

PRELIMINARY OFFICIAL STATEMENT DATED JANUARY 29, 2024

In the opinion of Griggs Law Office LLC, Bond Counsel, assuming continuing compliance with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), interest on the Bonds is excludable from gross income and is not an item of tax preference for federal income tax purposes; however, interest on the Bonds is taken into account in determining "adjusted financial statement income" for purposes of computing the federal alternative minimum tax imposed on Applicable Corporations (as defined in Section 59(k) of the Code) for taxable years beginning after December 31, 2022. See "TAX EXEMPTION" for a more detailed discussion of federal tax consequences of owning the Bonds. Interest on the Bonds is not exempt from present Wisconsin income taxes. The Bonds will be designated by the City as "Qualified Tax Exempt Obligations" for purposes of Section 265 of the Code.

The City will designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

New Issue

Rating Application Made: Moody's Investors Service, Inc.

CITY OF GREENFIELD, WISCONSIN (Milwaukee County)

\$4,085,000* GENERAL OBLIGATION CORPORATE PURPOSE BONDS, SERIES 2024B

BID OPENING: February 6, 2024, 10:00 A.M., C.T.

CONSIDERATION: February 6, 2024, 7:00 P.M., C.T.

PURPOSE/AUTHORITY/SECURITY: The \$4,085,000* General Obligation Corporate Purpose Bonds, Series 2024B (the "Bonds") are being issued pursuant to Section 67.04, Wisconsin Statutes, by the City of Greenfield, Wisconsin (the "City"), for the public purposes including financing street improvement projects, park projects and the purchase of a fire truck. The Bonds are general obligations of the City, and all the taxable property in the City is subject to the levy of a tax to pay the principal of and interest on the Bonds as they become due which tax may, under current law, be levied without limitation as to rate or amount. Delivery is subject to receipt of an approving legal opinion of Griggs Law Office LLC, Milwaukee, Wisconsin.

DATE OF BONDS: February 28, 2024

MATURITY: April 1 as follows:

<u>Year</u>	<u>Amount*</u>	<u>Year</u>	<u>Amount*</u>	<u>Year</u>	<u>Amount*</u>
2025	\$195,000	2030	\$290,000	2035	\$230,000
2026	240,000	2031	305,000	2036	245,000
2027	250,000	2032	325,000	2037	255,000
2028	265,000	2033	340,000	2038	270,000
2029	280,000	2034	355,000	2039	240,000

***MATURITY ADJUSTMENTS:** The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BONDS: See "Term Bond Option" herein.

INTEREST: April 1, 2025 and semiannually thereafter.

OPTIONAL REDEMPTION: Bonds maturing on April 1, 2034 and thereafter are subject to call for prior optional redemption on April 1, 2033 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

MINIMUM BID: \$4,033,937.50

MAXIMUM BID: \$4,411,800.

GOOD FAITH DEPOSIT: A good faith deposit in the amount of \$81,700 shall be made by the winning bidder by wire transfer of funds.

PAYING AGENT: The City may select City Officials or a bank or trust company to act as paying agent.

BOND COUNSEL: Griggs Law Office LLC.

MUNICIPAL ADVISOR: Ehlers and Associates, Inc.

BOOK-ENTRY-ONLY: See "Book-Entry-Only System" herein (unless otherwise specified by the purchaser).

This Preliminary Official Statement and the information contained herein are subject to completion and amendment. These securities may not be sold nor may offers to buy be accepted prior to the time the Official Statement is delivered in final form. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or the solicitation of an offer to buy these securities nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This Preliminary Official Statement is in a form deemed final as of its date for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a Final Official Statement.

REPRESENTATIONS

No dealer, broker, salesperson or other person has been authorized by the City to give any information or to make any representation other than those contained in this Preliminary Official Statement and, if given or made, such other information or representations must not be relied upon as having been authorized by the City. ***This Preliminary Official Statement does not constitute an offer to sell or a solicitation of an offer to buy any of the Bonds in any jurisdiction to any person to whom it is unlawful to make such an offer or solicitation in such jurisdiction.***

This Preliminary Official Statement is not to be construed as a contract with the Underwriter (Syndicate Manager). Statements contained herein which involve estimates or matters of opinion are intended solely as such and are not to be construed as representations of fact. Ehlers and Associates, Inc. prepared this Preliminary Official Statement and any addenda thereto relying on information of the City and other sources for which there is reasonable basis for believing the information is accurate and complete. Bond Counsel has not participated in the preparation of this Preliminary Official Statement and is not expressing any opinion as to the completeness or accuracy of the information contained therein. Compensation of Ehlers and Associates, Inc., payable entirely by the City, is contingent upon the delivery of the Bonds.

COMPLIANCE WITH S.E.C. RULE 15c2-12

Certain municipal obligations (issued in an aggregate amount over \$1,000,000) are subject to Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "Rule").

Preliminary Official Statement: This Preliminary Official Statement was prepared for the City for dissemination to potential investors. Its primary purpose is to disclose information regarding the Bonds to prospective underwriters in the interest of receiving competitive proposals in accordance with the sale notice contained herein. Unless an addendum is posted prior to the sale, this Preliminary Official Statement shall be deemed nearly final for purposes of the Rule subject to completion, revision and amendment in a Final Official Statement as defined below.

Review Period: This Preliminary Official Statement has been distributed to prospective bidders for review. Comments or requests for the correction of omissions or inaccuracies must be submitted to Ehlers and Associates, Inc. at least two business days prior to the sale. Requests for additional information or corrections in the Preliminary Official Statement received on or before this date will not be considered a qualification of a proposal received from an underwriter. If there are any changes, corrections or additions to the Preliminary Official Statement, interested bidders will be informed by an addendum prior to the sale.

Final Official Statement: Copies of the Final Official Statement will be delivered to the underwriter (Syndicate Manager) within seven business days following the proposal acceptance.

Continuing Disclosure: Subject to certain exemptions, issues in an aggregate amount over \$1,000,000 may be required to comply with provisions of the Rule which require that underwriters obtain from the issuers of municipal securities (or other obligated party) an agreement for the benefit of the owners of the securities to provide continuing disclosure with respect to those securities. This Preliminary Official Statement describes the conditions under which the City is required to comply with the Rule.

CLOSING CERTIFICATES

Upon delivery of the Bonds, the underwriter (Syndicate Manager) will be furnished with the following items: (1) a certificate of the appropriate officials to the effect that at the time of the sale of the Bonds and all times subsequent thereto up to and including the time of the delivery of the Bonds, this Preliminary Official Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (2) a receipt signed by the appropriate officer evidencing payment for the Bonds; (3) a certificate evidencing the due execution of the Bonds, including statements that (a) no litigation of any nature is pending, or to the knowledge of signers, threatened, restraining or enjoining the issuance and delivery of the Bonds, (b) neither the corporate existence or boundaries of the City nor the title of the signers to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Bonds have been repealed, revoked or rescinded; and (4) a certificate setting forth facts and expectations of the City which indicates that the City does not expect to use the proceeds of the Bonds in a manner that would cause them to be arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or within the meaning of applicable Treasury Regulations.

INTRODUCTORY STATEMENT

This Preliminary Official Statement contains certain information regarding the City of Greenfield, Wisconsin (the "City") and the issuance of its \$4,085,000* General Obligation Corporate Purpose Bonds, Series 2024B (the "Bonds"). Any descriptions or summaries of the Bonds, statutes, or documents included herein are not intended to be complete and are qualified in their entirety by reference to such statutes and documents and the form of the Bonds to be included in the resolution authorizing the issuance and sale of the Bonds ("Award Resolution") to be adopted by the Common Council on February 6, 2024.

Inquiries may be directed to Ehlers and Associates, Inc. ("Ehlers" or the "Municipal Advisor"), Waukesha, Wisconsin, (262) 785-1520, the City's municipal advisor. A copy of this Preliminary Official Statement may be downloaded from Ehlers' web site at www.ehlers-inc.com by connecting to the Bond Sales link and following the directions at the top of the site.

THE BONDS

GENERAL

The Bonds will be issued in fully registered form as to both principal and interest in denominations of \$5,000 each or any integral multiple thereof, and will be dated, as originally issued, as of February 28, 2024. The Bonds will mature on April 1 in the years and amounts set forth on the cover of this Preliminary Official Statement. Interest will be payable on April 1 and October 1 of each year, commencing April 1, 2025, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board ("MSRB"). All Bonds of the same maturity must bear interest from the date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

Unless otherwise specified by the purchaser, the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). (See "Book-Entry-Only System" herein.) As long as the Bonds are held under the book-entry system, beneficial ownership interests in the Bonds may be acquired in book-entry form only, and all payments of principal of, premium, if any, and interest on the Bonds shall be made through the facilities of DTC and its participants. If the book-entry system is terminated, principal of, premium, if any, and interest on the Bonds shall be payable as provided in the Award Resolution.

The City may select City officials or a bank or trust company to act as paying agent (the "Paying Agent"). If a bank or trust company is selected, the City will pay the charges for Paying Agent services. The City reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the City, the Bonds maturing on or after April 1, 2034 shall be subject to optional redemption prior to maturity on April 1, 2033 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

*Preliminary, subject to change.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the City. If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of redemption shall be sent by mail not more than 60 days and not less than 30 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

AUTHORITY; PURPOSE

The Bonds are being issued pursuant to Section 67.04, Wisconsin Statutes, by the City, for the public purposes, including financing street improvement projects, park projects and the purchase of a fire truck.

ESTIMATED SOURCES AND USES*

Sources		
Par Amount of Bonds	\$4,085,000	
Estimated Interest Earnings	<u>29,985</u>	
Total Sources		\$4,114,985

Estimated Underwriter's Discount	\$51,063	
Costs of Issuance	62,750	
Deposit to Project Construction Fund	3,998,000	
Rounding Amount	<u>3,173</u>	
Total Uses		\$4,114,985

*Preliminary, subject to change.

SECURITY

For the prompt payment of the Bonds with interest thereon and for the levy of taxes sufficient for this purpose, the full faith, credit and resources of the City will be irrevocably pledged. The City will levy a direct, annual, irrevocable tax on all taxable property in the City sufficient to pay the interest on the Bonds when it becomes due and also to pay and discharge the principal on the Bonds at maturity, in compliance with Article XI, Section 3 of the Wisconsin Constitution. Such tax may, under current law, be levied without limitation as to rate or amount.

CONCURRENT FINANCING

By means of a separate Preliminary Official Statement, the City will be offering for sale its Taxable Note Anticipation Note, Series 2024A (the "Concurrent Obligations" or the "Series 2024A Note"), which are scheduled to close on February 28, 2024.

RATING

General obligation debt of the City is currently rated "Aa2" by Moody's Investors Service, Inc. ("Moody's").

The City has requested a rating on the Bonds from Moody's Investors Service, Inc. ("Moody's"). Such rating reflects only the views of such organization and explanations of the significance of such rating may be obtained from Moody's furnishing the same.

Generally, a rating agency basis its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if in the judgement of such rating agency circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

Such rating is not to be construed as a recommendation of the rating agency to buy, sell or hold the Bonds, and the rating assigned by the rating agency should be evaluated independently. Except as may be required by the Disclosure Undertaking described under the heading "CONTINUING DISCLOSURE" neither the City nor the underwriter undertake responsibility to bring to the attention of the owner of the Bonds any proposed changes in or withdrawal of such rating or to oppose any such revision or withdrawal.

CONTINUING DISCLOSURE

In order to assist brokers, dealers, and municipal securities dealers, in connection with their participation in the offering of the Bonds, to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission, pursuant to the Securities and Exchange Act of 1934, as amended (the "Rule"), the City shall agree to provide certain information to the Municipal Securities Rulemaking Board (MSRB) through its Electronic Municipal Market Access (EMMA) system, or any system that may be prescribed in the future. The Rule was last amended, effective February 27, 2019, to include an expanded list of material events.

On the date of issue and delivery, the City shall execute and deliver a Continuing Disclosure Certificate, under which the City will covenant for the benefit of holders including beneficial holders, to provide electronically, or in a manner otherwise prescribed, certain financial information annually and to provide notices of the occurrence of certain events enumerated in the Rule (the "Disclosure Undertaking"). The details and terms of the Disclosure Undertaking for the City are set forth in Appendix D. Such Disclosure Undertaking will be in substantially the form attached hereto.

A failure by the City to comply with any Disclosure Undertaking will not constitute an event of default on the Bonds. However, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

In the previous five years, the City believes it has not failed to comply in all material respects with its prior undertakings under the Rule. The City has reviewed its continuing disclosure responsibilities along with any changes to the Rule, to ensure compliance. Ehlers is currently engaged as dissemination agent for the City.

LEGAL OPINION

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Griggs Law Office LLC, Bond Counsel to the City ("Bond Counsel"), and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding general obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding).

STATEMENT REGARDING COUNSEL PARTICIPATION

Bond Counsel has not assumed responsibility for the Preliminary Official Statement or participated in its preparation (except with respect to the section entitled "TAX EXEMPTION" in the Preliminary Official Statement and the "FORM OF LEGAL OPINION" found in Appendix B of the Preliminary Official Statement).

TAX EXEMPTION

Federal tax law contains a number of requirements and restrictions which apply to the Bonds, including investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of bond proceeds and the facilities financed therewith, and certain other matters. The City has covenanted to comply with all requirements that must be satisfied in order for the interest on the Bonds to be excludable from gross income for federal income tax purposes. Failure to comply with certain of such covenants could cause interest on the Bonds to become includable in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

Subject to the City's compliance with the above-referenced covenants, under present law, in the opinion of Griggs Law Office LLC, Milwaukee, Wisconsin, Bond Counsel, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes, is not included as an item of tax preference in computing the federal alternative minimum tax imposed on individuals; however, interest on the Bonds is taken into account in determining "adjusted financial statement income" for purposes of computing the federal alternative minimum tax imposed on Applicable Corporations (as defined in Section 59(k) of the Code) for taxable years beginning after December 31, 2022.

In rendering its opinion, Bond Counsel will rely upon certifications of the City with respect to certain material facts within the City's knowledge. Bond Counsel's opinion represents its legal judgment based upon its review of the law and the facts that it deems relevant to render such opinion and is not a guarantee of a result.

Ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, corporations subject to the branch profits tax, financial institutions, certain insurance companies, certain S corporations, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the Bonds should consult their tax advisors as to applicability of any such collateral consequences.

From time to time legislation is proposed, and there are or may be legislative proposals pending in the Congress of the United States that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether, or in what form, any proposal that could alter one or more of the federal tax matters referred to above or adversely affect the market value of the Bonds may be enacted. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

The interest on the Bonds is not excluded from income and therefore is not exempt from present Wisconsin income taxes.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The Bonds shall be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

MUNICIPAL ADVISOR

Ehlers has served as municipal advisor to the City in connection with the issuance of the Bonds. The Municipal Advisor cannot participate in the underwriting of the Bonds. The financial information included in this Preliminary Official Statement has been compiled by the Municipal Advisor. Such information does not purport to be a review, audit or certified forecast of future events and may not conform with accounting principles applicable to compilations of financial information. Ehlers is not a firm of certified public accountants. Ehlers is registered with the Securities and Exchange Commission and the MSRB as a municipal advisor. Ehlers makes no representation, warranty or guarantee regarding the accuracy or completeness of the information in this Preliminary Official Statement, and its assistance in preparing this Preliminary Official Statement should not be construed as a representation that it has independently verified such information.

MUNICIPAL ADVISOR AFFILIATED COMPANIES

Bond Trust Services Corporation ("BTSC") and Ehlers Investment Partners, LLC ("EIP") are affiliate companies of Ehlers. BTSC is chartered by the State of Minnesota and authorized in Minnesota, Wisconsin, Colorado, and Illinois to transact the business of a limited purpose trust company. BTSC provides paying agent services to debt issuers. EIP is a Registered Investment Advisor with the Securities and Exchange Commission. EIP assists issuers with the investment of bond proceeds or investing other issuer funds. This includes escrow bidding agent services. Issuers, such as the City, have retained or may retain BTSC and/or EIP to provide these services. If hired, BTSC and/or EIP would be retained by the City under an agreement separate from Ehlers.

INDEPENDENT AUDITORS

The basic financial statements of the City for the fiscal year ended December 31, 2022 have been audited by Baker Tilly US, LLP, Milwaukee, Wisconsin, independent auditors (the "Auditor"). The report of the Auditor, together with the basic financial statements, component units financial statements, and notes to the financial statements are attached hereto as "APPENDIX A – FINANCIAL STATEMENTS". The Auditor has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. The Auditor also has not performed any procedures relating to this Preliminary Official Statement.

RISK FACTORS

The following is a description of possible risks to holders of the Bonds without weighting as to probability. This description of risks is not intended to be all-inclusive, and there may be other risks not now perceived or listed here.

Taxes: The Bonds are general obligations of the City, the ultimate payment of which rests in the City's ability to levy and collect sufficient taxes to pay debt service. In the event of delayed billing, collection or distribution of property taxes, sufficient funds may not be available to the City in time to pay debt service when due.

State Actions: Many elements of local government finance, including the issuance of debt and the levy of property taxes, are controlled by state government. Future actions of the state may affect the overall financial condition of the City, the taxable value of property within the City, and the ability of the City to levy and collect property taxes.

Future Changes in Law: Various State and federal laws, regulations and constitutional provisions apply to the City and to the Bonds. The City can give no assurance that there will not be a change in or interpretation of any such applicable laws, regulations and provisions which would have a material effect on the City or the taxing authority of the City.

Ratings; Interest Rates: In the future, the City's credit rating may be reduced or withdrawn, or interest rates for this type of obligation may rise generally, either possibility resulting in a reduction in the value of the Bonds for resale prior to maturity.

Tax Exemption: If the federal government taxes all or a portion of the interest on municipal bonds or notes or if the State government increases its tax on interest on bonds and notes, directly or indirectly, or if there is a change in federal or state tax policy, then the value of these Bonds may fall for purposes of resale. Noncompliance by the City with the covenants in the Authorizing Resolution relating to certain continuing requirements of the Code may result in inclusion of interest to be paid on the Bonds in gross income of the recipient for United States income tax purposes, retroactive to the date of issuance.

Continuing Disclosure: A failure by the City to comply with the Disclosure Undertaking for continuing disclosure (see "CONTINUING DISCLOSURE") will not constitute an event of default on the Bonds. Any such failure must be reported in accordance with the Rule and must be considered by any broker, dealer, or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

Book-Entry-Only System: The timely credit of payments for principal and interest on the Bonds to the accounts of the Beneficial Owners of the Bonds may be delayed due to the customary practices, standing instructions or for other unknown reasons by DTC participants or indirect participants. Since the notice of redemption or other notices to holders of these obligations will be delivered by the City to DTC only, there may be a delay or failure by DTC, DTC participants or indirect participants to notify the Beneficial Owners of the Bonds.

Depository Risk: Wisconsin Statutes direct the local treasurer to immediately deposit upon receipt thereof, the funds of the municipality in a public depository designated by the governing body. A public depository means a federal or state credit union, federal or state savings and loan association, state bank, savings and trust company, mutual savings bank or national bank in Wisconsin or the local government pooled investment fund operated by the State Investment Board. It is not uncommon for a municipality to have deposits exceeding limits of federal and state insurance programs. Failure of a depository could result in loss of public funds or a delay in obtaining them. Such a loss or delay could interrupt a timely payment of municipal debt.

Economy: A combination of economic, climatic, political or civil disruptions or terrorist actions outside of the control of the City, including loss of major taxpayers or major employers, could affect the local economy and result in reduced tax collections and/or increased demands upon local government. Real or perceived threats to the financial stability of the City may have an adverse effect on the value of the Bonds in the secondary market.

Secondary Market for the Bonds: No assurance can be given that a secondary market will develop for the purchase and sale of the Bonds or, if a secondary market exists, that such Bonds can be sold for any particular price. The underwriters are not obligated to engage in secondary market trading or to repurchase any of the Bonds at the request of the owners thereof. Prices of the Bonds as traded in the secondary market are subject to adjustment upward and downward in response to changes in the credit markets and other prevailing circumstances. No guarantee exists as to the future market value of the Bonds. Such market value could be substantially different from the original purchase price.

Bankruptcy: The rights and remedies of the holders may be limited by and are subject to the provisions of federal bankruptcy laws, to other laws, or equitable principles that may affect the enforcement of creditors' rights, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against local governments. The opinion of Bond Counsel to be delivered with respect to the Bonds will be similarly qualified. See "MUNICIPAL BANKRUPTCY" herein.

Cybersecurity: The City is dependent on electronic information technology systems to deliver services. These systems may contain sensitive information or support critical operational functions which may have value for unauthorized purposes. As a result, the electronic systems and networks may be targets of cyberattack. There can be no assurance that the City will not experience an information technology breach or attack with financial consequences that could have a material adverse impact.

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

VALUATIONS

WISCONSIN PROPERTY VALUATIONS; PROPERTY TAXES

Equalized Value

Section 70.57, Wisconsin Statutes, requires the Department of Revenue to annually determine the equalized value (also referred to as full equalized value or aggregate full value) of all taxable property in each county and taxation district. The equalized value is an independent estimate of value used to equate individual local assessment policies so that property taxes are uniform throughout the various subdivisions in the State. Equalized value is calculated based on the history of comparable sales and information about value changes or taxing status provided by the local assessor. A comparison of the State-determined equalized value and the local assessed value, expressed as a percentage, is known as the assessment ratio or level of assessment. The Department of Revenue notifies each county and taxing jurisdiction of its equalized value on August 15; school districts are notified on October 1. The equalized value of each county is the sum of the valuations of all cities, villages, and towns within its boundaries. Taxing jurisdictions lying in more than one municipality, such as counties, school districts, or special taxing districts, use the equalized value of the underlying units in calculating and levying their respective levies. Equalized values are also used to apportion state aids and calculate municipal general obligation debt limits.

Assessed Value

The "assessed value" of taxable property in a municipality is determined by the local assessor, except for manufacturing properties which are valued by the State. Each city, village or town retains its own local assessor, who must be certified by the State Department of Revenue. Assessed value is used by these municipalities to determine tax levy mill rates and to apportion levies among individual property owners. Each taxing district must assess property at full value at least once in every five-year period. The State requires that the assessed values must be within 10% of State equalized values at least once every four years. The local assessor values property as of January 1 each year and submits those values to each municipality by the second Monday in June. The assessor also reports any value changes taking place since the previous year, to the Department of Revenue, by the second Monday in June.

CURRENT PROPERTY VALUATIONS

2023 Equalized Value	\$4,375,078,300
2023 Equalized Value Reduced by Tax Increment Valuation	\$4,075,967,800
2023 Assessed Value	\$4,352,493,800

2023 EQUALIZED VALUE BY CLASSIFICATION

	2023 Equalized Value¹	Percent of Total Equalized Value
Residential	\$2,998,302,500	68.531%
Commercial	1,318,018,800	30.126%

DEBT

DIRECT DEBT¹

General Obligation Debt (see schedules following)

Total General Obligation Debt (includes the Bonds)	<u>\$94,126,341</u>
--	---------------------

Other Obligations

Issue Date	Original Amount	Name of Issue	Final Maturity	Amount Outstanding
2/28/24	\$11,340,000*	Series 2024A NAN	02/01/2029	\$11,340,000*

DEBT PAYMENT HISTORY

The City has no record of default in the payment of principal and interest on its debt.

FUTURE FINANCING

Concurrently with the Bonds, the City plans to issue a \$11,340,000* Taxable Note Anticipation Note, Series 2024A (the "Concurrent Obligations" or the "Series 2024A NAN"). Aside from the preceding, the City has no current plans for additional financing in the next 12 months.

DEBT LIMIT

The constitutional and statutory general obligation debt limit for Wisconsin municipalities, including towns, cities, villages, and counties (Article XI, Section 3 of the Wisconsin Constitution and Section 67.03, Wisconsin Statutes) is 5% of the current equalized value.

Equalized Value	\$4,375,078,300
Multiply by 5%	<u>0.05</u>
Statutory Debt Limit	\$218,753,915
Less: General Obligation Debt*	<u>(94,126,341)</u>
Unused Debt Limit	<u>\$124,627,574</u>

*Preliminary, subject to change.

¹ Outstanding debt is as of the dated date of the Bonds.

¹ Overlapping debt is as of the dated date of the Bonds. Only those taxing jurisdictions with general obligation debt outstanding are included in this section.

² Includes tax increment valuation.

³ Outstanding debt based on information obtained on EMMA and the Municipal Advisor's records.

⁴ Estimated 2023 population.

TAX LEVIES AND COLLECTIONS

TAX LEVIES AND COLLECTIONS

Tax Year	Levy for City Purposes Only	% Collected	Levy/Equalized Value Reduced by Tax Increment Valuation in Dollars per \$1,000
2019/20	\$26,563,943	100%	\$8.61
2020/21	27,411,955	100%	8.41
2021/22	27,727,983	100%	8.27
2022/23	28,440,730	100%	7.66
2023/24	28,807,908	In Process	7.07

Property tax statements are distributed to taxpayers by the town, village, and city treasurers in December of the levy year. Current state law requires counties to pay 100% of the real property taxes levied to cities, villages, towns, school districts and other taxing entities on or about August 20 of the collection year.

Personal property taxes, special assessments, special charges and special taxes must be paid to the town, city or village treasurer in full by January 31, unless the municipality, by ordinance, permits special assessments to be paid in installments. Real property taxes must be paid in full by January 31 or in two equal installments by January 31 and July 31. Alternatively, municipalities may adopt a payment plan which permits real property taxes to be paid in three or more equal installments, provided that the first installment is paid by January 31, one-half of the taxes are paid by April 30 and the remainder is paid by July 31. Amounts paid on or before January 31 are paid to the town, city or village treasurer. Amounts paid after January 31, are paid to the county treasurer unless the municipality has authorized payment in three or more installments in which case payment is made to the town, city or village treasurer. On or before January 15 and February 20 the town, city or village treasurer settles with other taxing jurisdictions for all collections through December and January, respectively. In municipalities which have authorized the payment of real property taxes in three or more installments, the town, city or village treasurer settles with the other taxing jurisdictions on January 15, February 20 and on the fifteenth day of each month following the month in which an installment payment is required. On or before August 20, the county treasurer must settle in full with the underlying taxing districts for all real property taxes and special taxes. Any county board may authorize its county treasurer to also settle in full with the underlying taxing districts for all special assessments and special charges. The county may then recover any tax delinquencies by enforcing the lien on the property and retain any penalties or interest on the delinquencies for which it has settled. Uncollected personal property taxes owed by an entity that has ceased operations or filed a petition for bankruptcy, or are due on personal property that has been removed from the next assessment roll are collected from each taxing entity in the year following the levy year. The personal property tax has been repealed, starting with the property tax assessments as of January 1, 2024. Beginning in 2025, the personal property tax has been replaced with a payment from the State intended to replace the amount of property taxes imposed on personal property for the property tax assessments as of January 1, 2023.

PROPERTY TAX RATES

Full value rates for property taxes expressed in dollars per \$1,000 of equalized value (excluding tax increment valuation) that have been collected in recent years have been as follows:

Year Levied/ Year Collected	Schools ¹	County	Local	Other ²	Total
2019/20	\$10.54	\$4.79	\$8.61	\$1.65	\$25.59
2020/21	9.98	4.61	8.41	1.58	24.58
2021/22	9.64	4.29	8.27	1.49	23.69
2022/23	9.14	3.84	7.66	1.36	22.00
2023/24	8.33	3.28	7.07	1.28	19.96

Source: Property Tax Rates were extracted from Statement of Taxes prepared by the Wisconsin Department of Revenue, Division of State and Local Finance.

LEVY LIMITS

Section 66.0602 of the Wisconsin Statutes, imposes a limit on property tax levies by cities, villages, towns and counties. No city, village, town or county is permitted to increase its tax levy by a percentage that exceeds its valuation factor (which is defined as a percentage equal to the greater of either the percentage change in the political subdivision's January 1 equalized value due to new construction less improvements removed between the previous year and the current or zero percent; for a tax incremental district created after December 31, 2024, the valuation factor includes 90% of the equalized value increase due to new construction that is located in a tax incremental district, but does not include any improvements removed in a tax incremental district). The base amount in any year to which the levy limit applies is the actual levy for the immediately preceding year. In 2018, and in each year thereafter, the base amount is the actual levy for the immediately preceding year plus the amount of the payment from the State under Section 79.096 of the Wisconsin Statutes (an amount equal to the property taxes formerly levied on certain items of personal property), and the levy limit is the base amount multiplied by the valuation factor, minus the amount of the payment from the State under Section 79.096 of the Wisconsin Statutes. This levy limitation is an overall limit, applying to levies for operations as well as for other purposes.

A political subdivision that did not levy its full allowable levy in the prior year can carry forward the difference between the allowable levy and the actual levy, up to a maximum of 1.5% of the prior year's actual levy. The use of the carry forward levy adjustment needs to be approved by a majority vote of the political subdivision's governing body (except in the case of towns) if the amount of carry forward levy adjustment is less than or equal to 0.5% and by a super majority vote of the political subdivision's governing body (three-quarters vote if the governing body is comprised of five or more members, two-thirds vote if the governing body is comprised of fewer than five members) (except in the case of towns) if the amount of the carry forward levy adjustment is greater than 0.5% up to the maximum increase of 1.5%. For towns, the use of the carry forward levy adjustment needs to be approved by a majority vote of the annual town meeting or special town meeting after the town board has adopted a resolution in favor of the adjustment by a majority vote if the amount of carry forward levy adjustment is less than or equal to 0.5% or by two-thirds vote or more if the amount of carry forward levy adjustment is greater than 0.5% up to the maximum of 1.5%.

¹ The Schools tax rate reflects the composite rate of all local school districts and technical college district.

² Includes taxes levied for special purpose districts such as metropolitan sewerage districts, sanitary districts, and public inland lake protection districts. Tax increment values are not included.

Beginning with levies imposed in 2015, if a political subdivision does not make an adjustment in its levy as described in the above paragraph in the current year, the political subdivision may increase its levy by the aggregate amount of the differences between the political subdivision's valuation factor in the previous year and the actual percent increase in a political subdivision's levy attributable to the political subdivision's valuation factor in the previous year, for the five years before the current year, less any amount of such aggregate amount already claimed as an adjustment in any of the previous five years. The calculation of the aggregate amount available for such adjustment may not include any year before 2014, and the maximum adjustment allowed may not exceed 5%. The use of the adjustment described in this paragraph requires approval by a two-thirds vote of the political subdivision's governing body, and the adjustment may only be used if the political subdivision's level of outstanding general obligation debt in the current year is less than or equal to the political subdivision's level of outstanding general obligation debt in the previous year.

Special provisions are made with respect to property taxes levied to pay general obligation debt service. Those are described below. In addition, the statute provides for certain other adjustments to and exclusions from the tax levy limit. Among the exclusions, Section 66.0602(3)(e)5. of the Wisconsin Statutes provides that the levy limit does not apply to "the amount that a political subdivision levies in that year to make up any revenue shortfall for the debt service on a revenue bond issued under Section 66.0621 by that political subdivision." Recent positions taken by the Wisconsin Department of Revenue ("DOR") call into question the availability of this exception if the revenue shortfall is planned or ongoing. To date, such DOR positions have not been expressed formally in a declaratory ruling under Section 227.41(5)(a) of the Wisconsin Statutes, nor have they been the subject of any court challenge or resulting court ruling.

With respect to general obligation debt service, the following provisions are made:

(a) If a political subdivision's levy for the payment of general obligation debt service, including debt service on debt issued or reissued to fund or refund outstanding obligations of the political subdivision and interest on outstanding obligations of the political subdivision, on debt originally issued before July 1, 2005, is less in the current year than in the previous year, the political subdivision is required to reduce its levy limit in the current year by the amount of the difference between the previous year's levy and the current year's levy.

(b) For obligations authorized before July 1, 2005, if the amount of debt service in the preceding year is less than the amount of debt service needed in the current year, the levy limit is increased by the difference between the two amounts. This adjustment is based on scheduled debt service rather than the amount actually levied for debt service (after taking into account offsetting revenues such as sales tax revenues, special assessments, utility revenues, tax increment revenues or surplus funds). Therefore, the levy limit could negatively impact political subdivisions that experience a reduction in offsetting revenues.

(c) The levy limits do not apply to property taxes levied to pay debt service on general obligation debt authorized on or after July 1, 2005.

The Bonds will be authorized after July 1, 2005 and taxes levied to pay debt service on the Bonds will NOT be subject to levy limits.

REVENUE FROM THE STATE

In addition to local property taxes described above, a number of state programs exist which provide revenue to the City. One such program is commonly known as shared revenue which, pursuant to sec. 79.036, Wis. Stats., provides funding to the City that can be used for any public purpose. 2023 Wisconsin Act 12 ("Act 12") created a supplement to shared revenue, with payments to the City beginning in 2024. This supplemental shared revenue may be used only for the purposes specified in section 79.037, Wis. Stats. In 2024, the City is expected to receive approximately \$1,793,487 in shared revenue and supplemental shared revenue from the State, an increase from the approximately \$894,158 received in 2023. In future years, the amount of supplemental shared revenue could grow if State sales tax collections grow.

THE ISSUER

CITY GOVERNMENT

The City was incorporated in 1957 and is governed by a Mayor and a five-member Common Council. The Mayor is elected to a four-year term year term and all Council Members are elected to staggered three-year terms. The appointed City Clerk and Finance Director are responsible for administrative details and financial records.

EMPLOYEES; PENSIONS

The City employs a staff of 211 full-time, 29 part-time, and 116 seasonal employees. All eligible employees in the City are covered under the Wisconsin Retirement System ("WRS") established under Chapter 40 of the Wisconsin Statutes ("Chapter 40"). The WRS is a cost-sharing multiple-employer defined benefit pension plan. The Department of Employee Trust Funds ("ETF") administers the WRS. Required contributions to the WRS are determined by the ETF Board pursuant to an annual actuarial valuation in accordance with Chapter 40 and the ETF's funding policies. The ETF Board has stated that its funding policy is to (i) ensure funds are adequate to pay benefits; (ii) maintain stable and predictable contribution rates for employers and employees; and (iii) maintain inter-generational equity to ensure the cost of the benefits is paid for by the generation that receives the benefits.

City employees are generally required to contribute half of the actuarially determined contributions, and the City generally may not pay the employees' required contribution. During the fiscal year ended December 31, 2020 ("Fiscal Year 2020"), the fiscal year ended December 31, 2021 ("Fiscal Year 2021") and the fiscal year ended December 31, 2022 ("Fiscal Year 2022"), the City's portion of contributions to WRS (not including any employee contributions) totaled \$1,690,404, \$1,742,498 and \$1,688,070, respectively.

Governmental Accounting Standards Board Statement No. 68 ("GASB 68") requires calculation of a net pension liability for the pension plan. The net pension liability is calculated as the difference between the pension plan's total pension liability and the pension plan's fiduciary net position. The pension plan's total pension liability is the present value of the amounts needed to pay pension benefits earned by each participant in the pension plan based on the service provided as of the date of the actuarial valuation. In other words, it is a measure of the present value of benefits owed as of a particular date based on what has been earned only up to that date, without taking into account any benefits earned after that date. The pension plan's fiduciary net position is the market value of plan assets formally set aside in a trust and restricted to paying pension plan benefits. If the pension plan's total pension liability exceeds the pension plan's fiduciary net position, then a net pension liability results. If the pension plan's fiduciary net position exceeds the pension plan's total pension liability, then a net pension asset results.

As of December 31, 2021, the total pension liability of the WRS was calculated as \$133.79 billion and the fiduciary net position of the WRS was calculated as \$141.85 billion, resulting in a net pension asset of \$8.06 billion. As of

December 31, 2022, the total pension liability of the WRS was calculated as \$123.7 billion and the fiduciary net position of the WRS was calculated as \$118.4 billion, resulting in a net pension liability of \$5.3 billion. Accordingly, the City will report a liability for its proportionate share of the net pension liability of the WRS in its audited financial statements for the year ended December 31, 2023.

Under GASB 68, each participating employer in a cost-sharing pension plan must report the employer's proportionate share of the net pension liability or net pension asset of the pension plan. Accordingly, for Fiscal Year 2022, the City reported an asset of \$12,000,072 for its proportionate share of the net pension asset of the WRS. The net pension asset was measured as of December 31, 2021 based on the City's share of contributions to the pension plan relative to the contributions of all participating employers. The City's proportion was 0.14888088% of the aggregate WRS net pension asset as of December 31, 2021.

The calculation of the total pension asset and fiduciary net position are subject to a number of actuarial assumptions, which may change in future actuarial valuations. Such changes may have a significant impact on the calculation of net pension asset of the WRS, which may also cause the ETF Board to change the contribution requirements for employers and employees. For more detailed information regarding the WRS and such actuarial assumptions, see "APPENDIX A - FINANCIAL STATEMENTS" attached hereto.

Recognized and Certified Bargaining Units

All eligible City personnel are covered by the Municipal Employment Relations Act ("MERA") of the Wisconsin Statutes. Pursuant to that law, employees have rights to organize and collectively bargain with municipal employers. MERA was amended by 2011 Wisconsin Act 10 (the "Act") and by 2011 Wisconsin Act 32, which altered the collective bargaining rights of public employees in Wisconsin.

As a result of the 2011 amendments to MERA, the City is prohibited from bargaining collectively with municipal employees, other than public safety and transit employees, with respect to any factor or condition of employment except total base wages. Even then, the City is limited to increasing total base wages beyond any increase in the consumer price index since 180 days before the expiration of the previous collective bargaining agreement (unless City were to seek approval for a higher increase through a referendum). Ultimately, the City can unilaterally implement the wages for a collective bargaining unit.

Under the changes to MERA, impasse resolution procedures were removed from the law for municipal employees of the type employed by the City, including binding interest arbitration. Strikes by any municipal employee or labor organization are expressly prohibited. As a practical matter, it is anticipated that strikes will be rare. Furthermore, if strikes do occur, they may be enjoined by the courts. Additionally, because the only legal subject of bargaining is the base wage rates, all bargaining over items such as just cause, benefits, and terms of conditions of employment are prohibited and cannot be included in a collective bargaining agreement. Impasse resolution for public safety employees and transit employees is subject to final and binding arbitration procedures, which do not include a right to strike. Interest arbitration is available for transit employees if certain conditions are met.

The following bargaining units represent employees of the City:

Bargaining Unit	Expiration Date of Current Contract
International Assn of Firefighters AFL-CIO Local 1963	December 31, 2024
Greenfield Police Association	December 31, 2024
Sergeants - Police Department	December 31, 2024

OTHER POST EMPLOYMENT BENEFITS

The City operates a single-employer retiree benefit plan that provides post-employment health insurance benefits to eligible employees and their spouses. There are 208 active members and 66 retired members in the plan. Benefits and eligibility are established and amended by the governing body. The plan does not issue stand-alone financial statements.

OPEB calculations are required to be updated every two years. Prior to June 15, 2017, OPEB calculations were required to be prepared in accordance with Statement No. 45 of the Governmental Accounting Standards Board ("GASB 45") regarding retiree health and life insurance benefits, and related standards. For fiscal years beginning after June 15, 2017, OPEB calculations are required to be prepared in accordance with Statements No. 74 and No. 75 of the Governmental Accounting Standards Board ("GASB 74/75"). A revised draft actuarial study for the plan prepared in accordance with GASB 74/75 was most recently completed by Key Benefit Concepts, LLC in September 2023, with an actuarial valuation date of December 31, 2022.

For Fiscal Year 2022, benefit payments were \$1,452,538. The City's current funding practice is to fully fund the yearly cost of benefits on a "pay-as-you-go" basis.

Under GASB 74/75, a net OPEB liability is calculated as the difference between the plan's total OPEB liability and the plan's fiduciary net position, which terms have similar meanings as under GASB 68 for pension plans.

As of December 31, 2022, the total OPEB liability of the plan was \$26,127,512, and the plan fiduciary net position was \$0, resulting in a net OPEB liability of \$26,127,512. The City's current funding practice is to fully fund the yearly costs of benefits to be paid on a "pay-as-you-go" basis.

The calculation of the total OPEB liability and fiduciary net position are subject to a number of actuarial assumptions, which may change in future actuarial calculations. For more detailed information regarding the City's OPEB plan, see Note V.D. in "APPENDIX A - FINANCIAL STATEMENTS" attached hereto.

The City also provides additional OPEB through the Local Retiree Life Insurance Fund ("LRLIF"), which is a cost-sharing multiple-employer defined benefit plan established by Chapter 40. The ETF and the Group Insurance Board have statutory authority for program administration and oversight, including establishing contribution requirements for employers.

City provides OPEB through the LRLIF, which is a cost-sharing multiple-employer defined benefit plan established by Chapter 40. The ETF and the Group Insurance Board have statutory authority for program administration and oversight, including establishing contribution requirements for employers.

For Fiscal Year 2022, the City's portion of contributions to the LRLIF totaled \$5,168. For Fiscal Year 2022, the City reported a liability of \$1,492,357 for its proportionate share of the net OPEB liability of the LRLIF. The net OPEB liability was measured as of December 31, 2021 based on the City's share of contributions to the LRLIF relative to the contributions of all participating employers. The City's proportion was 0.25249800% of the aggregate LRLIF net OPEB liability as of December 31, 2021.

The calculation of the total OPEB liability and fiduciary net position are subject to a number of actuarial assumptions, which may change in future actuarial valuations. Such changes may have a significant impact on the calculation of the net OPEB liability of the LRLIF, which may also cause ETF to change the contribution requirements for employers and employees. For more detailed information regarding the LRLIF and such actuarial assumptions, see Note V.D. in the audited financial statements for the year ended December 31, 2022 attached hereto.

LITIGATION

There is no litigation threatened or pending questioning the organization or boundaries of the City or the right of any of its officers to their respective offices or in any manner questioning their rights and power to execute and deliver the Bonds or otherwise questioning the validity of the Bonds.

MUNICIPAL BANKRUPTCY

Municipalities are prohibited from filing for bankruptcy under Chapter 11 (reorganization) or Chapter 7 (liquidation) of the U.S. Bankruptcy Code (11 U.S.C. §§ 101-1532) (the "Bankruptcy Code"). Instead, the Bankruptcy Code permits municipalities to file a petition under Chapter 9 of the Bankruptcy Code, but only if certain requirements are met. These requirements include that the municipality must be "specifically authorized" under State law to file for relief under Chapter 9. For these purposes, "State law" may include, without limitation, statutes of general applicability enacted by the State legislature, special legislation applicable to a particular municipality, and/or executive orders issued by an appropriate officer of the State's executive branch.

As of the date hereof, Wisconsin law contains no express authority for municipalities to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code.

Nevertheless, there can be no assurance (a) that State law will not change in the future, while the Bonds are outstanding, in a way that would allow the City to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code; or (b) even absent such a change in State law, that an executive order or other executive action could not effectively authorize the City to file for relief under Chapter 9. If, in the future, the City were to file a bankruptcy case under Chapter 9, the relevant bankruptcy court would need to consider whether the City could properly do so, which would involve questions regarding State law authority as well as other questions such as whether the City is a municipality for bankruptcy purposes. If the relevant bankruptcy court concluded that the City could properly file a bankruptcy case, and that determination was not reversed, vacated, or otherwise substantially altered on appeal, then the rights of holders of the Bonds could be modified in bankruptcy proceedings. Such modifications could be adverse to holders of the Bonds, and there could ultimately be no assurance that holders of the Bonds would be paid in full or in part on the Bonds. Further, under such circumstances, there could be no assurance that the Bonds would not be treated as general, unsecured debt by a bankruptcy court, meaning that claims of holders of the Bonds could be viewed as having no priority (a) over claims of other creditors of the City; (b) to any particular assets of the City, or (c) to revenues otherwise designated for payment to holders of the Bonds.

Moreover, if the City were determined not to be a "municipality" for the purposes of the Bankruptcy Code, no representations can be made regarding whether it would still be eligible for voluntary or involuntary relief under Chapters of the Bankruptcy Code other than Chapter 9 or under similar federal or state law or equitable proceeding regarding insolvency or providing for protection from creditors. In any such case, there can be no assurance that the consequences described above for the holders of the Bonds would not occur.

APPENDIX A

FINANCIAL STATEMENTS

Potential purchasers should read the included financial statements in their entirety for more complete information concerning the City's financial position. Such financial statements have been audited by the Auditor, to the extent and for the periods indicated thereon. The City has not requested or engaged the Auditor to perform, and the Auditor has not performed, any additional examination, assessments, procedures or evaluation with respect to such financial statements since the date thereof or with respect to this Preliminary Official Statement, nor has the City requested that the Auditor consent to the use of such financial statements in this Preliminary Official Statement. Although the inclusion of the financial statements in this Preliminary Official Statement is not intended to demonstrate the fiscal condition of the City since the date of the financial statements, in connection with the issuance of the Bonds, the City represents that there have been no material adverse change in the financial position or results of operations of the City, nor has the City incurred any material liabilities, which would make such financial statements misleading.

Copies of the complete audited financial statements for the past three years and the current budget are available upon request from Ehlers.

Independent Auditors' Report

To the City Council of
City of Greenfield

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Greenfield (the City), as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Greenfield, Wisconsin, as of December 31, 2022 and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (GAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1, the City adopted the provisions of GASB Statement No. 87, *Leases*, effective January 1, 2022. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and GAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and GAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2023, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

City of Greenfield

Management's Discussion and Analysis
Year Ended December 31, 2022

This section of the City of Greenfield's annual financial report presents our discussion and analysis of the City's financial performance for the year ended December 31, 2022. Please read it in conjunction with the City's financial statements, which follow this section.

Financial Highlights

The assets and deferred outflows of the City of Greenfield exceeded its liabilities and deferred inflows as of December 31, 2022 by approximately \$57.7 million.

The City's total net position for 2022 increased by approximately \$6.5 million.

The City's total revenues for governmental activities increased approximately \$1.3 million compared to the prior year with increases in charges for services, operating grants and contributions, property taxes, intergovernmental revenue, and miscellaneous revenue, offset with decreases in capital grants and contributions and investment income. Total expenses for 2022 were approximately \$14.6 million lower than 2021, with decreases in general government, public works, culture, recreation and education, and conservation and development, offset by increases in public safety, health and human services, and interest and fiscal charges.

In 2022, the City issued General Obligation debt of \$4,680,000 for road projects, park improvements and public ground trails.

For the business-type activities, the City had an operating income of approximately \$179,000 compared to an operating income of approximately \$494,000 in 2021. Total revenues were approximately \$118,000 more than in 2021 due to an increase in operating revenue for both the sanitary sewer and the refuse recycling fund, along with an increase in capital contributions, offset by a decrease in grants. Expenses were approximately \$498,000 higher compared to 2021 due to an increase in operating expense for both the sanitary sewer and the refuse recycling fund, along with an increase in investment loss and a loss on the disposal of fixed assets.

Overview of the Financial Statements

This annual report consists of a series of financial statements. The City of Greenfield's basic financial statements comprise of three components: 1) government-wide financial statements; 2) governmental funds financial statements; and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the City of Greenfield's finances in a manner similar to a private sector business.

The *statement of net position* presents information on all of the City of Greenfield's assets/deferred outflows and liabilities/deferred inflows with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Greenfield is improving or deteriorating.

The *statement of activities* provides information showing how the City's net position changed during the recent fiscal year. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash was received or paid.

City of Greenfield

Management's Discussion and Analysis
Year Ended December 31, 2022

Both of the government-wide financial statements distinguish functions of the City of Greenfield that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of costs through user fees and other charges (*business-type activities*). The governmental activities of the City of Greenfield include general government, public safety, public works, health and human services, culture, recreation and education, and planning, conservation and development. The business activities of the City of Greenfield include the sanitary sewer and refuse and recycling funds.

Fund Financial Statements

The fund financial statements provide more detailed information about the City's most significant funds. Funds are accounting devices that the City uses to keep track of specific sources of funding and spending for particular purposes. The City has three kinds of funds, namely, governmental, proprietary and fiduciary.

Governmental Funds - Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on balances of spendable resources available at the end of the fiscal year. This information may be useful in evaluating the City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare information presented for the *governmental funds* with similar information presented for governmental activities in the government-wide financial statements. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate the comparison between *governmental funds* and *governmental activities*.

The City of Greenfield maintains twenty-four individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General, Debt Service, Capital Improvements, Capital Equipment, Special Assessment, and Tax Increment Districts Funds, all of which are considered to be major funds. Data from the other funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of *combining statements* elsewhere in this report.

Proprietary Funds - Services for which the City charges customers a fee are generally reported in proprietary funds. Proprietary funds are used to report the same activities presented as *business-type activities* in the government-wide statements. The City of Greenfield currently has two proprietary funds, Sanitary Sewer Service and the Refuse and Recycling.

Fiduciary Funds - Fiduciary funds are used to account for resources held for the benefit of other parties. Fiduciary funds are not reflected in the government-wide financial statements since the resources of these funds are not available to finance any City operations. All of the City's fiduciary activities are reported in a separate financial statement included in the report.

Notes to the Financial Statements - The notes provide additional information that is essential to the full understanding of the data provided in the government-wide and fund financial statements.

Other Information - In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information plus supplementary information that contains budgetary comparison statements for all funds.

City of Greenfield

Management's Discussion and Analysis
Year Ended December 31, 2022

Government-Wide Financial Analysis

The City's combined net position increased approximately \$6.2 million from 2021.

Long-term liabilities	\$ 115,160,336	\$ 115,406,701	\$ 538,880	\$ 853,122	\$ 115,699,216	\$ 116,259,823
Other liabilities	15,493,259	13,091,892	814,499	520,750	16,307,758	13,612,642
Total liabilities	130,653,595	128,498,593	1,353,379	1,373,872	132,006,974	129,872,465
Deferred inflows of resources	66,623,853	54,797,528	2,652,674	2,432,462	69,276,527	57,229,990
Net investment in capital assets	37,474,753	33,191,780	16,427,058	16,662,541	53,862,378	49,812,371
Restricted	19,164,140	14,925,522	202,641	161,197	19,366,781	15,086,719
Unrestricted	(28,224,005)	(25,906,225)	12,665,463	12,196,550	(15,519,109)	(13,667,725)
Total net position	28,414,888	22,211,077	29,295,162	29,020,288	57,710,050	51,231,365
Total liabilities, deferred inflows of resources and net position	\$ 225,692,336	\$ 205,507,198	\$ 33,301,215	\$ 32,826,622	\$ 258,993,551	\$ 238,333,820

The largest portion of the City of Greenfield's net position, approximately 93%, reflects its investment in capital assets, net of related debt. For 2022, the investment in infrastructure and other capital assets, net of accumulated depreciation, for the sanitary sewer system and refuse & recycling equipment was \$16.4 million. For governmental activities, \$37.5 million was the investment for roads, equipment, buildings and storm sewers, net of accumulated depreciation.

City of Greenfield

Management's Discussion and Analysis
Year Ended December 31, 2022

Governmental Activities – Governmental activities increased the City's net position by approximately \$6.2 million and business-type activities increased by approximately \$275,000. Major items for this change are as follows:

Table 2
City of Greenfield's Change in Net Position

City of Greenfield

Management's Discussion and Analysis
Year Ended December 31, 2022

Total revenues for governmental activities increased approximately \$1.3 million from 2021. Property and other taxes increased approximately \$471,000. Charges for services were higher by approximately \$1.0 million compared to 2021 due to increases in general government, public safety, public works, health and human services, and culture, education and recreation charges for services. Operating grants and contributions increased by approximately \$84,000 due to increases in public safety, health grants, and parks grants reimbursements, offset by decreases in general government contributions and public works grants compared to 2021. The capital grants and contributions decreased by approximately \$411,000 due to decreases in public works capital grants, offset by increases in general government, public safety, and parks capital grants.

Total expenses for governmental activities decreased approximately \$14.6 million compared to 2021. This decrease was mainly due to public works expenses being approximately \$16.6 million less than 2021. The majority of this decrease was related to TID #8 developer incentive payments of \$14.8 million, along with the purchase of the Wisconsin DOT land of \$2.8 million made in 2021. There were also decreases in general government, culture, education and recreation, and conservation and development expenses totaling approximately \$494,000. These decreases were offset by increases in public safety, health and human services, and interest and fiscal charges expenses of approximately \$2.5 million.

Business-Type Activities – Business-type activities increased the City's net position by approximately \$275,000. Operating revenues increased for both the sanitary sewer and the refuse and recycling fund for a combined increase of over \$120,000 compared to 2021. There was a small increase in capital contributions of about \$4,000, offset by small decreases in grants of \$400. Operating expenses increased by approximately \$434,000 and \$89,000 for sanitary sewer and refuse and recycling, respectfully, compared to 2021. There was also a loss on the disposal of fixed assets and a fair market value adjustment of investments that resulted in an investment loss totaling about \$68,000, when compared to 2021.

Financial Analysis of the City's Funds

As of December 31, 2022, the City's governmental funds reported a combined fund balance of approximately \$26.03 million. This is an increase of approximately \$1.27 million in comparison with the prior year. Fund balances increased approximately \$1.34 million in the City's major funds, while there was a decrease of approximately \$66,000 for the nonmajor funds.

The nonspendable portion of fund balance totaling approximately \$470,000 includes prepayments and delinquent personal property receivables. The restricted fund balance for approximately \$10.67 million includes debt service, unspent bond proceeds, tax incremental district purposes, impact fees and settlement funds received for a nation-wide opioid lawsuit. The assigned fund balance consists of approximately \$703,000 from the general fund for the use of fund balance in the 2023 budget and approximately \$557,000 for accrued compensated absences.

The general fund is the main operating fund of the City of Greenfield. As of December 31, 2022, the fund balance of the general fund was \$9,460,409. Of this fund balance just under \$102,000 is nonspendable consisting of noncurrent receivables, namely, delinquent personal property taxes and prepayments. From the approved 2023 budget, \$702,720 is assigned for utilization. Additionally, \$557,096 is assigned for vacation benefits. The remaining unassigned balance can be categorized into working capital of \$7,697,073 and \$401,675 completely uncommitted. The unassigned balance of the general fund equals 26.3% of the 2023 general fund budget.

The total fund balance for the City's general fund increased by approximately \$345,000 during 2022.

City of Greenfield

Management's Discussion and Analysis
Year Ended December 31, 2022

General Fund Budgetary Highlights

There were no revisions to the original budget during 2022. For 2022, revenues were greater than budgetary estimates by approximately \$786,000. Expenditures were less than budgetary estimates by approximately \$553,000. The planned 2022 budgetary use of reserves was \$700,000. Due to higher than expected revenues and lower expenditures, the City did not use any reserves in 2022. The 2023 budget appropriated \$702,720 of the unreserved fund balance for general fund operations.

Capital Assets and Debt Administration

Capital Assets

The City's investments in capital assets for its governmental and business-type activities as of December 31, 2022 amounts to \$127.4 million (net of accumulated depreciation). The City's capital assets are summarized below.

Table 3
City of Greenfield's Capital Assets

Total	\$ 110,957,453	\$ 108,413,515	\$ 16,427,058	\$ 16,662,541	\$ 127,384,511	\$ 125,076,056

Additional information regarding the City's capital assets can be found in Note 4 in this financial report.

Long-Term Debt

As of the December 31, 2022, the City's general obligation debt was approximately \$92.46 million. In April 2022, the City issued general obligation debt for \$4,680,000 for street improvements, park improvements and public ground trails. The City's OPEB liabilities was about \$27.08 million as of December 31, 2022.

Wisconsin state statutes limit the amount of general obligation debt a government entity may issue to five percent of its total equalized valuation. The current debt limitation for the City is \$202,682,525. The City of Greenfield has an Aa2 rating from Moody's.

Additional information regarding the City's long-term debt can be found in Note 4 in this financial report.

Economic Factors and Next Year's Budget and Rates

Within the 2023 budget, \$702,720 of the fund balance in the general fund was appropriated for spending in 2023. It is intended that the use of available funds will lessen the required tax levy and still meet the City's desire to maintain a minimum unassigned fund balance of not less than 20% of the budgeted general fund expenditures.

The City's 2022 budget has qualified the City to receive the Expenditure Restraint Shared Revenue (ERP) payment. It is expected that the 2023 budget will also qualify for the ERP payment. The City's past experience demonstrates a continuing reduction in State of Wisconsin aids for shared revenues and transportation, as well as other restrictive measures, such as, property tax levy limits.

Requests for Information

This financial report is designed to provide a general overview of the City of Greenfield's finances for all those with an interest in the City's finances. Questions concerning any of the financial information provided in this report should be addressed to the Finance Director, City of Greenfield, 7325 W Forest Home Ave, Greenfield, WI 53220 or email paulas@greenfieldwi.us.

Reconciliation of the Balance Sheet of Governmental Funds
to the Statement of Net Position
December 31, 2022

Total Fund Balances, Governmental Funds	\$ 26,034,014
--	----------------------

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental funds are not financial resources and therefore are not reported in the funds. See Note 2.	110,957,453
--	-------------

Some receivables that are not currently available are reported as deferred inflows in the fund financial statements but are recognized as revenue when earned in the government-wide statements. See Note 4.	778,828
--	---------

The net pension asset does not relate to current financial resources and is not reported in the governmental funds.	11,797,431
---	------------

Deferred inflows of resources related to pensions do not relate to current financial resources and are not reported in the governmental funds.	(27,750,608)
--	--------------

Deferred inflows of resources related to LRLIF do not relate to current financial resources and are not reported in the governmental funds.	(165,533)
---	-----------

Deferred outflows of resources related to pensions do not relate to current financial resources and are not reported in the governmental funds.	22,911,005
---	------------

Deferred outflows of resources related to LRLIF do not relate to current financial resources and are not reported in the governmental funds.	477,363
--	---------

Deferred outflows of resources related to OPEB's do not relate to current financial resources and are not reported in the governmental funds.	5,657,586
---	-----------

Some liabilities, including long-term debt, are not due and payable in the current period and therefore are not reported in the funds. See Note 2.	<u>(122,282,651)</u>

Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
Year Ended December 31, 2022

Net Change in Fund Balances, Total Governmental Funds \$ 1,274,425

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However in the statement of net position the cost of these assets is capitalized and they are depreciated over their estimated useful life and reported as depreciation expense in the statement of activities.

Capital outlay reported as an expenditure in the fund financial statements but is capitalized in the government-wide financial statements	6,647,115
Some items reported as capital outlay were not capitalized	(2,823,815)
Some items capitalized are reported as current expenditures	3,612,617
Depreciation/amortization is reported in the government-wide financial statements	(5,031,078)
Net book value of assets retired	(79,533)

Contributed capital assets are reported as revenue in the government-wide financial statements.	218,632
---	---------

Receivables not currently available are reported as revenue when collected or currently available in the fund financial statements but are recognized as revenue when earned in the government-wide financial statements	
Special assessments	(50,954)
Grants	233,383

Debt issued provides current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	
Debt issued	(4,680,000)
Principal repaid	5,405,555

Some expenses in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.	
Net pension asset	2,737,701
Deferred outflows related to pension	7,872,488
Deferred inflows related to pension	(7,920,390)
Net OPEB, LRLIF	(62,708)
Deferred outflows related to LRLIF	(107,674)
Deferred inflows related to LRLIF	(4,630)
Total OPEB Health	(1,004,372)
Deferred outflows related to OPEB	(192,660)
Vested compensated absences	103,658
Accrued interest on debt	56,051

Change in Net Position of Governmental Activities \$ 6,203,811

1. Summary of Significant Accounting Policies

The accounting policies of the City of Greenfield (City), Wisconsin conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The accepted standard-setting body for establishing governmental accounting and financial reporting principals is the Governmental Accounting Standards Board (GASB).

Reporting Entity

This report includes all of the funds of the City. The reporting entity for the City consists of the primary government and its component units. Component units are legally separate organizations for which the primary government is financially accountable or other organizations for which the nature and significance of their relationship with the primary government are such that their exclusion would cause the reporting entity's financial statements to be misleading. The primary government is financially accountable if (1) it appoints a voting majority of the organization's governing body and it is able to impose its will on that organization, (2) it appoints a voting majority of the organization's governing body and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government, (3) the organization is fiscally dependent on and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. Certain legally separate, tax exempt organizations should also be reported as a component unit if all of the following criteria are met: (1) the economic resources received or held by the separate organization are entirely or almost entirely for the direct benefit of the primary government, its component units or its constituents; (2) the primary government or its component units, is entitled to, or has the ability to access, a majority of the economic resources received or held by the separate organization; and (3) the economic resources received or held by an individual organization that the primary government, or its component units, is entitled to or has the ability to otherwise access, are significant to the primary government.

Component units are reported using one of three methods, discrete presentation, blended or fiduciary. Generally, component units should be discretely presented in a separate column in the financial statements. A component unit should be reported as part of the primary government using the blending method if it meets any one of the following criteria: (1) the primary government and the component unit have substantively the same governing body and a financial benefit or burden relationship exists, (2) the primary government and the component unit have substantively the same governing body and management of the primary government has operational responsibility for the component unit, (3) the component unit serves or benefits, exclusively or almost exclusively, the primary government rather than its citizens or (4) the total debt of the component unit will be paid entirely or almost entirely from resources of the primary government.

Discretely Presented Component Units

Business Improvement District

The government-wide financial statements include the Business Improvement District (BID) as a component unit. The BID is a legally separate organization. The board of the BID is appointed by the City's Common Council. Wisconsin Statutes provide for circumstances whereby the City can impose its will on the BID, and also create a potential financial benefit to or burden on the City. The BID is part of the reporting entity of the City of Greenfield. However the BID had no financial transactions during 2022 which are material to these financial statements. Also, the BID does not own any assets nor is it liable for any debt. Therefore, no financial statements are presented in this report. The BID does issue separate financial statements.

Community Development Authority

The government-wide financial statements include the Community Development Authority (CDA) as a component unit. The CDA is a legally separate organization. The board of the CDA is appointed by the City's Common Council. Wisconsin Statutes provide for circumstances whereby the City can impose its will on the CDA, and also create a potential financial benefit to or burden on the City. The CDA is part of the reporting entity of the City of Greenfield. However the CDA had no financial transactions during 2022 which are material to these financial statements. Also, the CDA does not own any assets nor is it liable for any debt. Therefore, no financial statements are presented in this report. The CDA does not issue separate financial statements.

Government-Wide and Fund Financial Statements**Government-Wide Financial Statements**

In June 2017, the GASB issued Statement No. 87, *Leases*. This Statement requires the recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. The standard establishes a single model for lease accounting based on the foundational principle that leases are financings of the right-to-use an underlying asset. Under the Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, which enhances the relevance and consistency of information about the City's leasing activities. This standard was implemented as of January 1, 2022.

The statement of net position and statement of activities display information about the reporting government as a whole. They include all funds of the reporting entity except for agency funds. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues and other nonexchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. The city does not allocate indirect expenses to functions in the statement of activities. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not included among program revenues are reported as general revenues. Internally dedicated resources are reported as general revenues rather than as program revenues.

Fund Financial Statements

Financial statements of the City are organized into funds, each of which are considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts, which constitute its assets/deferred outflows of resources, liabilities/deferred inflows of resources, net position/fund balance, revenues and expenditure/expenses.

Funds are organized as major funds or nonmajor funds within the governmental and proprietary statements. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the City or meets the following criteria:

- a. Total assets/deferred outflows of resources, liabilities/deferred inflows of resources, revenues or expenditures/expenses of that individual governmental or enterprise fund are at least 10% of the corresponding total for all funds of that category or type and
- b. The same element of the individual governmental fund or enterprise fund that met the 10% test is at least 5% of the corresponding total for all governmental and enterprise funds combined.
- c. In addition, any other governmental or enterprise fund that the City believes is particularly important to financial statement users may be reported as a major fund.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements

The City reports the following major governmental funds:

General Fund – accounts for the City's primary operating activities. It is used to account for and report all financial resources except those accounted for and reported in another fund.

Debt Service Fund – used to account for and report financial resources that are restricted, committed or assigned to expenditure for the payment of general long-term debt principal, interest and related costs, other than enterprise debt.

Capital Projects Funds:

Capital Improvements Fund – used to account for and report financial resources that are restricted, committed or assigned to expenditures for capital improvement projects.

Special Assessment Fund – used to account for and report financial resources that are restricted, committed or assigned to expenditures for construction of major capital facilities or financing of debt service requirements.

Capital Equipment Fund – used to account for and report financial resources that are restricted, committed or assigned to expenditures for the acquisition of equipment (other than those financed by proprietary funds).

Special Revenue Fund – Tax Increment Districts – used to account for and report the proceeds of specific revenue sources that are restricted to expenditures outlined in the TID project plans (other than debt service or capital projects).

The City reports the following major enterprise funds:

Sanitary Sewer Service – accounts for operations of the sanitary sewer service.

Refuse and Recycling – accounts for operations of the refuse and recycling service.

The City reports the following nonmajor governmental funds:

Special Revenue Funds – used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes (other than debt service or capital projects).

Library, Intergovernmental Service, Hotel/Motel, Storm Sewer, Impact Fees, Grant, Law Enforcement, Park Recreation and Service Program, Post-Retirement Health Care, Health Reimbursement Arrangement HRA, Park Community Center, Business Improvement Districts 1 & 2, Farmers Market, Quality of Life, THE AMP, Information Technology Services (formerly High Speed Telecommunications), American Rescue Plan Act (ARPA) and National Opioid Settlement.

In addition, the City reports the following fund type:

Custodial Fund – used to account for and report assets controlled by the City and the assets are for the benefit of individuals, private organizations and/or other governmental units.

Subsequent Year's Tax Roll Fund

Measurement Focus, Basis of Accounting and Financial Statement Presentation

Government-Wide Financial Statements

The government-wide statement of net position and statement of activities are reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Property taxes are recognized as revenues in the year for which they are levied. Taxes receivable for the following year are recorded as receivables and deferred inflows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider are met. Special assessments are recorded as revenue when earned. Unbilled receivables are recorded as revenues when services are provided.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the City's sewer, and refuse and recycling collection and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Fund Financial Statements

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recorded when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on long-term debt, claims, judgments, compensated absences and pension expenditures, which are recorded as a fund liability when expected to be paid with expendable available financial resources.

Property taxes are recorded in the year levied as receivables and deferred inflows. They are recognized as revenues in the succeeding year when services financed by the levy are being provided.

Intergovernmental aids and grants are recognized as revenues in the period the City is entitled to the resources and the amounts are available. Amounts owed to the City which are not available are recorded as receivables and unavailable revenues. Amounts received before eligibility requirements (excluding time requirements) are met are recorded as liabilities. Amounts received in advance of meeting time requirements are recorded as deferred inflows.

Special assessments are recorded as revenues when they become measurable and available as current assets. Annual installments due in future years are reflected as receivables and unearned revenues.

Revenues susceptible to accrual include property taxes, hotel/motel taxes, public charges for services, investment earnings, special assessments and intergovernmental charges for services. Other general revenues such as fines, forfeitures and penalties, licenses and permits and miscellaneous revenues are recognized when received in cash or when measurable and available under the criteria described above.

Proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as described previously in this note.

The proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the sanitary sewer service and refuse and recycling utilities are charges to customers for sales and services. Special assessments are recorded as receivables and contribution revenue when levied. Operating expenses for proprietary funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

All Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position or Equity

Deposits and Investments

For purposes of the statement of cash flows, the City considers all highly liquid investments with an initial maturity of three months or less when acquired to be cash equivalents.

Investment of City funds is restricted by Wisconsin state statutes. Available investments are limited to:

- a. Time deposits in any credit union, bank, savings bank or trust company.
- b. Bonds or securities of any county, city, drainage district, technical college district, village, town or school district of the state. Also, bonds issued by a local exposition district, a local professional baseball park district, a local professional football stadium district, a local cultural arts district, the University of Wisconsin Hospitals and Clinics Authority or the Wisconsin Aerospace Authority.

- c. Bonds or securities issued or guaranteed by the federal government.
- d. The local government investment pool.
- e. Any security maturing in seven years or less and having the highest or second highest rating category of a nationally recognized rating agency.
- f. Securities of an open-end management investment company or investment trust, subject to various conditions and Investment options.
- g. Repurchase agreements with public depositories, with certain conditions.

The City has adopted an investment policy. That policy contains the following guidelines for allowable investments.

Custodial Credit Risk

The City's investment policy specifies that collateralization at 102% of the balance and accrued interest will be required on certificates of deposit and repurchase agreements when balances exceed State Guarantee Fund and FDIC coverage.

Concentration of Credit Risk

The City's investment policy states that they want to limit investments to avoid over concentration in securities from a specific issuer, industry or business sector, excluding U.S. Treasury obligations.

Interest Rate Risk

The City's investment policy limits maturity dates on investments to not more than five years and the average of the portfolio shall not exceed 3 years.

Credit Risk

The City's investment policy states that they will limit this risk by investing in the types of securities permitted under Wisconsin Statutes Chapter 66.0603. The City will diversify the investment portfolio so that the impact of potential losses from one type of security or from one individual issue will be minimized.

Investments are stated at fair value, which is the amount at which an investment could be exchanged in a current transaction between willing parties. Fair values are based on methods and inputs as outlined in Note 4. No investments are reported at amortized cost. Adjustments necessary to record investments at fair value are recorded in the operating statement as increases or decreases in investment income. Investment income on commingled investments of municipal accounting funds is allocated based on average investment balances. The difference between the bank statement balance and carrying value is due to outstanding checks and/or deposits in transit.

The Wisconsin Local Government Investment Pool (LGIP) is part of the State Investment Fund (SIF), and is managed by the State of Wisconsin Investment Board. The SIF is not registered with the Securities and Exchange Commission, but operates under the statutory authority of Wisconsin Chapter 25. The SIF reports the fair value of its underlying assets annually. Participants in the LGIP have the right to withdraw their funds in total on one day's notice. At December 31, 2022, the fair value of the City's share of the LGIP's assets was substantially equal to the amount as reported in these statements.

See Note 4 for further information.

Receivables

Property taxes are levied in December on the assessed value as of the prior January 1. In addition to property taxes for the City, taxes are collected for and remitted to the county governments as well as the local school districts and technical college district. Taxes for all state and local governmental units billed in the current year for the succeeding year are reflected as receivables and due to other taxing units on the accompanying statement of fiduciary net position.

Property tax calendar – 2022 tax roll:

Lien date and levy date	December 2022
Tax bills mailed	December 2022
Payment in full, or:	January 31, 2023
First installment due	January 31, 2023
Second installment due	April 30, 2023
Third installment due	June 30, 2023
Tax settlement with County:	
Initial settlement	January 17, 2023
Second settlement	February 21, 2023
Third settlement	May 15, 2023
Fourth settlement	July 17, 2023
Final settlement	August 15, 2023
Personal property taxes in full	January 31, 2023
Tax sale – 2022 delinquent real estate taxes	October 2025

Accounts receivable have been shown net of an allowance for uncollectible accounts. Delinquent real estate taxes as of July 31 are paid in full by the county, which assumes the collection thereof. No provision for uncollectible accounts receivable has been made in the accompanying sanitary sewer service and refuse and recycling funds because they have the right by law to place substantially all delinquent bills on the tax roll, and other delinquent bills are generally not significant.

The City provides sanitary and storm sewer services to customers primarily within the municipal boundaries. Sanitary sewer fund customers are billed on a quarterly basis in the month following the last day of each calendar quarter, payable within 22 days at rates established by the Milwaukee Metropolitan Sewage District and the City. The storm sewer bills are based on an equivalency charge. Delinquent balances at the time of the property tax lien date are placed on the customers' tax bill and collected through the normal tax collection process.

During the course of operations, transactions occur between individual funds that may result in amounts owed between funds. Short-term interfund loans are reported as "due to and from other funds." Long-term interfund loans (noncurrent portion) are reported as "advances from and to other funds." Interfund receivables and payables between funds within governmental activities are eliminated in the statement of net position. Any residual balances outstanding between the governmental activities and business-type activities are reported in the governmental-wide financial statements as internal balances.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

City of Greenfield

Notes to Financial Statements
December 31, 2022

Restricted Assets

Mandatory segregations of assets are presented as restricted assets. Such segregations are required by bond agreements and other external parties.

Capital Assets

Government-Wide Statements

Capital assets, which include property, plant and equipment, are reported in the government-wide financial statements. Capital assets are defined by the government as assets with an initial cost of more than \$5,000 for all capital assets, and an estimated useful life in excess of 1 year. All capital assets are valued at historical cost or estimated historical cost if actual amounts are unavailable. Donated capital assets are recorded at their estimated fair value at the date of donation.

Additions to and replacements of capital assets of business-type activities are recorded at original cost, which includes material, labor, overhead and an allowance for the cost of funds used during construction when significant. The cost of renewals and betterments relating to retirement units is added to plant accounts. The cost of property replaced, retired or otherwise disposed of, is deducted from plant accounts and, generally, together with removal costs less salvage, is charged to accumulated depreciation.

Depreciation of all exhaustible capital assets is recorded as an allocated expense in the statement of activities, with accumulated depreciation reflected in the statement of net position. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. The range of estimated useful lives by type of asset is as follows:

	<u>Years</u>
Land improvements	15
Infrastructure	50 - 100
Buildings	50
Machinery and equipment	3 - 45
Library collection	7 - 20
Utility system	50 - 100
Intangibles	10

Fund Financial Statements

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets used in proprietary fund operations are accounted for the same way as in the government-wide statements.

Deferred Inflows of Resources

A deferred inflow of resources represents an acquisition of net position/fund balance that applies to a future period and therefore will not be recognized as an inflow of resources (revenue) until that future time.

Deferred Outflows of Resources

A deferred outflow of resources represents a consumption of net position/fund balance that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until that future time.

Compensated Absences

Under terms of employment, employees are granted sick leave and vacations in varying amounts. Only benefits considered to be vested are disclosed in these statements.

All vested vacation pay is accrued when incurred in the government-wide financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements, and are payable with expendable available resources.

Payments for vacation and sick leave will be made at rates in effect when the benefits are used. Accumulated vacation and sick liabilities at December 31, 2022 are determined on the basis of current salary rates and include salary related payments.

The City's policy generally allows sick leave benefits to be earned at the rate of one day for each month of employment, up to a maximum of 225 days. Upon retirement, an employee with at least 15 years of service is paid 50% of their accumulated sick leave up to a maximum of 75 days.

Long-Term Obligations/Conduit Debt

All long-term obligations to be repaid from governmental and business-type resources are reported as liabilities in the government-wide statements. The long-term obligation consists primarily of notes and bonds payable and vested compensated absences.

Long-term obligations for governmental funds are not reported as liabilities in the fund financial statements. The face values of debts are reported as other financing sources and payments of principal and interest are reported as expenditures. The accounting in proprietary funds is the same as it is in the government-wide statements.

The City has approved the issuance of industrial revenue bonds (IRB) for the benefit of private business enterprises. IRB's are secured by mortgages or revenue agreements on the associated projects, and do not constitute indebtedness of the City. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. The total amount of IRB's outstanding at the end of the year is approximately \$7,425,000 made up of two issues.

Leases

The City is a lessor because it leases capital assets to other entities. As a lessor, the City reports a lease receivable and corresponding deferred inflow of resources in both the fund financial statements and government-wide financial statements. The City continues to report and depreciate the capital assets being leased as capital assets of the primary government.

Equity Classifications

Government–Wide Statements

Equity is classified as net position and displayed in three components:

- a. **Net Investment in Capital Assets** – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances (excluding unspent debt proceeds) of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- b. **Restricted Net Position** – Consists of net position with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors or laws or regulations of other governments or, 2) law through constitutional provisions or enabling legislation.
- c. **Unrestricted Net Position** – All other net positions that do not meet the definition of “restricted” or “net investment in capital assets.”

When both restricted and unrestricted resources are available for use, it is the City’s policy to use restricted resources first, then unrestricted resources as they are needed.

The net position section includes an adjustment for capital assets owned by the business-type activities column, but financed by the debt of the governmental activities column. The amount is a reduction of "net investment in capital assets" and an increase in "unrestricted" net position, shown only in the total column. A reconciliation of this adjustment is as follows:

	Governmental Activities	Business-Type Activities	Adjustment	Total
Net investment in capital assets	\$ 37,474,753	\$ 16,427,058	\$ (39,433)	\$ 53,862,378
Unrestricted	(28,224,005)	12,665,463	39,433	(15,519,109)

Fund Statements

Governmental fund balances are displayed as follows:

- a. **Nonspendable** - Includes fund balance amounts that cannot be spent either because they are not in spendable form or because legal or contractual requirements require them to be maintained intact.
- b. **Restricted** - Consists of fund balances with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors or laws or regulations of other governments or 2) law through constitutional provisions or enabling legislation.
- c. **Committed** - Includes fund balance amounts that are constrained for specific purposes that are internally imposed by the government through formal action of the highest level of decision making authority. Fund balance amounts are committed through a formal action (ordinance, resolution, motion) of the common council. This formal action must occur prior to the end of the reporting period, but the amount of the commitment, which will be subject to the constraints, may be determined in the subsequent period. Any changes to the constraints imposed require the same formal action of the common council that originally created the commitment.

- d. **Assigned** - Includes spendable fund balance amounts that are intended to be used for specific purposes that are not considered restricted or committed. Fund balance may be assigned through the following; 1) The City has adopted a financial policy authorizing the Finance Director to assign amounts for a specific purpose. 2) All remaining positive spendable amounts in governmental funds, other than the general fund, that are neither restricted nor committed. Assignments may take place after the end of the reporting period.
- e. **Unassigned** - Includes residual positive fund balance within the general fund which has not been classified within the other above mentioned categories. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed or assigned for those purposes.

Proprietary fund equity is classified the same as in the government-wide statements.

The City considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available unless there are legal documents / contracts that prohibit doing this, such as in grant agreements requiring dollar for dollar spending. Additionally, the City would first use committed, then assigned and lastly unassigned amounts of unrestricted fund balance when expenditures are made.

The City has a formal minimum fund balance policy. That policy is to maintain a working capital reserve to pay for needs caused by unforeseen emergencies. This reserve will be maintained at an amount of not less than 20% of the subsequent year's general fund budgeted expenditures. The balance at year end was \$7,697,073 or 25% of the subsequent year's general fund budgeted expenditures, and is included in unassigned general fund fund balance.

Pension

For purposes of measuring the net pension asset (liability), deferred outflows of resources and deferred inflows of resources related to pensions and pension expense, information about the fiduciary net position of the Wisconsin Retirement System (WRS) and additions to/deductions from WRS' fiduciary net position have been determined on the same basis as they are reported by WRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Postemployment Benefits Other Than Pensions (OPEB)

For purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB and OPEB expense, the City's OPEB Plan recognizes benefit payments when due and payable in accordance with the benefit terms.

The fiduciary net position of the Local Retiree Life Insurance Fund (LRLIF) has been determined using the flow of economic resources measurement focus and the accrual basis of accounting. This includes for purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to other post-employment benefits, OPEB expense and information about the fiduciary net position of the LRLIF and additions to/deductions from LRLIF's fiduciary net position have been determined on the same basis as they are reported by LRLIF. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

2. Reconciliation of Government-Wide and Fund Financial Statements**Explanation of Certain Differences Between the Governmental Fund Balance Sheet and the Statement of Net Position**

The governmental fund balance sheet includes a reconciliation between fund balance - total governmental funds and net position - governmental activities as reported in the government-wide statement of net position. The details of this reconciliation include the following items.

Capital assets used in governmental funds are not financial resources and, therefore, are not reported in the funds.

Land and land improvements	\$ 2,920,755
Construction in progress	9,001,987
Other capital assets	167,939,264
Less accumulated depreciation/amortization	<u>(68,904,553)</u>
Combined adjustment for capital assets	<u>\$ 110,957,453</u>

Long-term liabilities applicable to the City's governmental activities are not due and payable in the current period, and accordingly, are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities—both current and long-term—are reported in the statement of net position.

General obligation debt	\$ 92,464,013
Compensated absences	1,994,060
Total OPEB, Health	25,648,136
Total OPEB, LRLIF	1,432,852
Accrued interest payable	<u>743,590</u>
Combined adjustment for long-term liabilities	<u>\$ 122,282,651</u>

3. Stewardship, Compliance and Accountability**Budgetary Information**

Budgetary information is derived from the annual operating budget and is presented using the same basis of accounting for each fund as described in Note 1.

A budget has been adopted for all funds of the City. These budgets are adopted in accordance with State Statutes and prepared on a basis consistent with generally accepted accounting principles.

The budgeted amounts presented reflect the original approved budget since no amendments were approved. Department heads may authorize transfers of budgeted amounts within departments for transfers under \$10,000. Budget transfers over \$10,000 require approval from the department head and the Finance Director. Budget transfers less than \$50,000 within an activity level also require the approval of the Mayor or Finance Committee Chairperson. Budget transfers from fund balance, contingency funds, and between funds must be approved by a two-thirds common council action. Budget transfers within an expenditure category greater than \$50,000 requires a majority of the common council. All appropriations lapse at year-end. Budgetary control is exercised at the individual fund level for all funds.

City of Greenfield

Notes to Financial Statements
December 31, 2022

Excess Expenditures over Appropriations

The following funds had an excess of expenditures over appropriations during the year.

Funds	Budgeted Expenditures	Actual Expenditures	Excess Expenditure Over Budget
Special Revenue Funds:			
Intergovernmental Service	\$ 96,240	\$ 132,227	\$ 35,987
Storm Sewer	1,529,888	3,173,212	1,643,324
Grant	438,786	736,384	297,598
Law Enforcement	9,000	59,428	50,428
Park, Recreation and Service Program	761,500	965,208	203,708
Business Improvement Districts 1 & 2	56,000	56,207	207
Farmers Market	24,625	33,753	9,128
Quality of Life	87,000	91,000	4,000
Information Technology Services	77,000	90,093	13,093
THE AMP	67,500	71,132	3,632
Debt Service Fund	8,231,543	8,283,916	52,373
Capital Projects Funds:			
Capital Equipment	268,300	1,181,078	912,778
Enterprise Funds:			
Refuse and Recycling	2,185,674	2,236,568	50,894

The City controls expenditures at the function level for the general fund and the fund level for every other fund. Some individual functions experienced expenditures which exceeded appropriations. The detail of those items can be found in the City's year-end budget to actual report.

Limitations on The City's Tax Levy

Wisconsin law limits the City's future tax levies. Generally the City is limited to its prior tax levy dollar amount (excluding TIF Districts), increased by the greater of the percentage change in the City's equalized value due to net new construction or zero percent. Changes in debt service from one year to the next are generally exempt from this limit with certain exceptions. The City is required to reduce its allowable levy by the estimated amount of fee revenue it collects for certain services, if those services were funded in 2013 by the property tax levy. Levies can be increased above the allowable limits if the amount is approved by referendum.

4. Detailed Notes on All Funds

Deposits and Investments

The City's deposits and investments at year end were comprised of the following:

	<u>Carrying Value</u>	<u>Statement Balances</u>	<u>Associated Risks</u>
Demand Deposits	\$ 44,922,060	\$ 45,630,212	Custodial credit risk
Certificates of deposit, negotiable	1,564,152	1,564,152	Custodial credit risk, credit, interest rate and concentration of credit
U.S. Treasury Notes	9,309,591	9,309,591	Custodial credit and interest rate risk
U.S. Agencies	4,569,580	4,569,580	Custodial credit, credit, concentration of credit and interest rate risk
Municipal Securities	4,824,728	4,824,728	Custodial credit, credit, concentration of credit and interest rate risk
Corporate Bonds	417,280	417,280	Custodial credit, credit, interest rate and concentration of credit risk
LGIP	21,889,173	21,889,173	Credit risk
Petty cash	<u>4,759</u>	<u>-</u>	Not applicable
Total deposits and investments	<u>\$ 87,501,323</u>	<u>\$ 88,204,716</u>	
Reconciliation to financial statements			
Per statement of net position:			
Unrestricted cash and investments	\$ 61,956,315		
Restricted cash and investments	520,964		
Per statement of fiduciary net position:			
Custodial fund	<u>25,024,044</u>		
Total deposits and investments	<u>\$ 87,501,323</u>		

City of Greenfield

Notes to Financial Statements

December 31, 2022

Deposits in each local and area bank are insured by the FDIC in the amount of \$250,000 for time and savings accounts (including NOW accounts) and \$250,000 for demand deposit accounts (interest-bearing and noninterest-bearing). In addition, if deposits are held in an institution outside of the state in which the government is located, insured amounts are further limited to a total of \$250,000 for the combined amount of all deposit accounts.

Bank accounts are also insured by the State Deposit Guarantee Fund in the amount of \$400,000. However, due to the nature of this fund, recovery of material principal losses may not be significant to individual municipalities. This coverage has been considered in computing custodial credit risk.

The City maintains a collateral agreement with Associated Bank. At December 31, 2022, the bank has pledged various government securities in the amount of \$65,000,000 to secure the City's deposits.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The valuation methods for recurring fair value measurements are as follows:

- Market

Investment Type	December 31, 2022			
	Level 1	Level 2	Level 3	Total
U.S. Agencies	\$ -	\$ 4,569,580	\$ -	\$ 4,569,580
U.S. Treasury Notes	2,108,435	7,201,156	-	9,309,591
Municipal Securities	-	4,824,728	-	4,824,728
Negotiable CD's	-	1,564,152	-	1,564,152
Corporate Bonds	-	417,280	-	417,280
Total	<u>\$ 2,108,435</u>	<u>\$ 18,576,896</u>	<u>\$ -</u>	<u>\$ 20,685,331</u>

Custodial Credit Risk

Deposits – Custodial credit risk is the risk that in the event of a financial institution failure, the City's deposits may not be returned to the city.

As of December 31, 2022, \$1,742,010 of the City's total demand deposit bank balances of \$45,630,212 was uninsured and uncollateralized.

Investments – For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

The City does not have any investments exposed to custodial credit risk.

City of Greenfield

Notes to Financial Statements
December 31, 2022

Credit Risk

Credit risk is the risk that an issuer or the other counterparty to an investment will not fulfill its obligation.

As of December 31, 2022, the City's investments were rated as follows:

Investment Type	Standard &	Moody's Investor
	Poor's	Service
U.S. Agencies	AA+ - NA	Aaa - WR
Municipal Securities	AAA - AA+ - AA - AA- - A+ - A - NA	A1 - A2 - A3 - Aa1 - Aa2 - Aa3 - AAA - NA
Corporate Bonds	AA+ - AA - AA-	Aa2 - AAA
Negotiable CD's	A+ - BBB - BBB- - NR - NA	A3 - Aa1 - Aa3 - Baa1 - WR - NA

The City also holds investments in the LGIP which is an external pool that is not rated.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair market value of an investment.

As of December 31, 2022, the City's investments were as follows:

Investment Type	Fair Value	Maturity		
		Less than 1 year	1 - 4 years	5 - 10 years
U.S. Agencies	\$ 4,569,580	\$ 1,101,592	\$ 3,467,988	\$ -
U.S. Treasury Notes	9,309,591	6,808,166	2,501,425	-
Municipal Securities	4,824,728	2,285,547	2,002,104	537,077
Negotiable CD's	1,564,152	714,428	849,724	-
Corporate Bonds	417,280	273,541	143,739	-
Total	<u>\$ 20,685,331</u>	<u>\$ 11,183,274</u>	<u>\$ 8,964,980</u>	<u>\$ 537,077</u>

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investments in a single issuer.

At December 31, 2022, the investment portfolio did not contain any single issuer in excess of 5% of total investments.

See Note 1 for further information on deposit and investment policies.

City of Greenfield

Notes to Financial Statements
December 31, 2022

Receivables

Receivables of the City are reported net of uncollectible amounts. The City had total allowance for uncollectible amounts of \$742,315 related to fire, ambulance and miscellaneous receivables of the current period.

Governmental funds report unavailable or unearned revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Property taxes levied for the subsequent year are not earned and cannot be used to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned. At the end of the current fiscal year, the various components of *unavailable revenue* and *unearned revenue* reported in the governmental funds were as follows:

	<u>Unavailable</u>	<u>Unearned</u>	<u>Total</u>
Governmental Activities			
Property taxes receivable for subsequent year	\$ -	\$ 36,266,342	\$ 36,266,342
Grant receivables	233,383	-	233,383
Special assessments not yet due	<u>545,445</u>	<u>-</u>	<u>545,445</u>
 Total unavailable/unearned revenue for governmental funds	 <u>\$ 778,828</u>	 <u>\$ 36,266,342</u>	 <u>\$ 37,045,170</u>

The business-type activity Refuse and Recycling fund reports unearned revenue for property taxes levied for the subsequent year in the amount of \$2,136,983.

Restricted Assets

Impact Fee Account

The City has received impact fees which must be spent in accordance with the local ordinance and state statutes. Any unspent funds must be refunded to the current property owner.

Restricted assets related to impact fees at December 31, 2022 were \$443,946.

National Opioid Settlement

The City has received settlement funds related to a national opioid lawsuit, which must be spent in accordance with the settlement agreement.

Restricted assets related to the national opioid settlement at December 31, 2022 were \$77,018.

Net Pension Asset

Restricted assets have been reported in connection with the net pension asset balance since this balance must be used to fund employee benefits.

Interfund Receivables/Payables

The following is a schedule of interfund receivables and payables including any overdrafts on pooled cash and investment accounts:

Receivable Fund	Payable Fund	Amount due Within One Year
General Fund	Special Revenue, Grants Fund	\$ 84,140
General Fund	Capital Projects, Capital Improvement Fund	500
		84,640
Less fund elimination		(84,640)
Total internal balances, government-wide statement of net position		\$ -

The principal purpose of these interfunds is to fund overdrafts on pooled cash. In addition, the balances resulted from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system and (3) payments between funds are made.

For the statement of net position, interfund balances which are owed within the governmental activities or business-type activities are netted and eliminated.

Long-Term Obligations

Long-term obligations activity for the year-ended December 31, 2022 was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance	Amounts Due Within One Year
Governmental Activities					
General obligation debt	\$ 92,815,000	\$ 4,680,000	\$ 5,335,000	\$ 92,160,000	\$ 5,865,000

Total business-type activities long-term liabilities	<u>\$ 520,750</u>	<u>\$ 45,536</u>	<u>\$ 27,406</u>	<u>\$ 538,880</u>	<u>\$ -</u>

General Obligation Debt

In accordance with Wisconsin Statutes, total general obligation indebtedness of the City may not exceed 5% of the equalized value of taxable property within the City's jurisdiction. The debt limit as of December 31, 2022, was \$202,682,525. Total general obligation debt outstanding at year-end was \$92,464,013. The TIF Districts support \$50,590,000 of the total debt obligation.

All general obligation notes and bonds payable are backed by the full faith and credit of the City. Notes and bonds in the governmental funds will be retired by future property tax levies accumulated by the debt service fund.

City of Greenfield

Notes to Financial Statements
December 31, 2022

As of December 31, 2022, the outstanding balance above includes \$3,905,000 for Tax Increment District No. 4, \$30,045,000 for Tax Increment District No. 6 and \$16,640,000 for Tax Increment District No. 8. These outstanding balances, along with the related interest, are paid for by the respective Tax Increment District.

Debt service requirements to maturity are as follows:

<u>Years</u>	Governmental Activities General Obligation Debt	
	<u>Principal</u>	<u>Interest</u>
2023	\$ 5,865,000	\$ 2,700,964
2024	6,115,000	2,464,699
2025	6,365,000	2,285,855
2026	7,300,000	2,083,551
2027	6,405,000	1,885,834
2028-2032	29,565,000	6,785,349
2033-2037	23,865,000	2,395,593
2038-2042	6,680,000	379,636
Total	<u>\$ 92,160,000</u>	<u>\$ 20,981,481</u>

<u>Years</u>	Governmental Activities Notes from Direct Borrowings and Direct Placements	
	<u>Principal</u>	<u>Interest</u>
2023	\$ 72,672	\$ 9,120
2024	74,833	6,959
2025	77,097	4,695
2026	79,411	2,383
Total	<u>\$ 304,013</u>	<u>\$ 23,157</u>

The City's outstanding notes from direct borrowings and/or direct placements related to governmental activities of \$304,013 contains provisions that in an event of default, outstanding amounts are recoverable by the State, including any penalty, by deducting that amount from any State payments due to the City.

Other Debt Information

There are a number of limitations and restrictions contained in the various bond indentures and loan agreements. The City believes they are in compliance with all significant limitations and restrictions, including federal arbitrage regulations.

Estimated payments of compensated absences, Total OPEB – Health and Net OPEB – LRLIF are not included in the debt service requirement schedules. The compensated absences, Total OPEB – Health and Net OPEB – LRLIF attributable to governmental activities will be liquidated primarily by the general fund.

5. Other Information

Employees' Retirement System

Plan Description. The WRS is a cost-sharing multiple-employer defined benefit pension plan. WRS benefits and other plan provisions are established by Chapter 40 of the Wisconsin Statutes. Benefit terms may only be modified by the legislature. The retirement system is administered by the Wisconsin Department of Employee Trust Funds (ETF). The system provides coverage to all eligible State of Wisconsin, local government and other public employees. All employees, initially employed by a participating WRS employer on or after July 1, 2011, expected to work at least 1,200 hours a year and expected to be employed for at least one year from employee's date of hire are eligible to participate in the WRS.

ETF issues a standalone Annual Comprehensive Financial Report (ACFR), which can be found at <http://etf.wi.gov/about-etf/reports-and-studies/financial-reports-and-statements>.

Additionally, ETF issued a standalone Wisconsin Retirement System Financial Report, which can also be found using the link above.

Vesting. For employees beginning participation on or after January 1, 1990, and no longer actively employed on or after April 24, 1998, creditable service in each of five years is required for eligibility for a retirement annuity. Participants employed prior to 1990 and on or after April 24, 1998, and prior to July 1, 2011, are immediately vested. Participants who initially became WRS eligible on or after July 1, 2011, must have five years of creditable service to be vested.

Benefits Provided. Employees who retire at or after age 65 (54 for protective occupation employees, 62 for elected officials and State executive participants, if hired on or before 12/31/2016) are entitled to retirement benefit based on a formula factor, their average earnings and creditable service.

Final average earnings is the average of the participant's three highest annual earnings periods. Creditable service includes current service and prior service for which a participant received earnings and made contributions as required. Creditable service also includes creditable military service. The retirement benefit will be calculated as a money purchase benefit based on the employee's contributions plus matching employer's contribution, with interest, if that benefit is higher than the formula benefit.

Vested participants may retire at age 55 (50 for protective occupations) and receive an actuarially reduced benefit. Participants terminating covered employment prior to eligibility for an annuity may either receive employee-required contributions plus interest as a separation benefit or leave contributions on deposit and defer application until eligible to receive a retirement benefit.

The WRS also provides death and disability benefits for employees.

Post-Retirement Adjustments. The Employee Trust Funds Board may periodically adjust annuity payments from the retirement system based on annual investment performance in accordance with s.40.27, Wis. Stat. An increase (or decrease) in annuity payments may result when investment gains (losses), together with other actuarial experience factors, create a surplus (shortfall) in the reserves, as determined by the system's consulting actuary. Annuity increases are not based on cost of living or other similar factors. For Core annuities, decreases may be applied only to previously granted increases. By law, Core annuities cannot be reduced to an amount below the original, guaranteed amount (the floor) set at retirement. The Core and Variable annuity adjustments granted during recent years are as follows:

Year	Core Fund Adjustment	Variable Fund Adjustment
2012	(7.0)%	(7.0)%
2013	(9.6)	9.0
2014	4.7	25.0
2015	2.9	2.0
2016	0.5	(5.0)
2017	2.0	4.0
2018	2.4	17.0
2019	0.0	(10.0)
2020	1.7	21.0
2021	5.1	13.0

City of Greenfield

Notes to Financial Statements
December 31, 2022

Contributions. Required contributions are determined by an annual actuarial valuation in accordance with Chapter 40 of the Wisconsin Statutes. The employee required contribution is one-half of the actuarially determined contribution rate for General category employees and Executives and Elected Officials. Starting January 1, 2016, the Executives and Elected Officials category was merged into the General Employee category. Required contributions for protective employees are the same rate as general employees. Employers are required to contribute the remainder of the actuarially determined contribution rate. The employer may not pay the employee required contribution unless provided for by an existing collective bargaining agreement.

During the reporting period, the WRS recognized \$1,742,304 in contributions from the City.

Contribution rates for the plan year reported as of December 31, 2022 are:

Employee Category	Employee	Employer
General (executives & elected officials)	6.75%	6.75%
Protective with Social Security	6.75%	11.75%
Protective without Social Security	6.75%	16.35%

Pension Asset, Pension Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2022, the City reported an asset of \$12,000,072 for its proportionate share of the net pension asset. The net pension asset was measured as of December 31, 2021, and the total pension liability used to calculate the net pension asset was determined by an actuarial valuation as of December 31, 2020 rolled forward to December 31, 2021. No material changes in assumptions or benefit terms occurred between the actuarial valuation date and the measurement date. The City's proportion of the net pension asset was based on the City's share of contributions to the pension plan relative to the contributions of all participating employers. At December 31, 2021, the City's proportion was 0.14888088%, which was an increase of 0.00118389% from its proportion measured as of December 31, 2020.

For the year ended December 31, 2022, the City recognized pension expense (revenue) of (\$985,552).

At December 31, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflow of Resources	Deferred Inflow of Resources
Differences between projected and actual experience	\$ 19,385,511	\$ 1,397,904
Changes of actuarial assumptions	2,238,803	-
Net differences between projected and actual earnings on pension plan investments	-	26,845,160
Changes in proportion and differences between employer contributions and proportionate share of contributions	17,542	14,445
Employer contributions subsequent to the measurement date	1,688,070	-
Total	\$ 23,329,926	\$ 28,257,509

City of Greenfield

Notes to Financial Statements

December 31, 2022

\$1,688,070 reported as deferred outflows related to pension resulting from the WRS Employer's contributions subsequent to the measurement date will be recognized as a reduction of the net pension asset in the year ended December 31, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

	Deferred Outflow of Resources and Deferred Inflow of Resources (Net)
Years ending December 31:	
2023	\$ (561,482)
2024	(3,249,714)
2025	(1,430,329)
2026	(1,374,128)

Actuarial Assumptions. The total pension liability in the December 31, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Valuation Date:	December 31, 2020
Measurement Date of Net Pension Asset	December 31, 2021
Experience Study	January 1, 2018 – December 31, 2020 Published November 19, 2021
Actuarial Cost Method:	Entry Age Normal
Asset Valuation Method:	Fair Value
Long-Term Expected Rate of Return:	6.8%
Discount Rate:	6.8%
Salary Increases:	
Wage Inflation	3.0%
Seniority/Merit	0.1% - 5.6%
Mortality:	2020 WRS Experience Mortality Table
Post-retirement Adjustments*	1.7%

** No post-retirement adjustment is guaranteed. Actual adjustments are based on recognized investment return, actuarial experience and other factors. 1.7% is the assumed annual adjustment based on the investment return assumption and the post-retirement discount rate. Includes the impact of known Market Recognition Account deferred gains/losses on the liability for dividend payments.*

Actuarial assumptions are based upon an experience study conducted in 2021 that covered a three-year period from January 1, 2018 to December 31, 2020. Based on this experience study, actuarial assumptions used to measure the Total Pension Liability changed from prior year, including the discount rate, long-term expected rate of return, post-retirement adjustment, price inflation, mortality and separation rates. The Total Pension Liability for December 31, 2021 is based upon a roll-forward of the liability calculated from the December 31, 2020 actuarial valuation.

Long-Term Expected Return on Plan Assets. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Allocation Targets and Expected Returns* As of December 31, 2021

<u>Core Fund Asset Class</u>	<u>Asset Allocation %</u>	<u>Long-Term Expected Nominal Rate of Return %</u>	<u>Long-Term Expected Real Rate of Return %</u>
Global Equities	52 %	6.8 %	4.2 %
Fixed Income	25	4.3	1.8
Inflation Sensitive	19	2.7	0.2
Real Estate	7	5.6	3
Private Equity/Debt	12	9.7	7
Total Core Fund***	115	6.6	4
<u>Variable Fund Asset Class</u>			
U.S. Equities	70	6.3	3
International Equities	30	7.2	4.6
Total Variable Fund	100	6.8	4.2

* Asset Allocation are managed within established ranges; target percentages may differ from actual monthly allocations

** New England Pension Consultants Long Term US CPI (Inflation) Forecast: 2.5%

*** The investment policy used for the Core Fund involves reducing equity exposure by leveraging lower-volatility assets, such as fixed income securities. This results in an asset allocation beyond 100%. Currently, an asset allocation target of 15% policy leverage is used subject to an allowable range of up to 20%.

Single Discount Rate. A single discount rate of 6.80% was used to measure the total pension liability, as opposed to a discount rate of 7.0% for the prior year. This single discount rate was based on the expected rate of return on pension plan investments of 6.80% and a municipal bond rate of 1.84%. (Source: Fixed-income municipal bonds with 20 years to maturity that include only federally tax-exempt municipal bonds as reported in Fidelity Index's "20-year Municipal GO AA Index" as of December 31, 2021. In describing this index, Fidelity notes that the Municipal Curves are constructed using option-adjusted analytics of a diverse population of over 10,000 tax-exempt securities.) Because of the unique structure of WRS, the 6.80% expected rate of return implies that a dividend of approximately 1.7% will always be paid. For purposes of the single discount rate, it was assumed that the dividend would always be paid. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments (including expected dividends) of current plan members. Therefore, the municipal bond rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the City's Proportionate Share of the Net Pension Liability (Asset) to Changes in the Discount Rate. The following presents the City's proportionate share of the net pension liability (asset) calculated using the discount rate of 6.80%, as well as what the City's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (5.80%) or 1-percentage-point higher (7.80%) than the current rate:

	1% Decrease to Discount Rate (5.80%)	Current Discount Rate (6.80%)	1% Increase to Discount Rate (7.80%)
The City's proportionate share of the net pension liability (asset)	\$ 8,514,902	\$ (12,000,072)	\$ (26,767,037)

Pension Plan Fiduciary Net Position. Detailed information about the pension plan's fiduciary net position is available in separately issued financial statements available at <http://etf.wi.gov/about-etf/reports-and-studies/financial-reports-and-statements>.

Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to or destruction of assets; errors and omissions; workers compensation; and health care of its employees. All of these risks are covered through the purchase of commercial insurance, with minimal deductibles. Settled claims have not exceeded the commercial coverage in any of the past three years. There were no significant reductions in coverage compared to the prior year.

Commitments and Contingencies

Claims and judgments are recorded as liabilities if all the conditions of Governmental Accounting Standards Board pronouncements are met. The liability and expenditure for claims and judgments are only reported in governmental funds if it has matured. Claims and judgments are recorded in the government-wide statements and proprietary funds as expenses when the related liabilities are incurred.

From time to time, the City is party to various pending claims and legal proceedings. Although the outcome of such matters cannot be forecasted with certainty, it is the opinion of management and the City's attorney that the likelihood is remote that any other such claims or proceedings will have a material adverse effect on the City's financial position or results of operations.

The City has active construction project as of December 31, 2022. Work that has been completed on these projects but not yet paid for (including contract retainages) is reflected as accounts payable and expenditures.

Municipal Revenue Obligations

In 2007, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$7.7 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.2.

The obligation has no established repayment terms. The obligation bears interest at 5.5% and matures on August 1, 2027. In no case, shall the term of this obligation and the City's obligation to make payments, extend beyond the statutory expiration of Tax Incremental District No.2, nor shall the amount of principal to be paid under the obligation exceed \$7.7 million and the aggregate amount of principal and interest shall not exceed \$11.825 million.

The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is approximately \$5.64 million.

In 2017, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$8 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.6.

The obligation has no established repayment terms. The obligation bears interest at 4.75% and matures on September 1, 2042. In no case, shall the term of this obligation and the City's obligation to make payments, extend beyond the statutory expiration of Tax Incremental District No.6, nor shall the amount of principal to be paid under the obligation exceed \$8 million and the aggregate amount of principal and interest shall not exceed \$17.12 million.

The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$6.39 million.

In 2017, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$4.5 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.6.

The obligation has no established repayment terms. The obligation bears interest at 5.5% and matures on September 1, 2042. In no case, shall the term of this obligation and the City's obligation to make payments, extend beyond the statutory expiration of Tax Incremental District No.6, nor shall the amount of principal to be paid under the obligation exceed \$4.5 million and the aggregate amount of principal and interest shall not exceed \$10.44 million.

The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$5.1 million.

In 2020, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$2.2 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.7.

The obligation has no established repayment terms and does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$2.2 million.

In 2022, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$1.5 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.2.

The obligation has no established repayment terms. The obligation bears interest at 3.5% and matures on August 1, 2027. In no case, shall the term of this obligation and the City's obligation to make payments, extend beyond the statutory expiration of Tax Incremental District No.2, nor shall the amount of principal to be paid under the obligation exceed \$1.5 million.

The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$1.5 million.

In 2022, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$5 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.6.

Payments are scheduled through 2042. The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$5 million.

In 2022, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$3.88 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.8.

Payments are scheduled through 2048. The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$3.88 million.

In 2022, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$2.89 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.8.

Payments are scheduled through 2049. The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$2.89 million.

In 2022, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$4.95 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.8.

Payments are scheduled through 2048. The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$4.95 million.

In 2022, the City issued a municipal revenue obligation as part of a development agreement. The amount of the obligation is \$2.53 million, and is payable to the developer solely from tax increments collected from a specific development in Tax Incremental District No.8.

Payments are scheduled through 2048. The obligation does not constitute a charge upon any funds of the City. In the event that future tax increments are not sufficient to pay off the obligation, the obligation terminates with no further liability to the City. Since the amount of future payments is contingent on the collection of future tax increments, the obligation is not reported as a liability in the accompanying financial statements. The balance of the commitment outstanding at year end is \$2.53 million.

Other Post-Employment Benefits

Plan Description and Benefits Provided

The City administers a single-employer defined benefit healthcare plan. The plan provides medical insurance benefits to eligible retirees and their spouses through the City's group medical insurance plan, which covers both active and retired members. The medical insurance benefits also include direct medical reimbursements up to the annual maximum amounts of \$3,250 / \$6,500 single and family coverage. Benefits provisions are established through collective bargaining agreements and other City agreements. The eligibility requirements and the amount of the benefit vary based on retiree's position, years of service and age at retirement. If eligible, the retiree may receive medical insurance benefits until they are Medicare eligible.

City of Greenfield

Notes to Financial Statements
December 31, 2022

Membership of the plan consisted of 66 retirees able to or receiving benefits and 208 active plan members at December 31, 2020, the date of the latest actuarial valuation.

Contribution requirements are established through collective bargaining agreements and other City agreements, and may be amended only through negotiations between the City and the union, or for nonunion employees between the City and the employee. Eligibility requirements are as follows:

	Eligibility	
	Age	Years of Service
Firefighters and sergeants/lieutenants	53 years old	15 years
Police Association	53	10 years
Nonrepresented, police and fire command staff	53	25 years
or nonrepresented, police and fire command staff	54	15 years
Other nonrepresented staff	57	15 years

The retirees contribute up to 12.6% of their monthly medical premiums. The City contributes the remaining amount of the medical premiums. For fiscal year 2022, the City contributed \$963,995 to the plan and plan members receiving benefits contributed \$126,553 to the plan.

Employees Covered by Benefit Terms

Inactive plan members or beneficiaries currently receiving benefit payments	63
Inactive plan members entitled to but not yet receiving benefit payments	3
Active plan members	208
	<u>274</u>

The City's total OPEB liability of \$26,127,512 was measured as of December 31, 2021 and was determined by an actuarial valuation as of that date.

Actuarial Assumptions and Other Inputs

The total OPEB liability in the actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.00%
Discount rate	2.00%
Healthcare cost trend rates	6.50% decreasing by 0.10% per year down to 5.00%, and level thereafter

The discount rate was based on a Bond Buyer 20-Bond GO Index.

Mortality rates were based on the Wisconsin 2018 Mortality Table.

City of Greenfield

Notes to Financial Statements
December 31, 2022

The actuarial assumptions used in the valuation were based on the results of an actuarial experience study conducted in 2018 using Wisconsin Retirement System (WRS) experience from 2015 – 17.

Changes in the Total OPEB Liability - Health

	Total OPEB Liability
Balance, Beginning	\$ 25,107,320
Changes for the year:	
Service cost	1,423,024
Interest	564,583
Changes of assumptions or other input	485,123
Benefit payments	<u>(1,452,538)</u>
Net changes	<u>1,020,192</u>
Balance, Ending	\$ 26,127,512

Sensitivity of the total OPEB liability to changes in the discount rate

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a different discount rate that is 1-percentage-point lower (1.00%) or 1-percentage-point higher (3.00%) than the current discount rate:

	1% Decrease (1.00%)	Discount Rate (2.00%)	1% Increase (3.00%)
Total OPEB liability, health insurance	<u>\$ 28,290,724</u>	<u>\$ 26,127,512</u>	<u>\$ 24,118,364</u>

Sensitivity of the Total OPEB liability to changes in the healthcare cost trend rates

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using healthcare cost trend rates that a 1-percentage-point lower (5.5% decreasing to 4.0%) or 1-percentage-point higher (7.5% decreasing to 6.0%) than the current healthcare cost trend rates:

	1% Decrease (5.5% decreasing to 4.0%)	Healthcare Cost Trend Rates (6.5% decreasing to 5.0%)	1% Increase (7.5% decreasing to 6.0%)
Total OPEB liability, health insurance	<u>\$ 23,149,074</u>	<u>\$ 26,127,512</u>	<u>\$ 29,709,793</u>

**OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources
Related to OPEB**

For the year ended December 31, 2022, the City recognized OPEB expense of \$2,648,398. At December 31, 2022, the City reported deferred outflows or resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources
Differences between expected and actual experience	\$ 2,109,460
Changes of assumptions or other inputs	2,219,033
Employer contributions subsequent to the measurement date	<u>1,432,511</u>
Total	<u>\$ 5,761,004</u>

\$1,432,511 reported as deferred outflows related to OPEB resulting from the City's contributions subsequent to the measurement date will be recognized as a reduction of the OPEB Liability in the year ended December 31, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

<u>Years ending December 31:</u>	Deferred Outflow of Resources and Deferred Inflow of Resources (Net)
2023	\$ 660,791
2024	660,791
2025	660,791
2026	660,791
2027	660,796
Thereafter	1,024,533

Local Retiree Life Insurance Fund (LRLIF)

Plan Description. The LRLIF is a multiple-employer defined benefit OPEB plan. LRLIF benefits and other plan provisions are established by Chapter 40 of the Wisconsin Statutes. The Wisconsin Department of Employee Trust Funds (ETF) and the Group Insurance Board have statutory authority for program administration and oversight. The plan provides post-employment life insurance benefits for all eligible employees.

ETF issues a standalone Annual Comprehensive Financial Report (ACFR), which can be found at <http://etf.wi.gov/about-etf/reports-and-studies/financial-reports-and-statements>.

Additionally, ETF issued a standalone Retiree Life Insurance Financial Report, which can be found at the link above.

City of Greenfield

Notes to Financial Statements
December 31, 2022

Vesting. For employees beginning participation on or after January 1, 1990, and no longer actively employed on or after April 24, 1998, creditable service in each of five years is required for eligibility for a retirement annuity. Participants employed prior to 1990 and on or after April 24, 1998, and prior to July 1, 2011, are immediately vested. Participants who initially became WRS eligible on or after July 1, 2011, must have five years of creditable service to be vested.

Benefits Provided. The LRLIF plan provides fully paid up life insurance benefits for post-age 64 retired employees and pre-65 retirees who pay for their coverage.

Contributions. The Group Insurance Board approves contribution rates annually, based on recommendations from the insurance carrier. Recommended rates are based on an annual valuation, taking into consideration an estimate of the present value of future benefits and the present value of future contributions. A portion of employer contributions made during a member's working lifetime funds a post-retirement benefit.

Employers are required to pay the following contribution based on employee contributions for active members to provide them with Basic Coverage after age 65. There are no employer contributions required for pre-age 65 annuitant coverage. If a member retires prior to age 65, they must continue paying the member premiums until age 65 in order to be eligible for the benefit after age 65.

Contribution rates for the plan year reported as of are:

Coverage Type	Employer Contribution
50% Post Retirement Coverage	40% of member contribution
25% Post Retirement Coverage	20% of member contribution

Member contributions are based upon nine age bands through age 69 and an additional eight age bands for those age 70 and over. Participating members must pay monthly contribution rates per \$1,000 of coverage until the age of 65 (age 70 if active). The member contribution rates in effect for the plan year are as listed below:

Life Insurance Member Contribution Rates For the Plan Year		
Attained Age	Basic	Supplemental
Under 30	\$0.05	\$0.05
30-34	0.06	0.06
35-39	0.07	0.07
40-44	0.08	0.08
45-49	0.12	0.12
50-54	0.22	0.22
55-59	0.39	0.39
60-64	0.49	0.49
65-69	0.57	0.57

Disabled members under age 70 received a waiver-of-premium benefit.

During the reporting period, the LRLIF recognized \$5,168 in contributions from the employer.

OPEB Liability, OPEB Expense (Revenue) and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEBs

At December 31, 2022, the City reported a liability of \$1,492,357 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of December 31, 2021, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of January 1, 2021 rolled forward to December 31, 2021. No material changes in assumptions or benefit terms occurred between the actuarial valuation date and the measurement date. The City's proportion of the net OPEB liability was based on the City's share of contributions to the OPEB plan relative to the contributions of all participating employers. At December 31, 2021, the City's proportion was 0.25249800%, which was a decrease of 0.00698400% from its proportion measured as of December 31, 2020.

For the year ended December 31, 2022, the City recognized OPEB expense of \$181,985.

At December 31, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflow of Resources	Deferred Inflow of Resources
Differences between expected and actual experience	\$ -	\$ 75,916
Changes in actuarial assumptions	450,892	72,335
Net differences between projected and investment earnings on plan investment	19,417	-
Changes in proportion and differences between employer contributions and proportionate share of contributions	22,903	26,072
Employer contributions subsequent to the measurement date	5,087	-
Total	<u>\$ 498,299</u>	<u>\$ 174,323</u>

City of Greenfield

Notes to Financial Statements

December 31, 2022

\$5,087 reported as deferred outflows related to OPEB resulting from the LRLIF Employer's contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability (asset) in the year ended December 31, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense (revenue) as follows:

		Deferred Outflow of Resources and Deferred Inflows of Resources (Net)
Years ending December 31:		
2023	\$	74,845
2024		72,593
2025		64,020
2026		78,801
2027		32,284
Thereafter		(3,654)

Actuarial Assumptions. The total OPEB liability in the actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Valuation Date:	January 1, 2021
Measurement Date of Net OPEB Liability (Asset)	December 31, 2021
Experience Study	January 1, 2018 – December 31, 2020, Published November
Actuarial Cost Method:	Entry Age Normal
20 Year Tax-Exempt Municipal Bond Yield:	2.06%
Long-Term Expected Rate of Return:	4.25%
Discount Rate:	2.17%
Salary Increases:	
Wage Inflation	3.00%
Seniority/Merit	0.10% - 5.6%
Mortality:	2020 WRS Experience Mortality Table

Actuarial assumptions are based upon an experience study conducted in 2021 that covered a three-year period from January 1, 2018 to December 31, 2020. Based on this experience study, actuarial assumptions used to measure the Total OPEB Liability changed from the prior year, including the price inflation, mortality and separation rates. The Total OPEB Liability for December 31, 2021 is based upon a roll-forward of the liability calculated from the January 1, 2021 actuarial valuation.

Long-Term Expected Return on Plan Assets. The long-term expected rate of return is determined by adding expected inflation to expected long-term real returns and reflecting expected volatility and correlation. Investments for the LRLIF are held with Securian, the insurance carrier. Interest is calculated and credited to the LRLIF based on the rate of return for a segment of the insurance carriers' general fund, specifically 10-year A-Bonds (as a proxy and not tied to any specific investments). The overall aggregate interest rate is calculated using a tiered approach based on the year the funds were originally invested and the rate of return for that year. Investment interest is credited based on the aggregate rate of return and assets are not adjusted to fair market value. Furthermore, the insurance carrier guarantees the principal amounts of the reserves, including all interest previously credited thereto.

**State OPEB Life Insurance
Asset Allocation Targets and Expected Returns
As of December 31, 2021**

Asset Class	Index	Target Allocation	Long-Term Expected Geometric Real Rate of Return
US Intermediate Credit Bonds	Bloomberg US Interm Credit	45.00%	1.68%
US Long Credit Bonds	Bloomberg US Long Credit	5.00%	1.82%
US Mortgages	Bloomberg US MBS	50.00%	1.94%
Inflation			2.30%
Long-Term Expected Rate of Return			4.25%

The long-term expected rate of return and expected inflation rate remained unchanged from the prior year at 4.25% and 2.20% respectively. The long-term expected rate of return is determined by adding expected inflation to expected long-term real returns and reflecting expected volatility and correlation. The expected inflation rate increased from 2.20% as of December 31, 2020 to 2.30% as of December 31, 2021.

Single Discount Rate. A single discount rate of 2.17% was used to measure the total OPEB liability for the current year, as opposed to a discount rate of 2.25% for the prior year. The significant change in the discount rate was primarily caused by the decrease in the municipal bond rate from 2.12% as of December 31, 2020 to 2.06% as of December 31, 2021. The Plan's fiduciary net position was projected to be insufficient to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the Total OPEB Liability is equal to the single equivalent rate that results in the same actuarial present value as the long-term expected rate of return applied to benefit payments, to the extent that the plan's fiduciary net position is projected to be sufficient to make projected benefit payments, and the municipal bond rate applied to benefit payment to the extent that the plan's fiduciary net position is projected to be insufficient. The plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through December 31, 2036.

The projection of cash flows used to determine the single discount rate assumed that employer contributions will be made according to the current employer contribution schedule and that contributions are made by plan members retiring prior to age 65.

Sensitivity of the City's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate. The following presents the City's proportionate share of the net OPEB liability calculated using the discount rate of 2.17%, as well as what the City's proportionate share of the net OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (1.17%) or 1-percentage-point higher (3.17%) than the current rate:

	1% Decrease to Discount Rate (1.17%)	Current Discount Rate (2.17%)	1% Increase to Discount Rate (3.17%)
City's proportionate share of the net OPEB liability	\$ 2,024,590	\$ 1,492,357	\$ 1,091,873

OPEB Plan Fiduciary Net Position. Detailed information about the OPEB plan's fiduciary net position is available in separately issued financial statements available at <http://etf.wi.gov/publications/cafr.htm>.

Subsequent Events

On April 26, 2023, the City issued General Obligation Corporate Purpose Bonds, Series 2023A in the amount of \$3,775,000 to finance capital projects within the City. The debt plan includes varying principal payments in the years 2024 to 2038.

Effect of New Accounting Standards on Current-Period Financial Statements

The Governmental Accounting Standards Board (GASB) has approved the following:

- Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*
- Statement No. 96, *Subscription-Based Information Technology Arrangements*
- Statement No. 99, *Omnibus 2022*
- Statement No. 100, *Accounting Changes and Error Corrections - an Amendment of GASB Statement No. 62*
- Statement No. 101, *Compensated Absences*

When they become effective, application of these standards may restate portions of these financial statements.

Wisconsin Retirement System

The amounts presented in relation to the schedule of employer's proportionate share of the net pension liability (asset) and the schedule of employer contributions represents the specific data of the City. The information was derived using a combination of the employer's contribution data along with the data provided by the Wisconsin Retirement System in relation to the City as a whole.

The City is required to present the last ten fiscal years data; however the standards allow the City to present as many years as are available until ten fiscal years are presented.

Changes of benefit terms. There were no changes of benefit terms for any participating employer in Wisconsin Retirement System.

Changes of assumptions. Based on a three-year experience study conducted in 2021 covering January 1, 2018 through December 31, 2020, the ETF Board adopted assumption changes that were used to measure the total pension liability beginning with the year-end December 31, 2021, including the following:

- Lowering the long-term expected rate of return from 7.0% to 6.8%
- Lowering the discount rate from 7.0% to 6.8%
- Lowering the price inflation rate from 2.5% to 2.4%
- Lowering the post-retirement adjustments from 1.9% to 1.7%
- Mortality assumptions were changed to reflect updated trends by transitioning from the Wisconsin 2018 Mortality Table to the 2020 WRS Experience Mortality Table.

Based on a three-year experience study conducted in 2018 covering January 1, 2015 through December 31, 2017, the ETF Board adopted assumption changes that were used to measure the total pension liability beginning with the year-ended December 31, 2018, including the following:

- Lowering the long-term expected rate of return from 7.2% to 7.0%
- Lowering the discount rate from 7.2% to 7.0%
- Lowering the wage inflation rate from 3.2% to 3.0%
- Lowering the price inflation rate from 2.7% to 2.5%
- Lowering the post-retirement adjustments from 2.1% to 1.9%
- Mortality assumptions were changed to reflect updated trends by transitioning from the Wisconsin 2012 Mortality Table to the Wisconsin 2018 Mortality Table.

Local Retiree Life Insurance Fund (LRLIF)

The amounts presented in relation to the schedule of employer's proportionate share of the net OPEB liability and the schedule of employer contributions represents the specific data of the City. The information was derived using a combination of the employer's contribution data along with the data provided by the Wisconsin Retirement System in relation to the City as a whole.

The City is required to present the last ten fiscal years data; however the standards allow the City to present as many years as are available until ten fiscal years are presented.

Changes of Benefit Terms. There were no changes of benefit terms for any participating employer in LRLIF.

Changes of Assumptions. In addition to the rate changes detailed in the tables, the State of Wisconsin Employee Trust Fund Board adopted economic and demographic assumption changes based on a three-year experience study performed for the Wisconsin Retirement System. These assumptions are used in the actuarial valuations of OPEB liabilities for the retiree life insurance programs and are summarized below.

The assumption changes that were used to measure the December 31, 2021 total OPEB liabilities included the following:

- Lowering the price inflation rate from 2.5% to 2.4%
- Mortality assumptions were changed to reflect updated trends by transitioning from the Wisconsin 2018 Mortality Table to the 2020 WRS Experience Mortality Table.

The assumption changes that were used to measure the December 31, 2018 total OPEB liabilities included the following:

- Lowering the long-term expected rate of return from 5.00% to 4.25%
- Lowering the wage inflation rate from 3.2% to 3.0%
- Lowering the price inflation rate from 2.7% to 2.5%
- Mortality assumptions were changed to reflect updated trends by transitioning from the Wisconsin 2012 Mortality Table to the Wisconsin 2018 Mortality Table.

Fax (414) 375-2631LEGAL OPINION

We have served as bond counsel with regard to:

\$4,085,000
CITY OF GREENFIELD
MILWAUKEE COUNTY, WISCONSIN
GENERAL OBLIGATION CORPORATE PURPOSE BONDS, SERIES 2024B
DATED FEBRUARY 28, 2024

We hereby certify that we have examined a transcript of proceedings of the Common Council of the City of Greenfield relative to the authorization, issuance and sale of the aforesaid Bonds. We have also examined the law and such other documents furnished to us as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the transcript of proceedings and other certifications furnished to us without undertaking to verify the same by independent investigation.

The Bonds are numbered 1 and upward; are in the denomination of \$5,000 or any integral multiple thereof; bear interest at the rates set forth below; and mature serially on April 1 of each year, in the years and principal amounts as follows:

<u>Year of Maturity</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2025	\$195,000	— %
2026	240,000	—
2027	250,000	—
2028	265,000	—
2029	280,000	—
2030	290,000	—
2031	305,000	—
2032	325,000	—
2033	340,000	—
2034	355,000	—
2035	230,000	—
2036	245,000	—
2037	255,000	—
2038	270,000	—
2039	240,000	—

Interest is payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2025.

At the option of the City, the Bonds maturing on April 1, 2034 and thereafter are subject to redemption prior to maturity on April 1, 2033 or on any date thereafter. Said Bonds are redeemable as a whole or in part, from maturities selected by the City and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

We further certify that we have examined a sample of the Bonds and find the same to be in proper form.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds (except to the extent, if any, stated in the Official Statement), and we express no opinion relating thereto (excepting only the matters set forth as our opinion in the Official Statement).

Based on our examinations, we are of the opinion, as of the date hereof and under existing law, as follows:

1. The Bonds are valid and binding general obligations of the City.
2. All taxable property in the territory of the City is subject to ad valorem taxation without limitation as to rate or amount to pay the Bonds. The City is required by law to include in its annual tax levy the principal and interest coming due on the Bonds except to the extent the necessary funds have been irrevocably deposited into the debt service fund account established for the payment of the principal of and interest on the Bonds.
3. The interest on the Bonds is excludable from gross income for federal income tax purposes. The interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. The opinion set forth in the first sentence of this paragraph is subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that enforcement of the Bonds may also be subject to the exercise of judicial discretion in appropriate cases.

GRIGGS LAW OFFICE LLC

BOOK-ENTRY-ONLY SYSTEM

1. The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]
2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.
4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]
6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.
10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.
11. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.
12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

FORM OF CONTINUING DISCLOSURE CERTIFICATE

(See following pages)

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (the “Disclosure Certificate”) is executed and delivered by the City of Greenfield, Milwaukee County, Wisconsin (the “Issuer”) in connection with the issuance of \$4,085,000 General Obligation Corporate Purpose Bonds, Series 2024B, dated February 28, 2024 (the “Securities”). The Securities are being issued pursuant to a Resolution, dated February 6, 2024 (the “Resolution”). The Issuer covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Issuer for the benefit of the holders and beneficial owners of the Securities and in order to assist the Participating Underwriters in complying with S.E.C. Rule 15c2-12(b)(5).

Section 2. Definitions. In addition to the defined terms set forth in the Resolution, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Report” shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

“Financial Obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

“Listed Events” shall mean any of the events listed in Section 5(a) of this Disclosure Certificate.

“National Repository” shall mean the Municipal Securities Rulemaking Board electronically through the Electronic Municipal Market Access system, available at www.emma.msrb.org, or such other website as may be determined from time to time by the Securities and Exchange Commission.

“Obligated Person” shall mean any person, including an issuer of municipal securities, who is either generally or through an enterprise, fund, or account of such person committed by contract or other arrangement to support payment of all, or part of the obligations on the Securities.

“Participating Underwriter” shall mean any of the original underwriters of the Securities required to comply with the Rule in connection with the offering of the Securities.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time including any official interpretations thereof.

Section 3. Provision of Annual Reports.

(a) The Issuer shall, not later than December 31 of each year, commencing December 31, 2024, provide to the National Repository an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the Issuer may be submitted separately from the balance of the Annual Report.

(b) Documents provided to the National Repository shall be accompanied by identifying information as prescribed by the National Repository.

(c) The Issuer shall determine each year prior to providing the Annual Report the electronic address of the National Repository.

(d) If the Issuer is unable or fails to provide to the National Repository an Annual Report by the date required in subsection (a), the Issuer shall send in a timely manner a notice of that fact to the National Repository in the format prescribed by the National Repository.

Section 4. Content of Annual Reports. The Issuer's Annual Report shall contain or incorporate by reference the following:

(a) The Issuer's audited financial statements. The financial statements will be prepared in accordance with Generally Accepted Accounting Principles. If audited financial statements are not available by December 31, unaudited financial information will be provided, and audited financial statements will be submitted to the National Repository when and if available.

(b) Updates of the following sections of the final official statement:

- (1) Valuations - Current Property Valuations
- (2) Debt - Direct Debt
- (3) Debt - Debt Limit
- (4) Tax Levies and Collections

Any or all of the items listed above may be incorporated by reference from documents, including official statements of debt issues of the Issuer or related public entities, which have been submitted to the National Repository or the Securities and Exchange Commission. If the document incorporated by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. (Currently located at 1300 I Street NW, Suite 1000, Washington, DC 20005, (202) 838-1500.) The Issuer shall clearly identify each document so incorporated by reference.

Section 5. Reporting of “Listed” Events.

(a) This Section 5 shall govern the giving of notices of the occurrence of any of the following events to the extent applicable to the Securities:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Securities or other material events affecting the tax status of the Securities;
- (7) Modification to rights of holders of the Securities, if material;
- (8) Bond calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Securities, if material;
- (11) Rating changes;
- (12) Bankruptcy, insolvency, receivership or similar event of the Obligated Person;
- (13) The consummation of a merger, consolidation, or acquisition involving an Obligated Person or the sale of all or substantially all of the assets of the Obligated Person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material;

- (15) Incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; and
- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

(For the purposes of the event identified in subsection (a) (12), the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an Obligated Person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Obligated Person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Obligated Person.)

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall as soon as possible determine under applicable legal standards if such event would constitute material information, within the meaning of the Rule, for holders or beneficial owners of the Securities, provided, that any event under subsection (a) (1), (3), (4), (5), (8) (tender offers only), (9), (11), (12) or (16) will always be deemed to be material.

(c) If the Issuer determines that knowledge of the occurrence of a Listed Event would be material, the Issuer shall, in a timely manner not in excess of ten business days after the occurrence of the event, file a notice of such occurrence with the National Repository. Notwithstanding the foregoing, notice of Listed Events described in subsections (a) (8) and (9) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Securities pursuant to the Resolution.

Section 6. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Securities.

Section 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a dissemination agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such agent, with or without appointing a successor dissemination agent.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate any holder or beneficial owner of the Securities may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate. The sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance

Section 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Participating Underwriters and holders and beneficial owners from time to time of the Securities, and shall create no rights in any other person or entity.

Date: February __, 2024

CITY OF GREENFIELD
MILWAUKEE COUNTY, WISCONSIN

City Clerk

(SEAL)

APPENDIX E

NOTICE OF SALE

\$4,085,000* GENERAL OBLIGATION CORPORATE PURPOSE BONDS, SERIES 2024B CITY OF GREENFIELD, WISCONSIN

Bids for the purchase of \$4,085,000* General Obligation Corporate Purpose Bonds, Series 2024B (the "Bonds") of the City of Greenfield, Wisconsin (the "City") will be received at the offices of Ehlers and Associates, Inc. ("Ehlers"), 3060 Centre Pointe Drive, Roseville, Minnesota 55113-1105, municipal advisors to the City, until 10:00 A.M., Central Time, and **ELECTRONIC PROPOSALS** will be received via bondsale@ehlers-inc.com or **PARITY**, in the manner described below, until 10:00 A.M. Central Time, on February 6, 2024, at which time they will be opened, read and tabulated. The bids will be presented to the Common Council for consideration for award by resolution at a meeting to be held at 7:00 P.M., Central Time, on the same date. The bid offering to purchase the Bonds upon the terms specified herein and most favorable to the City will be accepted unless all bids are rejected.

AUTHORITY; PURPOSE; SECURITY

The Bonds are being issued pursuant to Section 67.04, Wisconsin Statutes, by the City, for the public purposes including financing street improvement projects, park projects and the purchase of a fire truck. The Bonds are general obligations of the City, and all the taxable property in the City is subject to the levy of a tax to pay the principal of and interest on the Bonds as they become due which tax may, under current law, be levied without limitation as to rate or amount.

DATES AND MATURITIES

The Bonds will be dated February 28, 2024, will be issued as fully registered Bonds in the denomination of \$5,000 each, or any integral multiple thereof, and will mature on April 1 as follows:

<u>Year</u>	<u>Amount*</u>	<u>Year</u>	<u>Amount*</u>	<u>Year</u>	<u>Amount*</u>
2025	\$195,000	2030	\$290,000	2035	\$230,000
2026	240,000	2031	305,000	2036	245,000
2027	250,000	2032	325,000	2037	255,000
2028	265,000	2033	340,000	2038	270,000
2029	280,000	2034	355,000	2039	240,000

ADJUSTMENT OPTION

The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BOND OPTION

Bids for the Bonds may contain a maturity schedule providing for any combination of serial bonds and term bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above. All dates are inclusive.

INTEREST PAYMENT DATES AND RATES

Interest will be payable on April 1 and October 1 of each year, commencing April 1, 2025, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board. All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

BOOK-ENTRY-ONLY FORMAT

Unless otherwise specified by the purchaser, the Bonds will be designated in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds, and will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of interests between its participants. The participants will be responsible for maintaining records regarding the beneficial interests of the individual purchasers of the Bonds. So long as Cede & Co. is the registered owner of the Bonds, all payments of principal and interest will be made to the depository which, in turn, will be obligated to remit such payments to its participants for subsequent disbursement to the beneficial owners of the Bonds.

OPTIONAL REDEMPTION

At the option of the City, the Bonds maturing on or after April 1, 2034 shall be subject to optional redemption prior to maturity on April 1, 2033 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the City. If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of redemption shall be sent by mail not more than 60 days and not less than 30 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

DELIVERY

On or about February 28, 2024, the Bonds will be delivered without cost to the winning bidder at DTC. On the day of closing, the City will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Bonds is then pending or, to the best knowledge of officers of the City, threatened. Payment for the Bonds must be received by the City at its designated depository on the date of closing in immediately available funds.

LEGAL OPINION

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Griggs Law Office LLC, Bond Counsel to the City ("Bond Counsel"), and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding general obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding).

STATEMENT REGARDING COUNSEL PARTICIPATION

Bond Counsel has not assumed responsibility for the Preliminary Official Statement or participated in its preparation (except with respect to the section entitled "TAX EXEMPTION" in the Preliminary Official Statement and the "FORM OF LEGAL OPINION" found in Appendix B of the Preliminary Official Statement).

SUBMISSION OF BIDS

Bids must not be for less than \$4,033,937.50, nor more than \$4,411,800, plus accrued interest on the principal sum of \$4,085,000 from date of original issue of the Bonds to date of delivery. Prior to the time established above for the opening of bids, interested parties may submit a bid as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Electronically via **PARITY** in accordance with this Notice of Sale until 10:00 A.M. Central Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about **PARITY**, potential bidders may contact IHS Markit (now part of S&P Global) at <https://ihsmarkit.com/products/municipal-issuance.html> or via telephone (844) 301-7334.

Bids must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of bids. Each bid must be unconditional except as to legality. Neither the City nor Ehlers shall be responsible for any failure to receive a facsimile submission.

A good faith deposit ("Deposit") in the amount of \$81,700 shall be made by the winning bidder by wire transfer of funds. Such Deposit shall be received by Ehlers no later than two hours after the bid opening time. Wire transfer instructions will be provided to the winning bidder by Ehlers after the tabulation of bids. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. The Deposit will be retained by the City as liquidated damages if the bid is accepted and the Purchaser fails to comply therewith.

The City and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the bid is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the bid is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

No bid can be withdrawn after the time set for receiving bids unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The City's computation of the interest rate of each bid, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The City reserves the right to reject any and all bids and to waive any informality in any bid.

BOND INSURANCE

If the Bonds are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the City requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any rating agency fees not requested by the City are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Bonds are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Bonds.

CUSIP NUMBERS

The City will assume no obligation for the assignment or printing of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

CONTINUING DISCLOSURE

In order to assist the Underwriter (Syndicate Manager) in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 the City will enter into an undertaking for the benefit of the holders of the Bonds. A description of the details and terms of the undertaking is set forth in Appendix D of the Preliminary Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

(a) The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate satisfactory to Bond Counsel setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) The City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential investors;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in this bid.

(c) If all of the requirements of a "competitive sale" are not satisfied, the City shall advise the winning bidder of such fact prior to the time of award of the sale of the Bonds to the winning bidder. In such event, any bid submitted will not be subject to cancellation or withdrawal and the City agrees to use the rule selected by the winning bidder on its bid form to determine the issue price for the Bonds. On its bid form, each bidder must select one of the following two rules for determining the issue price of the Bonds: (1) the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity or (2) the initial offering price to the public as of the sale date as the issue price of each maturity of the Bonds (the "hold-the-offering-price rule").

(d) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the hold-the-offering-price rule, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the City promptly after the close of the fifth (5th) business day after the sale whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The City acknowledges that in making the representation set forth above, the winning bidder will rely on:

(i) the agreement of each underwriter to comply with requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-price rule, if applicable to the Bonds, as set forth in an agreement among underwriters and the related pricing wires,

(ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and

(iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price rule of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Bonds.

(e) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the 10% test, the winning bidder agrees to promptly report to the City, Bond Counsel and Ehlers the prices at which the Bonds have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to each maturity of the Bonds, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

(f) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is party to such third-party distribution agreement, as applicable, to:

(A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred until either all securities of that maturity allocated to it have been sold or it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

(B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group and each broker dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to:

(A) to promptly notify the winning bidder of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(B) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(g) Sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership

by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) "sale date" means the date that the Bonds are awarded by the City to the winning bidder.

PRELIMINARY OFFICIAL STATEMENT

Bidders may obtain a copy of the Preliminary Official Statement relating to the Bonds prior to the bid opening by request from Ehlers at www.ehlers-inc.com by connecting to the Bond Sales link. The Underwriter (Syndicate Manager) will be provided with an electronic copy of the Final Official Statement within seven business days of the bid acceptance. Up to 10 printed copies of the Final Official Statement will be provided upon request. Additional copies of the Final Official Statement will be available at a cost of \$10.00 per copy.

Information for bidders and bid forms may be obtained from Ehlers at 3060 Centre Pointe Drive, Roseville, Minnesota 55113-1105, Telephone (651) 697-8500.

By Order of the Common Council

Paula Schafer, Finance Director
City of Greenfield, Wisconsin

BID FORM

The Common Council
City of Greenfield, Wisconsin (the "City")

February 6, 2024

RE: \$4,085,000* General Obligation Corporate Purpose Bonds, Series 2024B (the "Bonds")
DATED: February 28, 2024

For all or none of the above Bonds, in accordance with the Notice of Sale and terms of the Global Book-Entry System (unless otherwise specified by the Purchaser) as stated in this Official Statement, we will pay you \$_____ (not less than \$4,033,937.50, nor more than \$4,411,800) plus accrued interest to date of delivery for fully registered Bonds bearing interest rates and maturing in the stated years as follows:

_____ % due 2025	_____ % due 2030	_____ % due 2035
_____ % due 2026	_____ % due 2031	_____ % due 2036
_____ % due 2027	_____ % due 2032	_____ % due 2037
_____ % due 2028	_____ % due 2033	_____ % due 2038
_____ % due 2029	_____ % due 2034	_____ % due 2039

The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

A good faith deposit ("Deposit") in the amount of \$81,700 shall be made by the winning bidder by wire transfer of funds. Such Deposit shall be received by Ehlers no later than two hours after the bid opening time. Wire transfer instructions will be provided to the winning bidder by Ehlers after the tabulation of bids. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. The Deposit will be retained by the City as liquidated damages if the bid is accepted and the Purchaser fails to comply therewith. We agree to the conditions and duties of Ehlers and Associates, Inc., as escrow holder of the Deposit, pursuant to the Notice of Sale. This bid is for prompt acceptance and is conditional upon delivery of said Bonds to The Depository Trust Company, New York, New York, in accordance with the Notice of Sale. Delivery is anticipated to be on or about February 28, 2024.

This bid is subject to the City's agreement to enter into a written undertaking to provide continuing disclosure under Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 as described in the Preliminary Official Statement for the Bonds.

We have received and reviewed the Official Statement, and any addenda thereto, and have submitted our requests for additional information or corrections to the Final Official Statement. As Underwriter (Syndicate Manager), we agree to provide the City with the reoffering price of the Bonds within 24 hours of the bid acceptance.

This bid is a firm offer for the purchase of the Bonds identified in the Notice of Sale, on the terms set forth in this bid form and the Notice of Sale, and is not subject to any conditions, except as permitted by the Notice of Sale.

By submitting this bid, we confirm that we are an underwriter and have an established industry reputation for underwriting new issuances of municipal bonds. YES: ____ NO: ____.

If the competitive sale requirements are not met, we elect to use either the: ____ 10% test, or the ____ hold-the-offering-price rule to determine the issue price of the Bonds.

Account Manager: _____ By: _____
Account Members:

Award will be on a true interest cost basis. According to our computations (the correct computation being controlling in the award), the total dollar interest cost (including any discount or less any premium) computed from February 28, 2024 of the above bid is \$ _____ and the true interest cost (TIC) is ____ %.

The foregoing offer is hereby accepted by and on behalf of the Common Council of the City of Greenfield, Wisconsin, on February 6, 2024.
