, grants and donations fund and TID No. 10. Wisconsin Statute 65.90 requires that an annual budget be adopted for all funds.

B. EXCESS EXPENDITURES AND OTHER FINANCING USES OVER APPROPRIATIONS

Funds	Budgeted Expenditures and Other Financing Uses	Actual Expenditures and Other Financing Uses	Excess Expenditures and Other Financing Uses Over Budget
Drug Enforcement and Training	\$ 20,000	\$ 26,263	\$ 6,263
Park Dedication	143,905	308,123	164,218
Library Services	2,159,028	2,164,971	5,943
TID No. 8	400	965	565

The city controls expenditures at the function level. Some individual functions experienced expenditures which exceed appropriations. The detail of those items can be found in the city's year-end budget to actual report.

C. DEFICIT BALANCES

Generally accepted accounting principles require disclosure of individual funds that have deficit balances at year end.

As of December 31, 2016, the following individual funds held a deficit balance:

Fund	Amount	Reason
Municipal building	\$ 12,462	Expenditures in excess of revenues
TID No. 8	25,469	Expenditures in excess of revenues
TID No. 9	973,613	Expenditures in excess of revenues
TID No. 10	21,956	Expenditures in excess of revenues

TID district deficits are anticipated to be funded with future incremental taxes levied over the life of the districts, which is 27 years for the districts created before October 1, 1985, and 23 years for districts created thereafter through September 30, 2004. Beginning October 1, 2004, the life of new districts varies by type of district (20-27 years) and may be extended in some cases. The municipal building fund deficit is anticipated to be funded with future contributions. General tax revenues, or long-term borrowing.

D. LIMITATIONS ON THE CITY'S TAX LEVY

Wisconsin law limits the city's future tax levies. Generally the city is limited to its prior tax levy dollar amount (excluding TIF Districts), increased by the greater of the percentage change in the city's equalized value due to new construction or zero percent. Changes in debt service from one year to the next are generally exempt from this limit with certain exceptions. The city is required to reduce its allowable levy by the estimated amount of fee revenue it collects for certain services, if those services were funded in 2013 by the property tax levy. Levies can be increased above the allowable limits if the amount is approved by referendum.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE III - DETAILED NOTES ON ALL FUNDS

A. DEPOSITS AND INVESTMENTS

The city's deposits and investments at year end were comprised of the following:

	Carrying Value	Statement Balances	Associated Risks
Deposits	\$ 33,519,461	\$ 33,565,690	Custodial credit
Certificates of deposit (negotiable)	3,407,223	3,407,223	Credit, custodial credit, concentration of credit, and interest rate
U.S. agencies-implicitly guaranteed	264,835	264,835	Credit, custodial credit, concentration of credit, and interest rate
U.S. agencies-explicitly guaranteed	2,551,941	2,551,941	Custodial, interest rate
LGP	25,516,512	25,516,512	Credit
Madison Community Foundation	116,058	116,058	Interest rate and credit
Petty cash	672	-	N/A
Total Deposits and Investments	\$ 65,376,702	\$ 65,422,259	

Reconciliation to financial statements	
Per statement of net position	
Unrestricted cash and investments	
Restricted cash and investments	
Cash and investments - component unit	
Per statement of assets and liabilities - agency fund	
Agency Fund	
Total Deposits and Investments	\$ 65,376,702

Deposits in each local and area bank are insured by the FDIC in the amount of \$250,000 for time and

savings accounts (including NOW accounts) and \$250,000 for demand deposit accounts (interest-bearing and noninterest-bearing). In addition, if deposits are held in an institution outside of the state in which the government is located, insured amounts are further limited to a total of \$250,000 for the combined amount of all deposit accounts. Deposits in the credit union are insured by the National Credit Union Administration in the amount of \$250,000 for all share draft accounts and \$250,000 for all share certificate and regular share accounts.

Bank accounts and credit unions are also insured by the State Deposit Guarantee Fund in the amount of \$400,000. However, due to the nature of this fund, recovery of material principal losses may not be significant to individual municipalities. This coverage has not been considered in computing custodial credit risk.

NOTE III - DETAILED NOTES ON ALL FUNDS (cont.)

A. DEPOSITS AND INVESTMENTS (cont.)

The Securities Investor Protection Corporation (SIPC), created by the Securities Investor Protection Act of 1970, is an independent government-sponsored corporation (not an agency of the U.S. government). SIPC membership provides account protection up to a maximum of \$500,000 per customer, of which \$100,000 may be in cash, \$500,000 of the city's investments are covered by SIPC. Additionally, through Lloyds of London, accounts have additional securities coverage of \$995 million per customer, subject to a \$500 million aggregate firm limit. \$5,739,282 of the city's investments are covered by Lloyds of London. The city categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The valuation methods for recurring fair value measurements are as follows:

	Quoted market prices	December 31, 2016		
		Level 1 Level 2 Level 3 Total		
U.S. agencies	\$ -	\$ 2,816,776	\$ -	\$ 2,816,776
Certificates of deposit (negotiable)	\$ -	\$ 3,406,223	\$ -	\$ 3,406,223
Total	\$ -	\$ 6,222,999	\$ -	\$ 6,222,999

Custodial Credit Risk

Deposits

Custodial credit risk is the risk that in the event of a financial institution failure, the city's deposits may not be returned to the city.

As of December 31, 2016, \$7,413,892 of the city's total bank balances were exposed to custodial credit risk as follows:

Uninsured and uncollateralized	\$ 7,413,892
Total	\$ 7,413,892

Credit Risk

Bank credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Credit risk is significant to individual municipalities. This coverage has not been considered in computing custodial credit risk.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE III - DETAILED NOTES ON ALL FUNDS (cont.)

A. DEPOSITS AND INVESTMENTS (cont.)

Credit Risk (cont.)

As of December 31, 2016, the city's investments were rated as follows:

Investment Type	Standard & Poor's	Moody's Investors Services
FHLB	AA+	Aaa
FNMA	AA+	Aaa
FHLMC	AA+	Aaa
Certificates of deposit (negotiable)	not rated	not rated

The city also held investments in the following external pools which are not rated:

LGIP
Madison Community Foundation

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer.

At December 31, 2016, the investment portfolio was concentrated as follows:

Issuer	Investment Type	Percentage of Portfolio
FHLBM	U.S. agency-explicitly guaranteed	6.00%

Less: Allowance for uncollectibles

Net Total Receivables

NOTE III - DETAILED NOTES ON ALL FUNDS (cont.)

A. DEPOSITS AND INVESTMENTS (cont.)

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the value of an investment.

As of December 31, 2016, the city's investments were as follows:

	Investment Type	Fair Value	Maturity (in Years)
Certificates of deposit (negotiable)	\$ 3,407,223	\$ 1,237,425	2-5
US agencies	<u>\$ 2,816,776</u>	<u>\$ 2,169,798</u>	<u>6-10</u>
Totals	<u>\$ 6,223,999</u>	<u>\$ 1,237,425</u>	<u>\$ 2,816,776</u>

The average maturity for the \$116,058 held in the Madison Community Foundation was not available.
See Note I.D.1. for further information on deposit and investment policies.

B. RECEIVABLES

Receivables as of year end for the government's individual major funds and nonmajor and fiduciary funds in the aggregate, including the applicable allowances for uncollectible accounts, are as follows:

	General Fund
Receivables	
Taxes	\$ 14,344,772
Delinquent personal property taxes	172,817
Accounts	2,901,919
Delinquent special assessments	30,633
Land contract	18,277
Interest	4,442
Gross receivables	
Less: Allowance for uncollectibles	
	(2,676,851)
Net Total Receivables	\$ 14,796,009

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE III - DETAILED NOTES ON ALL FUNDS (cont.)**B. RECEIVABLES** (cont.)

All of the receivables on the balance sheet are expected to be collected within one year, except for \$8,499 of delinquent personal property taxes, \$30,633 of delinquent special assessments, and the land contract of \$18,277.

Governmental funds report *unavailable or unearned revenue* in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Property taxes levied for the subsequent year are not earned and cannot be used to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned. At the end of the current fiscal year, the various components of *unavailable revenue* and *unearned revenue* reported in the governmental funds were as follows:

	Unearned	Unavailable
Property taxes receivable for subsequent year	\$ 28,766,054	-
Special assessments not yet due	-	437,041
Land contract	-	18,277
Grant receivable	-	932,916
Other unearned revenues	1,360	-
Other unavailable revenues	-	52,923
Total Unearned/Unavailable Revenue for Governmental Funds	<u>\$ 28,767,414</u>	<u>\$ 1,441,157</u>

C. RESTRICTED ASSETS

The following represent the balances of the restricted assets:

Impact Fee Account

The city has received impact fees which must be spent in accordance with the local ordinance and state statutes. Any unspent funds must be refunded to the current property owner.

Following is a list of restricted assets at December 31, 2016:

	Restricted Assets
Impact fee account	\$ 1,492,658
Donor-restricted for library	155,736
Donor-restricted for park projects	56,484
Donor-restricted for other	18,913
Total	<u>\$ 1,723,791</u>

Business-type Activities	
Water	\$ 642,229
Sewer	220,158
Storm	530,103

Total Business-type Activities Depreciation/Amortization Expense

	Amount	Due Within One Year
General fund	\$ 637,823	\$ -
Total - Fund Financial Statements	637,823	
Add: Interfund advances	950,975	

The general fund is advancing funds to TID No. 8, TID No. 9, TID No. 10, and Municipal Building funds. The principal purpose of the interfunds between the general fund and the utility is for payment in lieu of taxes. All remaining balances resulted from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made.

Advances

The general fund is advancing funds to the Stormwater Utility. The purpose of the advance is for acquisition of land for the Stormwater Utility. Interest is being accrued at 2.00 - 3.125%. A repayment schedule has been established and requires the Stormwater Utility to make quarterly principal payments of \$13,985, plus accrued interest, until the advance is repaid.

The General Capital Projects fund is advancing funds to the Stormwater Utility. The purpose of the advance is for acquisition of land for the Stormwater Utility. Interest is being accrued at 2.00 - 3.125%. A repayment schedule has been established and requires the Stormwater Utility to make quarterly principal payments of \$13,985, plus accrued interest, until the advance is repaid.

General obligation debt					
Other Liabilities					
Vested compensated absences					
Net pension liability	184,114	26,454	13,852	196,716	66,059
Total Business-type Activities Long-Term Liabilities	\$ 459,114	\$ 92,513	\$ 138,882	\$ 412,775	\$ 214,020

In accordance with Wisconsin Statutes, total general obligation indebtedness of the city may not exceed 5% of the equalized value of taxable property within the city's jurisdiction. The debt limit as of December 31, 2016, was \$141,532,275. Total general obligation debt outstanding at year end was \$47,395,000.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE III - DETAILED NOTES ON ALL FUNDS (cont.)

F. LONG-TERM OBLIGATIONS (cont.)

General Obligation Debt

All general obligation notes and bonds payable are backed by the full faith and credit of the city. Notes and bonds in the governmental funds will be retired by future property tax levies or tax increments accumulated by the debt service fund. Business-type activities debt is payable by revenues from user fees of those funds or, if the revenues are not sufficient, by future tax levies. Debt issued in the form of tax-exempt bonds is subject to federal arbitrage regulations.

Governmental Activities General Obligation Debt	Date of Issue	Final Maturity	Interest Rates	Original Indebtedness	Balance December 31, 2016
2005 general obligation refunding bonds	8/1/05	8/1/17	3.00-3.75%	\$ 5,888,920	\$ 795,000

H. COMPONENT UNIT

HOUSING AND COMMUNITY DEVELOPMENT AUTHORITY

This report contains the Housing and Community Development Authority (CDA), which is included as a component unit.

In addition to the basic financial statements and the preceding notes to financial statements which apply, the following additional disclosures are considered necessary for a fair presentation.

a. Basis of Accounting/Measurement Focus

The CDA follows the full accrual basis of accounting and the flow of economic resources measurement focus.

b. Deposits and Investments

At year end, the carrying amount of the CDA's deposits was \$719,777 and is part of the city's commingled cash. See Note III. A.

c. Loans Receivable

In 1999, the city established a revolving loan fund by providing \$375,000 of development incentive money to the CDA. At December 31, 2016, the CDA's loans receivable balance was \$171,128 and its allowance for doubtful accounts was \$123,319, leaving a net receivable balance of \$47,809.

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE IV - OTHER INFORMATION

A. EMPLOYEES' RETIREMENT SYSTEM

Plan description. The WRS is a cost-sharing multiple-employer defined benefit pension plan. WRS benefits and other plan provisions are established by Chapter 40 of the Wisconsin Statutes. Benefit terms may only be modified by the legislature. The retirement system is administered by the Wisconsin Department of Employee Trust Funds (ETF). The system provides coverage to all eligible State of Wisconsin, local government and other public employees. All employees, initially employed by a participating WRS employer on or after July 1, 2011, and expected to work at least 1200 hours a year and expected to be employed for at least one year from employee's date of hire are eligible to participate in the WRS.

ETF issues a standalone Comprehensive Annual Financial Report (CAFR), which can be found at <http://etf.wi.gov/publications/cafr.htm>.

Vesting. For employees beginning participation on or after January 1, 1990, and no longer actively employed on or after April 24, 1998, creditable service in each of five years is required for eligibility for a retirement annuity. Participants employed prior to 1990 and on or after April 24, 1998, and prior to July 1, 2011, are immediately vested. Participants who initially became WRS eligible on or after July 1, 2011, must have five years of creditable service to be vested.

Benefits provided. Employees who retire at or after age 65 (54 for protective occupation employees, 62 for elected officials and State executive participants) are entitled to receive an unreduced retirement benefit. The factors influencing the benefit are: (1) final average earnings, (2) years of creditable service, and (3) a formula factor.

Final average earnings is the average of the participant's three highest years' earnings. Creditable service is the creditable current and prior service expressed in years or decimal equivalents of partial years for which a participant receives earnings and makes contributions as required. The formula factor is a standard percentage based on employment category.

Employees may retire at age 55 (50 for protective occupation employees) and receive reduced benefits. Employees terminating covered employment before becoming eligible for a retirement benefit may withdraw their contributions and forfeit all rights to any subsequent benefits.

The WRS also provides death and disability benefits for employees.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE IV - OTHER INFORMATION (cont.)

A. EMPLOYEES' RETIREMENT SYSTEM (cont.)

A. EMPLOYEES' RETIREMENT SYSTEM (cont.)

Post-retirement adjustments. The Employee Trust Funds Board may periodically adjust annuity payments from the retirement system based on annual investment performance in accordance with s. 40-27, Wis. Stat. An increase (or decrease) in annuity payments may result when investment gains (losses), together with other actuarial experience factors, create a surplus (shortfall) in the reserves, as determined by the system's consulting actuary. Annuity increases are not based on cost of living or other similar factors. For Core annuities, decreases may be applied only to previously granted increases. By law, Core annuities cannot be reduced to an amount below the original, guaranteed amount (the "floor") set at retirement. The Core and Variable annuity adjustments granted during recent years are as follows:

Year	Core Fund Adjustment	Variable Fund Adjustment	Employee Category	Employee	Employer
2006	0.8%	3%	General	6.6%	6.6%
2007	3.0	10	Executives & Elected Officials	6.6%	6.6%
2008	6.6	0	Protective with Social Security	6.6%	9.4%
2009	(2.1)	(42)	Protective without Social Security	6.6%	13.2%
2010	(1.3)	22			
2011	(1.2)	11			
2012	(7.0)	(7)			
2013	(9.6)	9			
2014	4.7	25			
2015	2.9	2			

Contributions. Required contributions are determined by an annual actuarial valuation in accordance with Chapter 40 of the Wisconsin Statutes. The employee required contribution is one-half of the actuarially determined contribution rate for General category employees and Executives and Elected Officials. Required contributions for protective employees are the same rates as general employees. Employers are required to contribute the remainder of the actuarially determined contribution rate. The employer may not pay the employee required contribution unless provided for by an existing collective bargaining agreement.

During the reporting period, the WRS recognized \$834,922 in contributions from the city.

Contribution rates as of December 31, 2016 are:

	Employee Category	Employee	Employer
General	6.6%	6.6%	6.6%
Executives & Elected Officials	6.6%	6.6%	6.6%
Protective with Social Security	6.6%	9.4%	
Protective without Social Security	6.6%	13.2%	

Pension Liability, Pension Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2016, the city reported a liability of \$1,406,827 for its proportionate share of the net pension liability. The net pension liability was measured as of December 31, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2014, rolled forward to December 31, 2015. No material changes in assumptions or benefit terms occurred between the actuarial valuation date and the measurement date. The city's proportion of the net pension liability was based on the city's share of contributions to the pension plan relative to the contributions of all participating employers. At December 31, 2015, the city's proportion was 0.08657502%, which was a decrease of 0.00129392% from its proportion measured as of December 31, 2014.

For the year ended December 31, 2016, the city recognized pension expense of \$1,680,800.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE IV - OTHER INFORMATION (cont.)

A. EMPLOYEES' RETIREMENT SYSTEM (cont.)

At December 31, 2016, the city reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 237,995	\$ 2,960,644
Changes in assumptions	984,278	-
Net differences between projected and actual earnings on pension plan investments	5,759,952	-
Changes in proportion and differences between employer contributions and proportionate share of contributions	40,425	-
Employer contributions subsequent to the measurement date	<u>862,383</u>	<u>\$ 2,960,644</u>
Totals	\$ 7,885,033	

\$862,383 reported as deferred outflows related to pension resulting from the WRS Employer's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability (asset) in the year ended December 31, 2017. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

Year Ended December 31:	Deferred Outflows of Resources	Deferred Inflows of Resources
2017	\$ 1,822,699	\$ 716,481
2018	1,822,699	716,481
2019	1,822,699	716,481
2020	1,521,806	716,481
2021	32,747	94,720

NOTE IV - OTHER INFORMATION (cont.)

A. EMPLOYEES' RETIREMENT SYSTEM (cont.)

At December 31, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Valuation Date:	December 31, 2014
Measurement Date of Net Pension Liability (Asset)	December 31, 2015
Actuarial Cost Method:	Entity Age
Asset Valuation Method:	Fair Market Value
Long-Term Expected Rate of Return:	7.2%
Discount Rate:	7.2%
Salary Increases:	3.2%
Inflation	0.2% - 5.6%
Seniority/Merit	0.2% - 5.6%
Mortality:	Wisconsin 2012 Mortality Table
	2.1%

Post-retirement Adjustments*:

* No post-retirement adjustment is guaranteed. Actual adjustments are based on recognized investment return, actuarial experience and other factors. 2.1% is the assumed annual adjustment based on the investment return assumption and the post-retirement discount rate.

Actuarial assumptions are based upon an experience study conducted in 2012 using experience from 2009 – 2011. The total pension liability for December 31, 2015 is based upon a roll-forward of the liability calculated from the December 31, 2014 actuarial valuation.

NOTE IV - OTHER INFORMATION (cont.)

A. EMPLOYEES' RETIREMENT SYSTEM (cont.)

Long-term expected return on plan assets. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Core Fund Asset Class	Current Asset Allocation %	Destination Target Asset Allocation %	Long-Term Expected Nominal Rate of Return %	Long-Term Expected Real Rate of Return %
U.S. Equities	27%	23%	7.6%	4.7%
International Equities	24.5	22	8.5	5.6
Fixed Income	27.5	37	4.4	1.6
Inflation Sensitive Assets	10	20	4.2	1.4
Real Estate	7	7	6.5	3.6
Private Equity/Debt	7	7	9.4	6.5
Multi-Asset	4	4	6.7	3.8
Total Core Fund	107	120	7.4	4.5
Variable Fund Asset Class				
U.S. Equities	70	70	7.6	4.7
International Equities	30	30	8.5	5.6
Total Variable Fund	100	100	7.9	5.0

New England Pension Consultants Long Term US CPI (Inflation) Forecast: 2.75%
Asset Allocations are managed within established ranges; target percentages may differ from actual monthly allocations

NOTE IV - OTHER INFORMATION (cont.)

A. EMPLOYEES' RETIREMENT SYSTEM (cont.)

Single discount rate. A single discount rate of 7.20% was used to measure the total pension liability. This single discount rate was based on the expected rate of return on pension plan investments of 7.20% and a long term bond rate of 3.56%. Because of the unique structure of WRS, the 7.20% expected rate of return implies that a dividend of approximately 2.1% will always be paid. For purposes of the single discount rate, it was assumed that the dividend would always be paid. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments (including expected dividends) of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the city's proportionate share of the net pension liability to changes in the discount rate. The following presents the city's proportionate share of the net pension liability calculated using the discount rate of 7.20 percent, as well as what the city's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.20 percent) or 1-percentage-point higher (8.20 percent) than the current rate:

City's proportionate share of the net pension liability (asset)	1% Decrease to Discount Rate (6.20%)	1% Increase to Discount Rate (8.20%)
\$9,367,513	\$1,406,827	\$1,406,827

Pension plan fiduciary net position. Detailed information about the pension plan's fiduciary net position is available in separately issued financial statements available at <http://jeff.wi.gov/publications/carf.htm>. At December 31, 2016, the city reported a payable to the pension plan which represents contractually required contributions outstanding as of the end of the year.

B. RISK MANAGEMENT

The city is exposed to various risks of loss related to torts, theft of damage to, or destruction of assets; errors and omissions; workers compensation; and health care of its employees. All of these risks are covered through the purchase of commercial insurance, with minimal deductibles. Settled claims have not exceeded the commercial coverage in any of the past three years. There were no significant reductions in coverage compared to the prior year.

C. COMMITMENTS AND CONTINGENCIES

Claims and judgments are recorded as liabilities if all the conditions of Governmental Accounting Standards Board pronouncements are met. The liability and expenditure for claims and judgments are only reported in government funds if it has matured. Claims and judgments are recorded in the government-wide statements and proprietary funds as expenses when the related liabilities are incurred.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE IV - OTHER INFORMATION (cont.)

C. COMMITMENTS AND CONTINGENCIES (cont.)

From time to time, the city is party to various pending claims and legal proceedings. Although the outcome of such matters cannot be forecasted with certainty, it is the opinion of management and the city attorney that the likelihood is remote that any such claims or proceedings will have a material adverse effect on the city's financial position or results of operations.

The city has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grants. Management believes such disallowances, if any, would be immaterial.

The city has active construction projects as of December 31, 2016. Work that has been completed on these projects but not yet paid for (including contract retainages) is reflected as accounts payable and expenditures.

The city has the following encumbrances outstanding at year end expected to be honored upon performance by the vendor:

General Capital Projects	\$ 4,105,091
--------------------------	--------------

D. JOINT VENTURES

FitchRona EMS District

The City of Fitchburg, City of Verona, and Town of Verona jointly operate the local EMS District (District), which is called the FitchRona EMS District.

The district adopts its own budget. Net operating costs including debt service are shared by the three communities based on the ratio of equalized values. The department is governed by the FitchRona EMS Commission. The board consists of the citizens from each community. City of Fitchburg representatives are appointed by the mayor (2 members) and city council (1 member). The city made a payment to the district in 2016 of \$495,794.

Financial information of the district is available directly from the district's office.

The city's equity interest in the district is equal to its percentage share of participation. The equity in interest is reported in the governmental activities column of the government-wide statement of net position. Changes in the equity interest are reported on the statement of activities.

NOTE IV - OTHER INFORMATION (cont.)

D. JOINT VENTURES (cont.)

Multijurisdictional Public Safety Information System Commission (MPSISC)

The City of Fitchburg, City of Sun Prairie, City of Middleton, City of Verona, and City of Monona jointly operate the Multijurisdictional Public Safety Information System Commission. On March 20, 2003, the City of Middleton, City of Fitchburg, and City of Sun Prairie executed an intergovernmental agreement under authority of Section 66.0301 of the Wisconsin Statutes. The City of Verona and the City of Monona joined the commission in 2009. The commission adopts its own budget. Net operating costs including debt service are shared by the five communities based on the agreed upon formula. The department is governed by the Intermunicipal Commission. The commission consists of one representative from each community. The city's share of the joint costs was \$156,928 in 2016. The transactions of the commission are not reflected in these financial statements.

The city does not have an equity interest in this joint venture.

Town of Madison Cooperative Plan

On November 8, 2002, the Town of Madison, City of Fitchburg, and City of Madison executed an intergovernmental agreement under authority of Section 66.0301 of the Wisconsin Statutes.

The term and implementation phases within the plan recognize and attempt to balance the competing desires of the cities, the town and existing town property owners and residents. The plan provides for the eventual dissolution of the Town after a protected period of up to 20 years, but allows early annexations within several areas to address near-term problems and opportunities.

The plan shall terminate on October 30, 2022, or at such earlier time as the town may cease to exist as a separate entity in accordance with the terms of this plan. A complete copy of the City of Madison, City of Fitchburg and Town of Madison Cooperative Plan can be obtained at the Town of Madison, 2120 Fish Hatchery Road, Madison, WI 53713.

E. SUBSEQUENT EVENTS

On February 14, 2017, the City Council terminated Tax Incremental District No. 7.

On April 25, 2017, the City Council terminated Tax Incremental District No. 8.

F. TAX ABATEMENT

Tax abatements are a reduction in tax revenues that results from an agreement between one or more governments and an individual or entity in which (a) one or more governments promise to forgo tax revenues to which they are otherwise entitled and (b) the individual or entity promises to take a specific action after the agreement has been entered into that contributes to economic development or otherwise benefits the governments or the citizens of those governments.

CITY OF FITCHBURG, WISCONSIN

NOTES TO FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2016

NOTE IV - OTHER INFORMATION (cont.)

F. TAX ABATEMENT (cont.)

The city is disclosing all abatement agreements individually.

The city, through its Tax Incremental Financing Districts, (TID) has entered into tax abatement agreements with developers in the form of tax incremental financing incentive payments to stimulate economic development. The abatements are authorized through the TID project plans. The developers pay property taxes as they become due, and after meeting the criteria established in the development agreements, are entitled to future incentive payments that directly correlate to the taxes paid.

Agreement Description	Calculation Method	Developer Commitment	Payments
In 2007, the city issued a municipal revenue obligation as part of a development agreement. The amount of the obligation was \$2,200,000, and is payable to the developer solely from tax increments collected from a specific portion of the development in TIF No. 4. Payments were scheduled through the year 2017 and carried an interest rate of 6%. The city paid the remaining balance in full during 2016.	2/3 increment on specific property	Construction of headquarters and underground parking and conversion of two locations to alternate uses	\$ 949,110
In 2014, the city issued a municipal revenue obligation as part of a development agreement. The amount of the obligation was \$4,000,000, and is payable solely from tax increments collected from a specific portion of the development in TIF No. 4. Payments are scheduled through the year 2025 and carry an interest rate of 6%. The balance of the commitment outstanding at year end was \$3,450,000.	2/3 increment on specific property	Construction of facility	416,000

G. EFFECT OF NEW ACCOUNTING STANDARDS ON CURRENT-PERIOD FINANCIAL STATEMENTS

The Governmental Accounting Standards Board (GASB) has approved Statement No. 73 through Statement No. 75 and Statement No. 80 through Statement No. 85 that are not yet effective. When they become effective, application of these standards may restate portions of these financial statements.

For the Year Ended December 31, 2016

CITY OF FITCHBURG, WISCONSIN

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION For the Year Ended December 31, 2016

BUDGETARY INFORMATION

Budgetary information is derived from the annual operating budget and is presented using the same basis of accounting for each fund as described in Note I. C.

The budgeted amounts presented include any amendments made. The department heads may authorize transfers of up to 5% and no more than \$5,000 of their department budget within their respective departments, with mayoral approval. Transfers between departments and changes to the overall budget must be approved by a two-thirds council action.

Appropriations lapse at year end unless specifically carried over. There were no carryovers to the following year. Budgets are adopted at the department level of expenditure.

WISCONSIN RETIREMENT SYSTEM

The amounts determined for each fiscal year were determined as of the calendar year-end and occurred within the fiscal year.

The city is required to present the last ten years of data; however accounting standards allow the presentation of as many years as are available until ten fiscal years are presented.

Changes in benefit terms. There were no changes of benefit terms for any participating employer in the Wisconsin Retirement System.

Changes in assumptions. There were no changes in assumptions.

SUPPLEMENTARY INFORMATION

See independent auditors' report.

CITY OF FITCHBURG, WISCONSIN, WISCONSINSTATEMENT OF CASH FLOWS
COMPONENT UNIT

For the Year Ended December 31, 2016

CASH FLOWS FROM OPERATING ACTIVITIES	
Received from customers	\$ 336,441
Paid to suppliers for goods and services	(280,667)
Net Cash Flows From Operating Activities	<u>55,774</u>
CASH FLOWS FROM INVESTING ACTIVITIES	
Investment income	6,750
Net Cash Flows From Investing Activities	<u>6,750</u>
Net Change in Cash and Cash Equivalents	
	62,524
	<u>657,253</u>
CASH AND CASH EQUIVALENTS - Beginning of Year	
	\$ 719,777
RECONCILIATION OF OPERATING INCOME TO NET CASH FLOWS FROM OPERATING ACTIVITIES	
Operating income	\$ 45,550
Nonoperating revenue	6,793
Changes in assets and liabilities	16,715
Accounts receivables	7,995
Prepays	(21,279)
Accounts payable	
	<u>55,774</u>
NET CASH FLOWS FROM OPERATING ACTIVITIES	
NONCASH CAPITAL AND RELATED FINANCING ACTIVITIES	
None	

City of Fitchburg, Wisconsin

Statistical Section

Table of Contents

This section of the City of Fitchburg's comprehensive annual financial report presents detailed information as context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the city's overall financial condition through multi-year comparative data.

Contents**Financial Trends - Schedules 1 - 4**

These schedules contain trend information to help the reader understand how the city's financial performance and well-being have changed over time.

Revenue Capacity - Schedules 5 - 8

These schedules contain information to help the reader assess the city's most significant local revenue source, the property tax.

Debt Capacity - Schedules 9 - 12

These schedules present information to help the reader assess the affordability of the city's current levels of outstanding debt and the city's ability to issue additional debt in the future.

Demographic and Economic Information - Schedules 13 & 14

These schedules provide demographic and economic indicators to help the reader understand the environment within which the city's financial activities take place and to help make comparisons over time with other governments.

Operating Information - Schedules 15 - 17

These schedules contain service and infrastructure data to help the reader understand how the information in the city's financial report relates to the services the city provides and the activities it performs.

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant years.

Notes:

- (1) Information presented in the year for which taxes were levied.
- (2) Assessed values are prepared by the City of Fitchburg Assessor.
- (3) Tax rates are expressed in rate per \$1,000 in assessed value.
- (4) Estimated actual values (equalized values) are prepared by the Wisconsin Department of Revenue, Bureau of Property Tax and include TID values.
- (5) The Wisconsin Department of Revenue does not consider any amendments to the Statement of Assessment when calculating the equalized ratio. Therefore, the percentage of actual value calculated above may differ slightly from what was printed on the tax bills.

Notes:

(1) Information presented in the year for which taxes were levied.

(2) Effective for 2006 and 2007 budgets, each taxing jurisdiction is subject to levy limits of 2% or net new construction, whichever is greater. Effective 2008 and 2009 budget, levy limit was 3.86% or net new construction, whichever is greater. Effective for 2010 and 2011 budgets, the state extended levy limits for an additional two years at 3% or net new construction, whichever is greater, and allowed the carryforward of the previous two years' unused levy limit capacity. Effective for 2012, 2013, 2014, and 2015 budgets, the state extended levy limits for an additional two years at 0% or net new construction, whichever is greater, and allowed the carryforward of the previous two years' unused levy limit capacity.

(3) Overlapping rates are those of local, county, and state governments that apply to property owners within the City.

(4) Not all overlapping rates apply to all City property owners. The rates for school districts apply only to the portion of the City's property whose property is located within the geographic boundaries of the school district.

2007	14,330,451	14,229,396	99.3%	13,770	14,316,681	99.9%

Notes:

- (1) Information presented in the year for which taxes were levied.
- (2) Total tax levy includes only the City portion of tax levy, TID increment, special assessments and charges, all omitted taxes for prior years, and correction of errors.
- (3) The City collects only the first installment of the real estate taxes through January 31. Real estate taxes are then turned-over to the Dane County Treasurer for collection after January 31 of the fiscal year.
- (4) Responsibility for the collection of delinquent personal property taxes remains with the City. Collection of delinquent special assessments is performed by the County with remittances to the City as they are collected. Collections in subsequent years include payments received by the City for delinquent personal property taxes and delinquent special assessments.
- (5) Amounts corrected and restated from prior year's table.

APPENDIX B

FORM OF LEGAL OPINION

(See following pages.)

Quarles & Brady LLP
411 East Wisconsin Avenue
Milwaukee, WI 53202

March 14, 2018

Re: City of Fitchburg, Wisconsin ("Issuer")
\$7,745,000 General Obligation Corporate Purpose Bonds, Series 2018B,
dated March 14, 2018 ("Bonds")

We have acted as bond counsel to the Issuer in connection with the issuance of the Bonds. In such capacity, we have examined such law and such certified proceedings, certifications, and other documents as we have deemed necessary to render this opinion.

Regarding questions of fact material to our opinion, we have relied on the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

The Bonds are numbered from R-1 and upward; bear interest at the rates set forth below; and mature on March 1 of each year, in the years and principal amounts as follows:

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2019	\$400,000	___%
2020	415,000	___
2021	425,000	___
2022	440,000	___
2023	450,000	___
2024	470,000	___
2025	490,000	___
2026	500,000	___
2027	515,000	___
2028	525,000	___
2029	540,000	___
2030	565,000	___
2031	525,000	___
2032	230,000	___
2033	240,000	___
2034	245,000	___
2035	255,000	___
2036	265,000	___
2037	270,000	___
2038	280,000	___

Interest is payable semi-annually on March 1 and September 1 of each year commencing on September 1, 2018.

The Bonds maturing on March 1, 2027 and thereafter are subject to redemption prior to maturity, at the option of the Issuer, on March 1, 2026 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the Issuer, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____ are subject to mandatory redemption by lot as provided in the resolution awarding the Bonds, at the redemption price of par plus accrued interest to the date of redemption and without premium.]

We further certify that we have examined a sample of the Bonds and find the same to be in proper form.

Based upon and subject to the foregoing, it is our opinion under existing law that:

1. The Bonds have been duly authorized and executed by the Issuer and are valid and binding general obligations of the Issuer.

2. All the taxable property in the territory of the Issuer is subject to the levy of ad valorem taxes to pay principal of, and interest on, the Bonds, without limitation as to rate or amount. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Bonds except to the extent that necessary funds have been irrevocably deposited into the debt service fund account established for the payment of the principal of and interest on the Bonds.

3. The interest on the Bonds is excludable for federal income tax purposes from the gross income of the owners of the Bonds. The interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed by Section 55 of the Internal Revenue Code of 1986, as amended (the "Code") on corporations (as that term is defined for federal income tax purposes) and individuals. However, for purposes of computing the alternative minimum tax imposed on corporations, the interest on the Bonds is included in adjusted current earnings. We note, however, that the 2017 tax act (Public Law 115-97) enacted on December 22, 2017, repealed the alternative minimum tax on corporations for tax years beginning after December 31, 2017. Accordingly, any discussion herein regarding corporate alternative minimum tax is applicable only to a corporation's tax years beginning before January 1, 2018. The Code contains requirements that must be satisfied subsequent to the issuance of the Bonds in order for interest on the Bonds to be or continue to be excludable from gross income for federal income tax purposes. Failure to comply with certain of those requirements could cause the interest on the Bonds to be included in gross income retroactively to the date of issuance of the Bonds. The Issuer has agreed to comply with all of those requirements. The opinion set forth in the first sentence of this paragraph is subject to the condition that the Issuer comply with those requirements. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

We express no opinion regarding the accuracy, adequacy, or completeness of the Official Statement or any other offering material relating to the Bonds. Further, we express no opinion regarding tax consequences arising with respect to the Bonds other than as expressly set forth herein.

The rights of the owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights and may be subject to the exercise of judicial discretion in accordance with general principles of equity, whether considered at law or in equity.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur.

QUARLES & BRADY LLP

BOOK-ENTRY-ONLY SYSTEM

1. The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]
2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.
4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]
6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.
10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.
11. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.
12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

APPENDIX D

FORM OF CONTINUING DISCLOSURE CERTIFICATE

(See following pages.)

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (the "Disclosure Certificate") is executed and delivered by the City of Fitchburg, Dane County, Wisconsin (the "Issuer") in connection with the issuance of \$7,745,000 General Obligation Corporate Purpose Bonds, Series 2018B, dated March 14, 2018 (the "Securities"). The Securities are being issued pursuant to resolutions adopted on January 9, 2018 and February 13, 2018 (collectively, the "Resolution") and delivered to _____ (the "Purchaser") on the date hereof. Pursuant to the Resolution, the Issuer has covenanted and agreed to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events. In addition, the Issuer hereby specifically covenants and agrees as follows:

Section 1(a). Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Issuer for the benefit of the holders of the Securities in order to assist the Participating Underwriters within the meaning of the Rule (defined herein) in complying with SEC Rule 15c2-12(b)(5). References in this Disclosure Certificate to holders of the Securities shall include the beneficial owners of the Securities. This Disclosure Certificate constitutes the written Undertaking required by the Rule.

Section 1(b). Filing Requirements. Any filing under this Disclosure Certificate must be made solely by transmitting such filing to the MSRB (defined herein) through the Electronic Municipal Market Access ("EMMA") System at www.emma.msrb.org in the format prescribed by the MSRB. All documents provided to the MSRB shall be accompanied by the identifying information prescribed by the MSRB.

Section 2. Definitions. In addition to the defined terms set forth in the Resolution, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"Annual Report" means any annual report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

"Audited Financial Statements" means the Issuer's annual financial statements, which are currently prepared in accordance with generally accepted accounting principles (GAAP) for governmental units as prescribed by the Governmental Accounting Standards Board (GASB) and which the Issuer intends to continue to prepare in substantially the same form.

"Final Official Statement" means the Final Official Statement dated February 14, 2018, delivered in connection with the Securities, which is available from the MSRB.

"Fiscal Year" means the fiscal year of the Issuer.

"Governing Body" means the Common Council of the Issuer or such other body as may hereafter be the chief legislative body of the Issuer.

"Issuer" means the City of Fitchburg, Wisconsin, which is the obligated person with respect to the Securities.

"Issuer Contact" means the City Clerk of the Issuer who can be contacted at 5520 Lacy Road, Fitchburg, Wisconsin 53711, phone (608) 270-4210, fax (608) 270-4212.

"Listed Event" means any of the events listed in Section 5(a) of this Disclosure Certificate.

"MSRB" means the Municipal Securities Rulemaking Board.

"Participating Underwriter" means any of the original underwriter(s) of the Securities (including the Purchaser) required to comply with the Rule in connection with the offering of the Securities.

"Rule" means SEC Rule 15c2-12(b)(5) promulgated by the SEC under the Securities Exchange Act of 1934, as the same may be amended from time to time, and official interpretations thereof.

"SEC" means the Securities and Exchange Commission.

Section 3. Provision of Annual Report and Audited Financial Statements.

(a) The Issuer shall, not later than 365 days after the end of the Fiscal Year, commencing with the year ended December 31, 2017, provide the MSRB with an Annual Report filed in accordance with Section 1(b) of this Disclosure Certificate and which is consistent with the requirements of Section 4 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided that the Audited Financial Statements of the Issuer may be submitted separately from the balance of the Annual Report and that, if Audited Financial Statements are not available within 365 days after the end of the Fiscal Year, unaudited financial information will be provided, and Audited Financial Statements will be submitted to the MSRB when and if available.

(b) If the Issuer is unable or fails to provide to the MSRB an Annual Report by the date required in subsection (a), the Issuer shall send in a timely manner a notice of that fact to the MSRB in the format prescribed by the MSRB, as described in Section 1(b) of this Disclosure Certificate.

Section 4. Content of Annual Report. The Issuer's Annual Report shall contain or incorporate by reference the Audited Financial Statements and updates of the following sections of the Final Official Statement to the extent such financial information and operating data are not included in the Audited Financial Statements:

1. DEBT - Direct Debt
2. DEBT - Debt Limit

3. VALUATIONS - Current Property Valuations
4. TAX LEVIES AND COLLECTIONS - Tax Levies and Collections

Any or all of the items listed above may be incorporated by reference from other documents, including official statements of debt issues of the Issuer or related public entities, which are available to the public on the MSRB's Internet website or filed with the SEC. The Issuer shall clearly identify each such other document so incorporated by reference.

Section 5. Reporting of Listed Events.

(a) This Section 5 shall govern the giving of notices of the occurrence of any of the following events with respect to the Securities:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Securities, or other material events affecting the tax status of the Securities;
7. Modification to rights of holders of the Securities, if material;
8. Securities calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution or sale of property securing repayment of the Securities, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Issuer;
13. The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For the purposes of the event identified in subsection (a)12. above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

(b) When a Listed Event occurs, the Issuer shall, in a timely manner not in excess of ten business days after the occurrence of the Listed Event, file a notice of such occurrence with the MSRB. Notwithstanding the foregoing, notice of Listed Events described in subsections (a) (8) and (9) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Securities pursuant to the Resolution.

(c) Unless otherwise required by law, the Issuer shall submit the information in the format prescribed by the MSRB, as described in Section 1(b) of this Disclosure Certificate.

Section 6. Termination of Reporting Obligation. The Issuer's obligations under the Resolution and this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all the Securities.

Section 7. Issuer Contact; Agent. Information may be obtained from the Issuer Contact. Additionally, the Issuer may, from time to time, appoint or engage a dissemination agent to assist it in carrying out its obligations under the Resolution and this Disclosure Certificate, and may discharge any such agent, with or without appointing a successor dissemination agent.

Section 8. Amendment; Waiver. Notwithstanding any other provision of the Resolution or this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, if the following conditions are met:

(a)(i) The amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Issuer, or the type of business conducted; or

(ii) This Disclosure Certificate, as amended or waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(b) The amendment or waiver does not materially impair the interests of beneficial owners of the Securities, as determined and certified to the Issuer by an underwriter, financial advisor, bond counsel or trustee.

In the event this Disclosure Certificate is amended for any reason other than to cure any ambiguities, inconsistencies, or typographical errors that may be contained herein, the Issuer agrees the next Annual Report it submits after such amendment shall include an explanation of the reasons for the amendment and the impact of the change, if any, on the type of financial statements or operating data being provided.

If the amendment concerns the accounting principles to be followed in preparing financial statements, then the Issuer agrees that it will give an event notice and that the next Annual Report it submits after such amendment will include a comparison between financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. (a) Except as described in the Final Official Statement, in the previous five years, the Issuer has not failed to comply in all material respects with any previous undertakings under the Rule to provide annual reports or notices of events.

(b) In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate any holder of the Securities may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under the Resolution and this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an event of default with respect to the Securities and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Participating Underwriters and holders from time to time of the Securities, and shall create no rights in any other person or entity.

IN WITNESS WHEREOF, we have executed this Certificate in our official capacities effective the 14th day of March, 2018.

Jason C. Gonzalez
Mayor

City Clerk

APPENDIX E

NOTICE OF SALE

\$7,745,000* GENERAL OBLIGATION CORPORATE PURPOSE BONDS, SERIES 2018B CITY OF FITCHBURG, WISCONSIN

Bids for the purchase of \$7,745,000* General Obligation Corporate Purpose Bonds, Series 2018B (the "Bonds") of the City of Fitchburg, Wisconsin (the "City") will be received at the offices of Ehlers & Associates, Inc. ("Ehlers"), 3060 Centre Pointe Drive, Roseville, Minnesota 55113-1105, Municipal Advisors to the City, until 11:00 A.M., Central Time, and **ELECTRONIC PROPOSALS** will be received via **PARITY**, in the manner described below, until 11:00 A.M. Central Time, on February 13, 2018, at which time they will be opened, read and tabulated. The bids will be presented to the Common Council for consideration for award by resolution at a meeting to be held at 7:30 P.M., Central Time, on the same date. The bid offering to purchase the Bonds upon the terms specified herein and most favorable to the City will be accepted unless all bids are rejected.

PURPOSE

The Bonds are being issued pursuant to Section 67.04, Wisconsin Statutes, for the public purposes of constructing an engine house for the fire department, and refunding certain obligations of the City. The Bonds are valid and binding general obligations of the City, and all the taxable property in the City is subject to the levy of a tax to pay the principal of and interest on the Bonds as they become due which tax may, under current law, be levied without limitation as to rate or amount.

DATES AND MATURITIES

The Bonds will be dated March 14, 2018, will be issued as fully registered Bonds in the denomination of \$5,000 each, or any integral multiple thereof, and will mature on March 1 as follows:

<u>Year</u>	<u>Amount*</u>	<u>Year</u>	<u>Amount*</u>	<u>Year</u>	<u>Amount*</u>
2019	\$400,000	2026	\$500,000	2033	\$240,000
2020	415,000	2027	515,000	2034	245,000
2021	425,000	2028	525,000	2035	255,000
2022	440,000	2029	540,000	2036	265,000
2023	450,000	2030	565,000	2037	270,000
2024	470,000	2031	225,000	2038	280,000
2025	490,000	2032	230,000		

ADJUSTMENT OPTION

* The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BOND OPTION

Bids for the Bonds may contain a maturity schedule providing for any combination of serial bonds and term bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above. All dates are inclusive.

INTEREST PAYMENT DATES AND RATES

Interest will be payable on March 1 and September 1 of each year, commencing September 1, 2018, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board. **The rate for any maturity may not be more than 2.00% less than the rate for any preceding maturity. (For example, if a rate of 4.50% is proposed for the 2019 maturity, then the lowest rate that may be proposed for any later maturity is 2.50%.)** All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

BOOK-ENTRY-ONLY FORMAT

Unless otherwise specified by the purchaser, the Bonds will be designated in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds, and will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of interests between its participants. The participants will be responsible for maintaining records regarding the beneficial interests of the individual purchasers of the Bonds. So long as Cede & Co. is the registered owner of the Bonds, all payments of principal and interest will be made to the depository which, in turn, will be obligated to remit such payments to its participants for subsequent disbursement to the beneficial owners of the Bonds.

OPTIONAL REDEMPTION

At the option of the City, the Bonds maturing on or after March 1, 2027 shall be subject to optional redemption prior to maturity on March 1, 2026 or on any date thereafter, at a price of par plus accrued interest.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the City. If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

DELIVERY

On or about March 14, 2018, the Bonds will be delivered without cost to the winning bidder at DTC. On the day of closing, the City will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Bonds is then pending or, to the best knowledge of officers of the City, threatened. Payment for the Bonds must be received by the City at its designated depository on the date of closing in immediately available funds.

LEGAL OPINION

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the City, and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding general obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding).

STATEMENT REGARDING BOND COUNSEL PARTICIPATION

Bond Counsel has not assumed responsibility for this Preliminary Official Statement or participated in its preparation (except with respect to the section entitled "TAX EXEMPTION" in the Preliminary Official Statement and the "FORM OF LEGAL OPINION" found in Appendix B).

SUBMISSION OF BIDS

Bids must not be for less than \$7,648,188 nor more than \$8,132,250 plus accrued interest on the principal sum of \$7,745,000 from date of original issue of the Bonds to date of delivery. Prior to the time established above for the opening of bids, interested parties may submit a bid as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Facsimile submission to Ehlers, Facsimile Number (651) 697-8555; or
- 3) Electronically via **PARITY** in accordance with this Notice of Sale until 11:00 A.M. Central Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about **PARITY**, potential bidders may contact Ehlers or i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Telephone (212) 849-5021.

Bids must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of bids. Each bid must be unconditional except as to legality. Neither the City nor Ehlers shall be responsible for any failure to receive a facsimile submission.

A good faith deposit ("Deposit") in the amount of \$154,900 shall be made by the winning bidder by wire transfer of funds to **KleinBank, 1550 Audubon Road, Chaska, Minnesota, ABA No. 091915654 for credit: Ehlers & Associates Good Faith Account No. 3208138**. Such Deposit shall be received by Ehlers no later than two hours after the bid opening time. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. The Deposit will be retained by the City as liquidated damages if the bid is accepted and the Purchaser fails to comply therewith.

The City and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the bid is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the bid is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

No bid can be withdrawn after the time set for receiving bids unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The City's computation of the interest rate of each bid, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The City reserves the right to reject any and all bids and to waive any informality in any bid.

BOND INSURANCE

If the Bonds are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the City requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any rating agency fees not requested by the City are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Bonds are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Bonds.

CUSIP NUMBERS

The City will assume no obligation for the assignment or printing of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will designate the Bonds as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

CONTINUING DISCLOSURE

In order to assist the underwriters in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, the City will enter into an undertaking for the benefit of the holders of the Bonds. A description of the details and terms of the undertaking is set forth in Appendix D of the Preliminary Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

(a) The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate satisfactory to Bond Counsel setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) The City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential investors;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in this bid.

(c) If all of the requirements of a "competitive sale" are not satisfied, the City shall advise the winning bidder of such fact prior to the time of award of the sale of the Bonds to the Underwriter. In such event, any bid submitted will not be subject to cancellation or withdrawal and the City agrees to use the rule selected by the Underwriter on its bid form to determine the issue price for the Bonds. On its bid form, each Underwriter must select one of the following two rules for determining the issue price of the Bonds: (1) the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity or (2) the initial offering price to the public as of the sale date as the issue price of each maturity of the Bonds (the "hold-the-offering-price rule").

(d) If all of the requirements of a "competitive sale" are not satisfied and the Underwriter selects the hold-the-offering-price rule, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The City acknowledges that in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(e) If all of the requirements of a "competitive sale" are not satisfied and the Underwriter selects the 10% test, the Underwriter agrees to promptly report to the City, Bond Counsel and Ehlers the prices at which the Bonds have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until the 10% test has been satisfied as to each maturity of the Bonds or until all of the Bonds of a certain maturity have been sold.

(f) By submitting a bid, each bidder confirms that (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(g) Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

- (iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "sale date" means the date that the Bonds are awarded by the City to the winning bidder.

PRELIMINARY OFFICIAL STATEMENT

Bidders may obtain a copy of the Preliminary Official Statement relating to the Bonds prior to the bid opening by request from Ehlers at www.ehlers-inc.com by connecting to the Bond Sales link. The Syndicate Manager will be provided with an electronic copy of the Final Official Statement within seven business days of the bid acceptance. Up to 10 printed copies of the Final Official Statement will be provided upon request. Additional copies of the Final Official Statement will be available at a cost of \$10.00 per copy.

Information for bidders and bid forms may be obtained from Ehlers at 3060 Centre Pointe Drive, Roseville, Minnesota 55113-1105, Telephone (651) 697-8500.

By Order of the Common Council

Misty Dodge, Finance Director/Treasurer
City of Fitchburg, Wisconsin

BID FORM

The Common Council
City of Fitchburg, Wisconsin

February 13, 2018

RE: \$7,745,000* General Obligation Corporate Purpose Bonds, Series 2018B
DATED: March 14, 2018

For all or none of the above Bonds, in accordance with the Notice of Sale and terms of the Global Book-Entry System (unless otherwise specified by the Purchaser) as stated in this Official Statement, we will pay you \$ _____ (not less than \$7,648,188 nor more than \$8,132,250) plus accrued interest to date of delivery for fully registered Bonds bearing interest rates and maturing in the stated years as follows:

_____	% due	2019	_____	% due	2026	_____	% due	2033
_____	% due	2020	_____	% due	2027	_____	% due	2034
_____	% due	2021	_____	% due	2028	_____	% due	2035
_____	% due	2022	_____	% due	2029	_____	% due	2036
_____	% due	2023	_____	% due	2030	_____	% due	2037
_____	% due	2024	_____	% due	2031	_____	% due	2038
_____	% due	2025	_____	% due	2032			

* The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

The rate for any maturity may not be more than 2.00% less than the rate for any preceding maturity. (For example, if a rate of 4.50% is proposed for the 2019 maturity, then the lowest rate that may be proposed for any later maturity is 2.50%.) All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

We enclose our Deposit in the amount of \$154,900, to be held by you pending delivery and payment. Alternatively, if we are the winning bidder, we will wire our Deposit to **KleinBank, 1550 Audubon Road, Chaska, Minnesota, ABA No. 091915654 for credit: Ehlers & Associates Good Faith Account No. 3208138.** Such Deposit shall be received by Ehlers & Associates no later than two hours after the bid opening time. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. If our bid is not accepted, said deposit shall be promptly returned to us. If the Deposit is wired to such escrow account, we agree to the conditions and duties of Ehlers & Associates, Inc., as escrow holder of the Deposit, pursuant to the Notice of Sale. This bid is for prompt acceptance and is conditional upon delivery of said Bonds to The Depository Trust Company, New York, New York, in accordance with the Notice of Sale. Delivery is anticipated to be on or about March 14, 2018.

This bid is subject to the City's agreement to enter into a written undertaking to provide continuing disclosure under Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 as described in the Preliminary Official Statement for this Issue.

We have received and reviewed the Official Statement and have submitted our requests for additional information or corrections to the Final Official Statement. As Syndicate Manager, we agree to provide the City with the reoffering price of the Bonds within 24 hours of the bid acceptance.

This bid is a firm offer for the purchase of the Bonds identified in the Notice of Sale, on the terms set forth in this bid form and the Notice of Sale, and is not subject to any conditions, except as permitted by the Notice of Sale.

By submitting this bid, we confirm that we are an Underwriter and have an established industry reputation for underwriting new issuances of municipal bonds. YES: ____ NO: ____.

If the competitive sale requirements are not met, we elect to use the (circle one): 10% test / hold-the-offering-price rule to determine the issue price of the Bonds.

Account Manager: _____ By: _____
Account Members: _____

Award will be on a true interest cost basis. According to our computations (the correct computation being controlling in the award), the total dollar interest cost (including any discount or less any premium) computed from March 14, 2018 of the above bid is \$ _____ and the true interest cost (TIC) is _____ %.

The foregoing offer is hereby accepted by and on behalf of the Common Council of the City of Fitchburg, Wisconsin, on February 13, 2018.
